Dear Parents:

On Monday, November 22, we will begin collecting for our annual Christmas hamper project. Our community has always been so generous in providing food and gift items at what can be a very challenging time of year for some families. As in previous years, our hampers will be going to families in a Langley school that we have partnered with over the last several years. They are always so thankful for the generosity of our families. The collection for items will begin on Monday, November 22 and our delivery will be on Friday, December 3rd. You class moms will be sending out information shortly. A reminder that we also have a food bin beside the library just as you enter the front doors of the school to donate non perishable items anytime of the year.

Reminders for Parents

Please send a box of masks to school with your child if possible. We are finding it challenging to provide the volume of masks that have been requested at the office. Children often misplace them so having a box in their desk will keep them in full supply. Thanks for your help with this.

Christmas Tea 2021 - Dec. 3, 2021

The LFES PAC is excited to share this year's Christmas Tea with you. We have some old favourites and new exciting things happening this year. Our online silent auction is returning this year and we already have some amazing prizes donated. We are still looking for donations so please submit them by Nov. 19th.

The tea will be virtual again this year with a fun video starting at 7pm on Dec. 3rd. We have a tea goody bag that is coming together nicely. Stay tuned on information on how to order one. It's a little treat to enjoy while you tune into the virtual tea.

One of the most exciting things is our RAFFLE!!! This year we have THREE grand prizes in our raffle. Your chances of winning are 1 in 8000, those are great odds! The prizes are a \$1000 Gift Card bundle donated by VWR Capital Corp.; a \$500 Amazon Gift Card donated by Customline Homes; and a Scratch and Win Lottery Ticket Candy Cane bundle with 171 tickets in it. Tickets will be going home with students so please keep an eye out. We encourage each student to sell at least one booklet of tickets. Tickets are \$2 each or \$20 for a booklet. If your child sells the most tickets in their grade they'll win

Home and School Working Together for Student Success

a \$20 Indigo gift card! Please make sure to read the instructions carefully and **SEND BACK ALL UNSOLD TICKETS.**

Keep up to date on the school Facebook group and the PAC website: lfespac.ca

We are very excited to fundraise for more additions to the school's outdoor learning centre with things like an outdoor gaga ball pit and garden beds. We couldn't do this without the amazing support from our Fundy families and the community. Thank you for your generosity!

Character Goals

Classroom discussions have guided our goal choices this year. We will be working on *kindness/compassion *responsibility *grit/perseverance.

We appreciate the home support in using common language with our students to work on these very important character traits. We will be highlighting these throughout the year.
