Discovery Day

@ BC Children's Hospital Research Institute

Thursday, November 6, 2025

Discovery Days in Health Sciences are one-day events that provide secondary school students (ideally grades 10 and 11) with the opportunity to explore a variety of career options in medicine and the health sciences. Participants gain a clearer picture of what it would be like to be a health professional by interacting with researchers, clinicians and educators in their real-life work setting.
