RELEASE

SEPTEMBER 28, 2024

ISSUE # 3

MESSAGE FROM YOUR PRINCIPAL

It has been an eventful few weeks full of fun School Spirit days, Terry Fox events and important learning around Truth and Reconciliation. On October 27th, students wore orange shirts as a reminder for us to continue to learn, recognize and reflect upon the history of residential schools, the trauma experienced by many, and the honoring of residential school survivors and their families. Students took part in a school-wide action towards Reconciliation while learning about DW Poppy's ongoing commitment to Truth and Reconciliation. On this day of National Truth For Reconciliation, we encourage families to discuss and reflect together as we continue this important learning journey.

Thank you for continuing to engage in our school newsletters. Please note that if you need to access any of the previous newsletters that they are posted on our website [here](#).

Trauma Informed Practices and Procedures promote the creation and maintenance of safe, inclusive, equitable, welcoming, and nurturing school environments. NEW TECHNOLOGY GUIDELINES: PERSONAL DIGITAL DEVICES

Electronic devices can be distracting to student learning. There is a significant body of research showing that increased technology use is linked to problems with mental health, focus and the development of relationships and academic skills.

The Langley School District recognizes the importance of establishing clear guidelines to ensure that personal digital devices are used in a way that supports educational goals and maintains a safe and respectful learning environment.

During hours of instruction, personal electronic devices must be turned off and stored away in backpacks or lockers, unless otherwise instructed by school staff for educational purposes. This includes during study blocks, tutorial and any school sponsored activity such as an assembly or talk by a guest speaker.

To read the new guidelines as set out by the Langley School District click [here](#).

Please go online at <https://schoolcashionline.com/> to register your child(ren). You will get an email notification any time a new “item” is available for purchase and the first item you will see are the student fees for the coming year.
