ALICE BROWN SCHOLARSHIP

Alice Brown Elementary School was officially opened on November 18, 1977. Our neighbourhood school was named in honour of a woman who was an outstanding teacher and administrator for years in the Langley School District. Although we are located on the outskirts of Brookwood, we are the only City of Langley school with a K-7 population of approximately 260 students.

Alice Brown's educational philosophy is based on the belief that our school is a welcoming, safe and caring place where students, parents and staff are committed to learning. The dignity of every individual is upheld. Cooperative attitudes and a focus on the positive help students build their self-esteem. Alice Brown is a community of learners where students, parents and staff wish to be.
