PRINCIPALS MESSAGE

Good afternoon students and families of ACSS,

Today is the day for our 2021 Grads to pick up their cap and gown! Grad 2021 is inching closer. Our Grad Committee and staff are working hard to prepare for our Wednesday, June 23rd graduation ceremony. A letter explaining in detail the format for the ceremony, as well as the “shape of the day” was sent out to Grads and families on Thursday. If you did not receive this information yet, please contact the school. More information regarding Grad 2021 can be found in this newsletter - please see Ms. Caines's weekly Grad update.

Also, please note that all students (with the exception of the Grade 12 students graduating) will be learning remotely on June 23rd. As we will be conducting the ceremony throughout the day, managing the number of people in the school and in the staging area, we need the spaces in the school to be reserved for Grads and their families. Thank you for your understanding.

PRINCIPALS MESSAGE

This afternoon our Grade 12 students signed the handprints they placed on the wall when they were in Grade 9. This is a tradition that was begun four years ago, when our Grad 2021 students were in their first year of high school. We are very proud of our Grads and today we are especially proud that they were able to complete their commitment to graduate (as indicated by their Grade 9 handprint) by signing the wall! Congrats Grads!

With two weeks left in the fourth quarter, and in this school year, we would like to remind students to continue working hard to finish their courses strongly. It has been a challenging year for sure, and we know that students and staff are looking forward to a summer of well-earned rest. Thank you to all in our community for your support, understanding and assistance in helping us complete a school year amid a pandemic. And, yes, thank you also for reading this week's edition of our school newsletter.

June 10th, 2021

Dear Grade 12 Students and Families,

We have constructed a fairly straight-forward plan for our physically distanced graduation ceremony on June 23rd, 2021. This plan has been created so that we may adhere to the strict protocols and procedures set out by the Provincial Health Office and the Fraser Health Authority pertaining to large gatherings of people.

We have published the filming times for all graduates on our social media platforms. Graduates should arrive at the school dressed in their regalia. There will be no changing facilities available.

Below is the schedule:

10:00 am – 11:00 am	Abassi – DaSilva (Grad Wave 1)
11:00 am – 12:00 pm	Deol – Hoang (Grad Wave 2)
12:00 pm – 1:00 pm	Hollins – Lowe (Grad Wave 3)
1:30 pm – 2:30 pm	A. Luciw – Nonomura (Grad Wave 4)
2:30 pm – 3:30 pm	Nordell – C. Singh (Grad Wave 5)
3:30 pm – 4:30 pm	S. Singh – Yoshinari (Grad Wave 6)

Students and their four ticketed guests (guests under 12 do not need a ticket) will be required to report to the front doors of the school 30 minutes prior to their scheduled filming time in full regalia. From the front doors, students will be asked to sanitize their hands at our sanitizing stations and proceed to one of two holding areas where they will be held in alphabetical order until the filming area is ready for their arrival. It is important that while students are in their respective holding areas that they continue to observe physical distancing protocols.

While graduates are waiting in their 'holding' location, immediate family members/guardians who have tickets and are on the guest list may enter the main doors and proceed to the courtyard. Staff members will check ticketed guests into the building; if you are not on the list and not in possession of a ticket, you will not be permitted to access the building. Because we are subject to the strict guidelines for building access, we are not able to accommodate additional guests above and beyond the four previously registered. Prior to entering the

building, all immediate family members/guardians will be required to sanitize their hands. We appreciate your support and understanding.

From their 'holding' location, graduates will be alphabetized by staff, shown a short video, and guided to stations set up between the gymnastics gym and main gym. Grads and their ticketed guests will be paired up in the hallway so they may enter the gym as a group. Guests will be directed into a separate taped-off area at the north end of the gym while grads make their way to the south end of the gym to prepare for their stage walk. Graduates will cross the stage, stop to receive congratulations from each ACSS administrator, pick up their grad folder from the table, and move their tassel from right to left. They will then pose for a photo with our photographer while holding their folder. Graduates will exit the stage, join their family on the gym floor and be escorted to the north side exterior gym doors where the grad and family will exit the building onto the parking lot to leave for the day. As we continue to adhere to safety protocols, we ask all graduates and families to immediately exit the school and not congregate in the parking lot. We will have staff directing traffic and have hired security to ensure the process is as organized as possible.

We anticipate the filming to be completed by 4:30pm and expect our first wave of grads to take the most time, as we work through our program and get into a groove. We are grateful for everyone's patience as we work to keep our graduates and our staff safe.

Select graduates will be required to return later in the day on June 23rd to complete the remainder of our program. These include our Valedictorian, Graduate of the Year, and Governor General Award recipient. These students have been contacted separately and should expect to be here from 4pm onwards.

We are looking forward to this celebration of our graduates who have successfully completed thirteen years of school and have earned this honourable tribute. We thank you in advance for your support and cooperation.

If you have any questions about the details of this letter, please do not hesitate to contact the school.

Sincerely,

Mr. M. Palichuk, Principal

New Daily Health Check Form – Digital and Print Version

Thank you for continuing to conduct a daily health check with your child. It is an important measure to help keep our school community healthy and safe. To better assist families, the Ministry of Education has developed an online K to 12 Health Check which can be found here: <https://www.k12dailycheck.gov.bc.ca/healthcheck>

A mobile phone app version can also be downloaded, called K to 12 Health Checker.

Print versions are available in multiple languages on our District website [here](#).

Fraser Health COVID-19 School Update – Immunization for 12-17 year olds

Health Canada has approved the use of the Pfizer vaccine for youth aged 12 to 17. British Columbia is expanding the COVID-19 Immunization Plan to include this age group.

Youth are excited to protect themselves and their families.

Children aged 12 to 17 can register to get vaccinated now by going to www.gov.bc.ca/getvaccinated, calling 1-833-838-2323 or in person at any Service B.C. centre. Once child(ren) are registered in the provincial system they will be contacted at a later date via the method they indicated (either email or text) to book their vaccine appointment.

Household and group vaccination options are also available to make it easy for households to be immunized at the same time. Multiple young people in a household can attend one booked appointment and be vaccinated together. Young people accompanying adults to the adult's new vaccine appointment can register on site and do not need to be registered or booked in advance. Just let clinic staff know you have arrived.

Ensure all family members bring identification and ideally, their personal health card if they have one.

In the coming days, schools will receive an information package to be shared with families with key information such as how to prepare for and what to expect during your child's vaccine appointment.

More information can be found at www.gov.bc.ca/getvaccinated and at www.fraserhealth.ca/vaccine

Enhanced Safety Measures for K-12 Schools

The District appreciates all the hard work from students, staff, and families in helping keep our community safe. We continue to work closely with the Ministry of Education and Provincial Health Office. This week the province announced changes to COVID-19 health and safety guidelines for schools. Mask requirements for middle and secondary school students and K-12 staff have been amended. Guidelines have also been strengthened for physical education and music classes.

It is important to note, our schools will need some time to implement these new changes; all changes will be in effect as of February 26, 2021. Your continued patience and support are appreciated. If you have any questions, please contact the school.

Please read below and full details found in the province's news release located on the District website [here](#).

Changes to Mask Wearing

All middle and secondary students and K-12 staff will now be required to wear non-medical masks in all indoor areas, including when they are with their learning groups. The only exceptions are when:

- sitting or standing at their seat or workstation in a classroom;*
- there is a barrier in place; or*
- they are eating or drinking.*

For elementary students, wearing masks indoors remain a personal choice.

It is important to note, as advised by the province, these changes above do not apply to grade 6 and 7 students attending an elementary school.

Changes to Physical Education and Music Classes

High-intensity physical activities are to be held outside as much as possible. Shared equipment or items, such as weight machines, treadmills or musical instruments, can be used only if they are cleaned between use, according to strict school sanitization guidelines. Students using equipment or playing instruments should also be spaced at least two metres apart and masks are to be used when singing.
