First Semester winding down. Student attendance is better than other Secondary Schools within the district. On the winter break BGMS pipes burst during the cold snap. Four classes were damaged, ACSS has been able to accommodate those classes. Two new teachers are starting in the next semester.

School Community Coordinator: Stephanie Eby

Donations from students helped provide 20 families with Christmas hampers over the holiday season. Freshco brought over \$150 worth of donations in the form of bagged snacks and fruit for the students. They are also donating to the other schools within Aldergrove as well. Breakfast is getting funding, which will hopefully help pay for a new fridge/freezer.
