Happy Friday!

As we approach the end of the first term, teachers will be helping students prepare for their Student Inclusive Conferences. These conferences provide a valuable opportunity to watch and listen as your child explains, demonstrates, and showcases their learning. While it is wonderful to celebrate completed work, the true focus is on reflecting on the learning journey, recognizing productive struggles, and discussing growth, perseverance, and next steps.

Information about booking conference times will be shared next week. Teachers will provide a variety of appointment options to accommodate families whenever possible. If you know you will be away, please let your child's teacher know as soon as possible. If you are unable to attend, we encourage you to invite another trusted family member or close friend to participate. We want every student to have the opportunity to share their learning with someone important in their life. If you have any questions or scheduling concerns, please reach out to your child's teacher.

The Cost of a Flush – We are asking for your support with a recurring issue in the boys' washrooms. Over the past several weeks, a variety of items, including balls, clothing, door stops, and paper towels, have been found placed in toilets. These incidents have resulted in blockages and have required significant staff time and, in some cases, costly plumbing repairs.

As this is occurring primarily during recess and lunch when students from multiple grades are accessing the washrooms, we are asking all families to take a moment to speak with their child about the importance of using school facilities appropriately and respecting shared spaces.

Students may not realize the broader impact of these actions. When funds must be used for plumbing repairs and maintenance, there is less money available for the activities and experiences that directly benefit students, such as special presentations, field trips, classroom resources, and playground or learning equipment.

We appreciate your partnership in reinforcing the message that our school belongs to all of us and that everyone has a role to play in caring for it. Thank you for taking a few moments to have this important conversation at home.

Save the Date – Our Primary Winter Concert is set for Wednesday, December 16 with two shows. For all the latest on costumes, songs, and what to expect, check out the link above DPE's Backstage Buzz!

Information About School Status During Inclement Weather Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKNW 730AM, Country Radio 107.1FM, Pulse 107.7FM, CBC 690AM or CBC 88.1FM for updates.

In the event of inclement weather, the District may implement a delayed start or early dismissal at school sites. This information will be communicated to families via one or more of these methods: SchoolMessenger, email and/or text and

on the District website. For District bus riders, schedules may change depending on the school status. Bus riders will be notified of changes via one or more of these methods: My Ride K-12 App, email, phone, and/or District website.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.
