RELEASE

MESSAGE FROM YOUR PRINCIPAL

As we come to the end of Semester 1, I want to extend a sincere thank you to our parents/guardians and families for your ongoing support of our school community. Your partnership, encouragement and involvement help make DW Poppy a vibrant and welcoming place for our students to learn and grow. We are excited for the opportunities ahead and look forward to working alongside you in Semester 2.

We appreciate you continuing to engage in our school newsletters, so you are up to date with important events. Please note that if you need to access any of the old newsletters that they are posted on our website.

We look forward to seeing students back on Thursday, September 29th for the start of Semester 2.

Jonathan Harris
Proud Principal
DW Poppy Secondary School

COURSE CHANGES FOR SEMESTER 2

Councillors have been accepting course change requests for Semester 2. Please note that classes are currently very full, and available changes are limited. The final day to request a course change is **January 30th**.

To request a course change, please have students book an appointment with their counsellor by speaking with **Ms. Greentree** in the front office.

VAPING INFORMATION SESSIONS FOR YOUTH

In partnership with Health Canada, QuitNow is hosting I quit for me, a series of sessions for youth ages 13-18 who would like to stop vaping or smoking. The sessions will focus on health risks of nicotine, creating a support plan, and healthy ways to manage stress. Sessions are 45-minutes on Zoom and run every Tuesday at 7pm PST from February 3 to March 3, 2026. Please encourage youth to register in advance to secure a spot. Questions may be directed to Beth Clark, Manager, Behavioural Coaching & Outreach at clark@bclung.ca.

END OF SEMESTER TRANSITION DAYS

One of the most important measures of student success is the measure of student transitions, when students successfully move on to the next step in their educational journey. This might include a student who goes from one course to the next course (e.g., English 8 to English 9), from one grade to the next grade, from one level of school to the next level of school (e.g., middle to secondary), or to post-secondary opportunities. At the end of each semester, secondary schools have Transition Days, in which staff create opportunities for students to demonstrate key transitions goals and growth, and assist them in their transitions. Successful transitions are vital for students to build on the successes they have had, and prepare them for the new challenges in their new classroom, new school, etc. The Transition Days also allow for students to complete and present their major careers requirements. Some of the activities that occur during Transition Days in different secondary schools include:

- Mini-Capstone presentations by Grade 9 students
- Capstone presentations by Grade 11 and 12 students
- Careers and Capstone Fairs
- Grade 7/8 visits to the secondary school (e.g., Taste of LSS)
- Other connections and activities between schools to assist in student transitions

- Provincial Literacy and Numeracy Assessments for Grade 10 and 12 students.

At the end of Semester 1, secondary schools also will have a Semester Turnaround Day, to be able to complete the many tasks that are necessary in ending one semester and starting another, including reviewing semester-end student report cards and re-working student timetables.

The dates this year for the end of Semester 1 are:

- Monday, January 26th – Transition Day
- Tuesday, January 27th – Transition Day
- Wednesday, January 28th - Semester Turnaround Day
- Thursday, January 29th - Semester 2 Begins

LSS SPORT ACADEMIES INFORMATION NIGHT

Are you looking for a way to fuel your passion for hockey, baseball or softball while still achieving your academic goals? Langley Secondary School's sports academies may be the perfect fit for your child! These high-performance skills-based programs combine on-and off-field or ice training, strength and conditioning education, and the BC school curriculum. Learn more at an upcoming Information Session, which is scheduled for February 5th at 6pm in the Langley Secondary Learning Commons. See attached posters for details. Please note, this information session does NOT include the LSS Soccer Academy.

DROP-OFF & PICK-UP

The front entrance of the school parking lot is very busy during drop-off and pick-up times as we have many students who are bussed to school. Please do not drop off or pick-up your children directly out front of the school between **8:00-9am or 1:00-3:30pm** as it causes challenges when busses arrive to unload or pick-up. We appreciate your cooperation in minimizing the traffic at the front of our school.

SCHOOL STATUS DURING INCLEMENT WEATHER

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. **Decisions on school closures are usually made by 6:30am.** As always, it is a parent's

decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

REPORTING ILLNESS/ABSENCE

It is always best to keep sick children home from school. If a student is away for an extended amount of time, please contact their teachers to arrange for work that they can complete at home or on TEAMS.

Emailing the school with an absence for your child is no longer an option as the email for reporting absences has been removed. Instead, the school uses an automated absence reporting system called SafeArrival, offered through SchoolMessenger. With SafeArrival, you are asked to report your child's absence in advance using any of these two convenient methods:

1. SchoolMessenger App
2. SafeArrival

For information on how to use these methods for reporting your child's absence click [here](#).

PREVIOUS INFORMATION

PRIVACY REMINDER – RECORDING DEVICES IN SCHOOLS

To protect the privacy and security of all students, staff, and visitors, the Langley School District reminds parents and students that digital recording devices, such as **Meta Glasses** and **AngelSense Trackers**, are **not permitted** at school **for staff, students, nor members of the community**. This policy is in place to ensure compliance with the BC Freedom of Information and Protection of Privacy Act (FIPPA) and the District's procedures for responsible information management. In response to questions about tracking and recording devices in schools, please see the attached information.

EMERGENCY PROCEDURES IN SCHOOLS

Schools follow emergency procedures and practice drills throughout the year to ensure students, staff, and any visitors at our sites are safe when unexpected incidents happen. The District encourages families to become familiar with emergency procedures to help you and your child be prepared. You will find the District's Emergency Procedures poster in schools and on the website [here](#).

PARENT/GUARDIAN CODE OF CONDUCT

The Langley School District is committed to fostering safe and caring schools that promote mutual respect, cooperation, and social responsibility, and support optimal learning. Trauma

Informed Practices and Procedures promote the creation and maintenance of safe, inclusive, equitable, welcoming, and nurturing school environments.

Families play an important role in helping students achieve success as well as helping create a compassionate learning community. Just as students are expected to follow the District's **Student Code of Conduct**, there is an expectation for parents/guardians to uphold the District's **Parent/Guardian Code of Conduct**.

COMMUNICATING WITH YOUR SCHOOL

Schools and families continue to work together to ensure success for students. If you have an issue or concern but don't know who to speak with, the District encourages you to read these helpful Communicating with your School guidelines for parents/guardians found on our District website [here](#). As an additional reference, review this one-page resource [here](#).

SCHOOL FEES

Every year, there are fees payable to the school for different items, including student fees, grad fees, donation items, any athletics related items, workbooks, etc. The Langley School District uses an online system to collect these fees as it is user friendly and saves students from having to carry cash. Please go online at <https://schoolcashonline.com/> to register your child(ren). You will get an email notification any time a new "item" is available for purchase and the first item you will see are the student fees for the coming year. Please email Mrs. Brake at sbrake@sd35.bc.ca if you have any questions regarding school cash online or school fees.

STUDENT EXPECTATIONS

At DW Poppy Secondary, we maintain high expectations for our students and want students to excel. We want our students to be able to empathize with others and have the moral courage to make the right decisions. We are confident our parents will partner with us in using Restorative Action, where all adults in our school community establish and reinforce clear expectations. Please refer to the Student Code of Conduct [here](#) and the attached DW Poppy student handbook.

FAIR NOTICE – RESPONSE TO THREAT MAKING BEHAVIOR

DW Poppy Secondary is committed to a safe and supportive environment for all. We take all threatening comments and behaviours seriously. Students, staff and parents should be aware of the District's Violence Threat Risk Assessment Protocol that can be found on the district website [here](#).

TECHNOLOGY GUIDELINES: PERSONAL DIGITAL DEVICES

Electronic devices can be distracting to student learning. There is a significant body of research showing that increased technology use is linked to problems with mental health, focus and the development of relationships and academic skills.

During hours of instruction, personal electronic devices must be turned off and stored away in backpacks or lockers, unless otherwise instructed by school staff for educational purposes. This includes during study blocks, washroom breaks, tutorial and any school sponsored activity such as an assembly or talk by a guest speaker.

To read the guidelines as set out by the Langley School District click [here](#).

ELECTRIC SCOOTER GUIDELINES

As more students use electric scooters to come to school, the District would like to inform parents of some important safety information.

- In BC, you must be at least 16 years of age and be wearing a helmet to operate an Electric kick scooter, within certain parameters, as per below and in the links.
- Electric kick scooters cannot be ridden on public roads, except if the municipality is conducting a pilot. The Township is in the pilot, but the City is not. For more information, please click [here](#).
- Operators cannot ride an electric kick scooter on sidewalks or in crosswalks, except if a sign or traffic control device allows.

4. Please refer to the link below for a full list of safety rules for operators by clicking [here](#).
