myBlueprint

Coming January 15: \$60,000 in Scholarships

H&R Block Canada Future Finance Experts Scholarships

January 15 - April 24

Students can apply for the H&R Block Canada Future Finance Experts Scholarship starting January 15, offering 10 awards of **\$3,000** to support post-secondary tuition and expenses.

Don't miss out! Remind your students to log in to myBlueprint on January 15 to apply for a \$3,000 Future Finance Experts Scholarship.

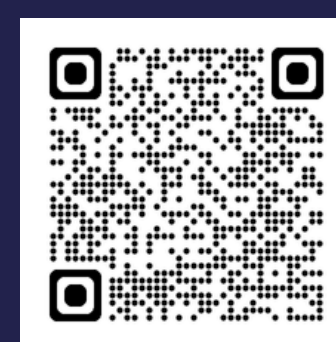

Scotiabank Financial Wellness Scholarships

January 15 - April 24

Grade 12 students across Canada can apply for one of 10 Financial Wellness Scholarships worth **\$3,000** each. Designed to support students as they plan for life after high school, this scholarship invites applicants to reflect on what financial wellness means to them and how it connects to their future goals.

Don't miss out! Remind your students to log in to myBlueprint on January 15 to apply for \$3,000 toward post-secondary expenses.

Applications open: January 5, 2026

Application deadline: February 9, 2026

Winners announced : February 23, 2026

REO

RESEARCH EXPLORATION OPPORTUNITY

Tour first-class
research facilities

Learn basic lab techniques
and experiments

Be **mentored** one-on-
one by lab personnel

GENERAL INFORMATION

REO offers high school students, especially those from underrepresented groups* in STEM, the free unique opportunity to explore research labs at partner universities across Canada during a week of spring break.

*e.g., women in tech, LGBTQ+, Indigenous peoples, racial minorities, and youth residing in rural or low-income areas

myBlueprint

\$10K in Microgrants: **January's** Industry Immersion Series is now **LIVE!**

BEYOND THE SKIES CHALLENGE

Every month, students in grades 7-12 across Canada can take part in an industry-sponsored activity designed to build skills and spark career awareness—while competing for one of twenty \$500 microgrants. That's \$10,000 in student prizes each month, plus added incentives for educators!

Summer Student Research Program

The Summer Student Research Program gives students the opportunity to complete an individual research project and participate in a research education program.
