Date: Thursday, March 30, 2023

Dear Parents:

I trust that you and your children had an enjoyable spring break. Whether you stayed close to home or travelled it's always refreshing to have a change of routine and enjoy a different pace of life. As we enter our final term of the 2022/23 school year it tends to go by so quickly and we pack a lot of events into the last 3 months. Be sure to read your teacher's emails and messages from the class moms. There will be many opportunities to get involved and volunteer either in classrooms or for large school events. Stay tuned!

If you already know that you will not be at our school for the 2023-24 school year, please inform our office asap so we can offer space to our waitlisted students. Thanks for your cooperation.

Reminders for Parents

*Beedie Scholarships are excited to announce that they are expanding the eligibility criteria for **SPARK (Single Parent Award for Resilient and Knowledge)** scholarships for single parents by removing the requirement that parents be referred by a partner organization. They look forward to granting up to 15 scholarships this year worth up to \$44,000 each to single parents facing financial adversity in BC.*

"Single parents, regardless of their situation, face many barriers when trying to further their education, whether it is paying for tuition, finding childcare or balancing work and school with raising a family," says Ryan Beedie. "That is why we are opening up eligibility to the SPARK Program to all single parents across BC. This will give more parents across the province the opportunity to upgrade their education and make life better for themselves and their families."

*Do you know a single parent in British Columbia who is deserving of this award?
Applications are open now until April 21, 2023 at 9am (PDT).*

Learning Commons News

Langley Book Of The Year

Congratulations to Ethan T., Illiana D., and Summer G. for qualifying for our celebration lunch in May. We now have 15 students who have met the requirements for this reading program. There is still time for students to meet the requirements and participate in the celebration lunch.

Read Through The Seasons!

April home reading calendars will be coming home either today or tomorrow. Please return all March sheets by Tuesday, April 11th since prize draws will take place April 11th – 17th.

Reading Link Challenge

The in-school challenge will take place on Monday, April 3rd in our school gym from 1:30 – 2:30pm. Parents are welcome to come and cheer on our teams. The team that wins our in-school challenge will compete in the Langley Challenge on Tuesday, April 11th at 1pm at Lynn Fripps Elementary against many other Langley schools.

Upcoming Events

Friday, March 31	Colourful sock spirit day
Monday, April 3	Autism awareness day - wear blue/in school reading link challenge (gym - 1:30-2:30)
Friday, April 7	Good Friday. Schools not in session
Monday, April 10	Easter Monday. Schools not in session
Tuesday, April 11	PAC meeting at 6:00 pm in library
Friday, April 14	Treat day
Wednesday, April 19	Class photos
Friday, April 21	Earth Day. Wear earth coloured or recycled clothes for spirit points!
Friday, April 28	Hot lunch

House Points

	Neon Day	Total
Canadians	339	2155
Canucks	286	2169
Lions	305	2170
Whitecaps	299	2205

Home and School Working Together for Student Success

Our next spirit day is April 21. Earth day. Wear earth colours or recycled clothes.

School Goals

Our three goals this year are: kindness/compassion, courage, responsibility/sportsmanship.

2023 PHENOMENAL PHYSICS SUMMER CAMPS!

UBC Physics Outreach Summer Camps are for kids (Grades 2 - 10) who enjoy building things and learning new cool science stuff! Come build planes, launch rockets, learn about circuits and coding, or build a Martian habitat.

We offer week-long camps that cater to a range of ages and interests. To register, please visit:

<http://outreach.phas.ubc.ca/summer-camps/>

Questions? Email us at camps@phas.ubc.ca

Fun with Physics Camp (\$275.00)

4 Camp Options: July 4-7 (\$240); 10-14; 17-21; 24-28, 2023

Learn some basic Physics concepts and see how they work in real life! Have fun learning how to build rockets, boats, airplanes and crystals!

Advanced Physics Camp (\$265.00)

1 Camp Option: July 4-7

Learn about electricity through building circuits, acceleration, gravity, hydraulics and more! Includes a visit to an engineering physics lab to see robot projects!

Astronomy Camp (\$325.00)

1 Camp Option: July 24-28, 2023

Build Martian habitats, view the sun, make a planetarium, and learn the requirements of rockets and landers through hands-on activities!

Physics & Computer Science (\$325.00)

2 Camp Options: July 10-14 (general registration); July 17-21 (female-identified & gender-diverse registrants)

This camp is run in collaboration with UBC Computer Science. Learn web fundamentals, particle physics, quantum materials and more!
