HOUSE OF COMMONS
CHAMBRE DES COMMUNES
CANADA

Each year, 40 students are selected from across Canada to participate in the Page Program. Pages are first-year students registered at one of the eligible post-secondary institutions in the national capital region. They work on a part-time basis for one year.

In the chamber and around Parliament Hill, pages support parliamentary democracy by providing a range of services to members of Parliament. This incredible work experience broadens their knowledge of the rich traditions of the Canadian parliamentary system.

**Applications are open until
November 9, 2025.**

SHAD
CANADA

BIG IDEAS? BOLD FUTURE VISION? LET'S MAKE THEM REAL.

Applications are open for Shad - Canada's leading STEAM + entrepreneurship program, where students team up with other creative minds, build things they didn't think were possible, and maybe even design the next big thing.

Labs, design challenges, new friends from across the country
- it's not summer school, it's a playground for ideas.

LOOKING FOR AN ACTIVITY FOR OCTOBER 24?

Join GearBots on October 24 for an exciting, hands-on day at the Girls in STEM One-Day Camp, designed to ignite curiosity and confidence in science, technology, engineering, and math!

This immersive experience is perfect for girls who want to explore how the world works and how they can shape its future through creativity, collaboration, and innovation. Camp participants will:

- 👷 Solve real-world engineering challenges
- 🤝 Collaborate in teams to design & present ideas
- 🎨 Explore creativity through digital design
- 🖨️ Bring concepts to life with 3D printing
