LOST AND FOUND

We have a lot of lost and found items. Please ask your child to visit the lost and found at the office and collect any of their missing items. Items not collected by the end of the term will be donated to the Salvation Army
Thank you.

Just a reminder that we go outside for recess, rain or shine, unless the conditions are truly awful. We will keep the students inside the school building if we have a very bad rainstorm outside or temperatures are below -15°C . Please make sure that your children are dressed for the weather. Warm coats, warm or waterproof boots (or both), toques, and gloves. Very important: **make sure your children's items are clearly marked**. All of these make outside playtimes fun. And we all know recess makes kids learn better, feel better, and get along better.

Information About School Status During Inclement Weather
Snow closures and power outages are an annual occurrence in the Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

It is a long-standing tradition for schools to support our veterans and the efforts of the Royal Canadian Legion. Once again, this year, our school will be receiving a poppy for every student and distributing them to classes. We will continue to collect funds this year in support of the Legion's Poppy Campaign but kindly ask students and their families to donate online via School Cash Online:

<https://sd35.schoolcashonline.com/>

Please do not send cash or cheques with your child to school. If you need assistance accessing School Cash Online, please contact the school office.

We appreciate your generosity. As always, our school is committed to educating our community about the meaning of the poppy and Remembrance Day.
