Dear Parents:

Reading Link Challenge

The Langley Challenge was this past Tuesday and our Golden Group won against 17 other schools. The team consists of Aaron H., Emma F., Micah W., Noor K., Sara S., and Yaoyu M. The team will be representing the Langley school district at the next level in

May. They will be competing with other schools in the Fraser Valley. Well done! We are so proud of your hard work and accomplishments. Good luck in the next round.

We have new Spirit wear available to order! Friday, April 14th you will be able to purchase from school cash on line. We have sample sizes in the office so please try them out before you order. You will be able to order until the end of April.

If you already know that you will not be at our school for the 2023-24 school year, please inform our office asap so we can offer space to our waitlisted students. Thanks for your cooperation.

Reminders for Parents

The Langley School District has made recent changes to L.E.A.P. (Langley Environmental Awareness Program), Fort Langley Elementary's outdoor education program, which includes becoming an academy. Because of these changes, L.E.A.P. is now looking to expand to grade 5. If you have a student who is going into grade 2-5, we encourage you to explore this opportunity using our website: <https://tinyurl.com/5n97k6pn> . If you think your child could benefit from this experience and you want to learn more about the program, please complete this expression of interest form before May 1st: <https://tinyurl.com/2svn5vrk>.

To keep our traffic flowing well and not backing up on the street, please remember to pull forward in our school lot as much as possible before stopping to drop off or pick up. If you have other family members who are responsible for this please be sure to share this information with them. Thanks for your cooperation.
