

Lynn Fripps Elementary- April 10th

Hi Falcon Families,

I hope you enjoyed your Easter long weekend!

Next week is the District Reading Link Challenge. Good luck to our school representatives!

Our Grade 2/3 Spring Concert is on April 28th. If you have a child participating, you should expect to receive tickets and information coming home with your child next week. We will be having two shows. The afternoon show will begin at 1:30pm and the evening show will begin at 5:30pm. You should also receive information soon about our April 24th Jump Rope for Heart Day. Please check your child's bag starting next week for these important items.

We are getting close to the time of the year when we begin to look at class placement for next year. I will begin to take requests, but all requests must follow certain guidelines. **I will not entertain teacher and friend requests. If a request is made asking for a specific teacher or a**

specific friend I will not add it to my request folder. I will only take requests from now until May 14th. Requests must be around academic reasons and/or specific circumstances. Not all requests will be approved. Teachers spend a lot of effort and time making class rosters and I hope you trust the process.

A reminder that your child should walk their wheels when on property, and that dogs need to be leashed and off the pathways where children walk.

Have a wonderful weekend!

Your proud principal,

Ron Dorland

Baseball Fever has hit!

To my delight, if you look outside during our breaks you will see more and more students playing baseball or softball. For the safety of all our students we ask that only softer balls (foam, tennis) are used when hitting during break times. If it just a game of catch, regular balls are allowed.

To keep you in the know, baseball and softball are very big amongst some staff at this school. More than a handful of staff have played, and many more staff have kids previously/currently playing. Some teachers are living their weekends at the diamond. Mrs. Costello's boy, who plays U9, was game MVP in his first Easter tournament game last weekend. Mrs. Beatty's oldest son is opening eyes with his size and ability. You can see a recent post about him [here](#). Lastly, my oldest son had an Easter to remember. You can see his recent posts [here](#) and [here](#).

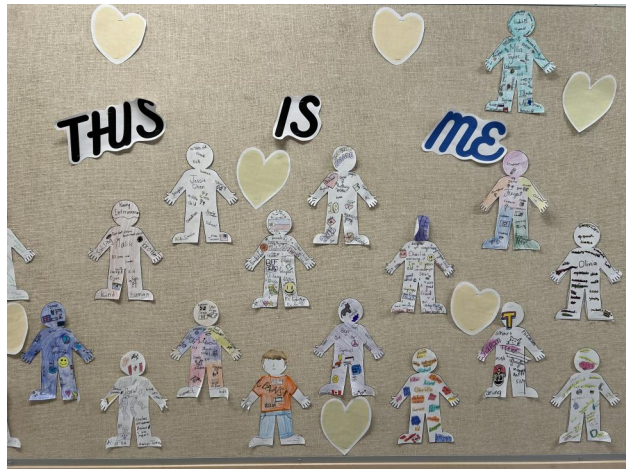

Message from our Library

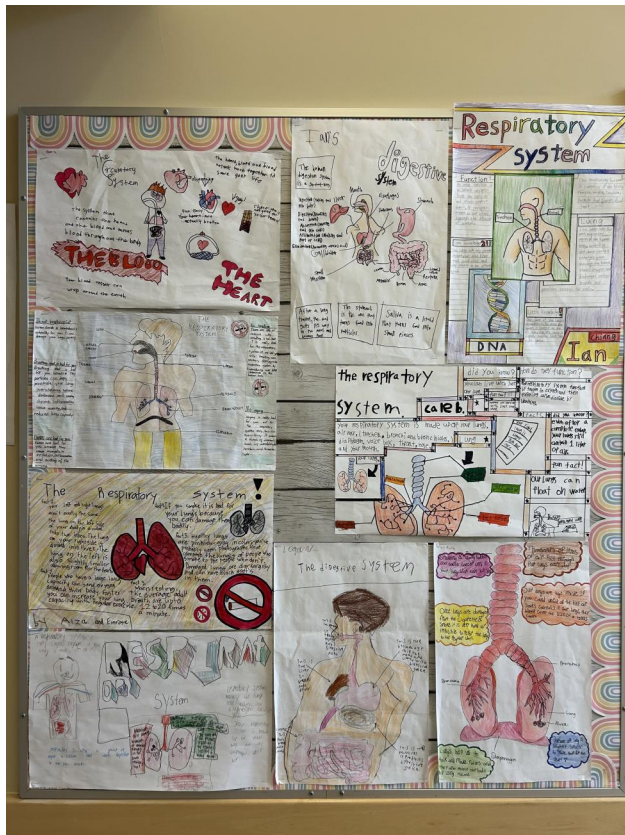

Congratulations to all of our Reading Link Challenge students who participated in our school challenge! All of our teams showed great teamwork, dedication and amazing reading skills, finishing with the highest quiz scores ever! Way to go, Reading Linkers! The results of the challenge were so close, but one team squeaked by to secure the win. The Rapid Readerz (Kian, Meer, Ricky, Emrose, Callen and Carter) will now go on to represent Lynn Fripps in the Langley District Challenge, competing against 16 other teams from across our school district. We will be hosting the Langley District Challenge at Lynn Fripps on Tuesday, April 14th. Best of luck to our Rapid Readerz!
