PRINCIPALS MESSAGE

Good afternoon students and families of ACSS,

With June upon us comes the excitement of year-end activities such as the graduation ceremony, scholarship presentations, awards and recognition, farewells and welcomes to staff and students, and much more! This year we have the added challenge of teaching and learning in our Quarter 4 classes right up until Friday, June 25th. To understand more about the Graduation Ceremony at ACSS for 2021, please know that:

The ceremony will occur on Wednesday, June 23rd.

The ceremony will be held throughout the day with each Grad having a set time to ceremoniously "cross the stage" in a revered ACSS grad gown to receive their diploma and experience the honourable transfer of the tassel on the grad cap.

Each Grad will be allowed to have up to 4 adults with them near the stage to watch the ceremony. Children under the age of 12 will also be allowed to be there.

The entire ceremony will be recorded by a professional videographer.

The complete video will be sent to Grads and their families via email.

Please see the detailed information regarding this year's Grad Ceremony in Ms. Caines's weekly Grad update in the newsletter. If you have any other questions regarding Grad 2021 at ACSS, please contact me (mpalichuk@sd35.bc.ca)

Thank you. And thank you for reading this week's edition of our school newsletter.

GRAD GOSSIP

GRAD CEREMONY

Grad Ceremonies will be **filmed June 23rd between 9am and 4pm**. We will have a more definitive time for grads to show up in their alpha-cohort with their four (4) ticketed guests in the upcoming newsletter.

GRAD FEES

Grad fees have been applied to all grad accounts and this year are set at \$50. These fees cover a portion of the regalia (gown, hat, stole, tassel), the composite, certificates, diploma folders, videographers, and other related grad expenses. All fees, including Youth Train in Trades fees for the 2020-2021 school year, athletics fees, annual student fees, lost or damaged textbook fees must be paid before students can receive their graduation regalia (and yearbooks at the end of the year.) If fees are a problem for you or your family, please contact an administrator at the office.

GRAD GOWN PICKUP

Grad gowns will be handed out from the courtyard (if the weather is good) on Friday June 11th. This will give graduates a chance to hang up their gowns (they may need some ironing) and take photos prior to the graduation ceremony. **ALL STUDENT FEES MUST BE PAID PRIOR TO GRAD GOWN HANDOUT.**

Grads: Please proceed to the courtyard at 2:10pm on Friday June 11th. There you will pick up your gown, your four (4) ceremony tickets, a small grad gift, and some ice cream. If you are receiving a scholarship, you will be notified at that time.

Transportation Registration

A friendly reminder from the District, Friday June 18th is the last day for transportation registration under our regular phase. If you have not registered your child, please do so as soon as possible. For information on how to register read more on our District webpage [here](#).

Census 2021

You may or may not know that the 2021 Census is underway. It has been a challenging year for families, and the census might seem like another thing on everyone's busy to-do list. The District is assisting our Stats Canada partner in communicating this information and encouraging families to complete their census. Census data helps governments at all levels plan for schools, transportation, community centres, libraries and recreational activities. Data from the 2021 Census will be even more crucial, because it will help to evaluate the impact of the pandemic and to better plan for the future. You can quickly and easily complete your census questionnaire at www.census.gc.ca using the access code you received in the mail. If you need assistance or would like to have a paper (or alternate format) questionnaire, please call the Census Help Line at 1-855-340-2021. Thank you for doing your part to help plan for a better future for all Canadians.

Grade 8/9 Academic Skill Builder Classes

These classes (previously called Academic Remedial classes) are intended for students who have already taken the course and received a mark of at least 35%, but have not met the learning outcomes or have only done so at a minimal level. These classes are not intended for students who have no previous experience in the course at that grade level, or for students wishing to "preview" a course before they have already taken it. Because it is a shorter version of the course, students will be able to earn the course credit and a **maximum** mark of 61% (C).

Academic Skill Builder Classes:

Humanities 8, 9 (Also for students needing EN8/9, SS8/9)
Math 8, 9 Science 8, 9

Registration - Current Langley School District Students - May 10 to June 25

Summer Session 2021 registration in the Langley School District opens May 10, 2021 and closes on June 25, 2021 for students currently enrolled in School District 35 (Langley). Registrations in available classes are processed in the order the registration occurs, on a "first-come, first-served basis".

Registration - For students who live in Langley (City or Township) but who are not currently enrolled in School District 35 (Langley) - May 10 to June 25

For Summer Session 2021, registrations will be accepted for students whose families can verify their primary residence is in the City or Township of Langley, even if they are not currently enrolled in School District 35. Students can register online. Then, after registration, families will be contacted by e-mail with information about how to process their request and also to confirm their residency. Please note that providing an address of a family member or friend who resides in Langley does not qualify as verifying a student's primary place of residence.

Non School District #35 students and non-Langley residents / students — Registration NOT Available —

For Summer Session 2021, School District 35 will NOT be accepting registrations for students who are not currently registered in the Langley School District or whose primary residence is not in Langley.

How to Register

Online registration is available for all students and is the quickest way to complete the initial registration. Register online at sd35.coresolutions.ca or visit sd35summersession.ca for more information.

In Person Registration is not available this year, but you can e-mail us or leave a voice message if you have questions about registration and one of our staff will get back to you as soon as they can.

Phone: 778-726-4660 E-Mail: summersession@sd35.bc.ca

Information Required When Registering

- Student's Personal Education Number (PEN), student's legal and English name if different, phone number(s), address, and parent guardian(s) name(s) and e-mail address.
- If a student was not registered in the Langley School District for the 2020/21 school year, a completed registration form, proof of parent/guardian(s) citizenship and BC residency plus the student's birth certificate must be provided.
- As noted above, for students not currently enrolled in School District 35, proof of address in Langley is required.

International Students

- Secondary International students already registered in the Langley School District must contact their International Student Program (ISP) Coordinator at their current school before registering in Summer Session classes for full information regarding payment options and to confirm homestay arrangements.
- International students can register for their course online outlined above and will be able to make their payments and complete their registration through their current school.
- All International students are subject to course fees as outlined on the front of this brochure. Payment of course fees must be made within 7 days of registration.
- International students withdrawing from courses are subject to a 10% processing fee. Refunds are not given after the first day of Summer Session 2021.
- International students not currently enrolled in the Langley School District for the current school year cannot enroll in Summer Session 2021.

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to Twitter @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

Please See Below for a message regarding COVID cases from our Principal

Hello everyone,

As you are aware, our school has received a number of notifications from Fraser Health due to COVID cases in our community. We understand that when multiple cases are reported, people in our community may wonder about the possible connection between cases. Through our work with Fraser Health, we assist in tracing the contacts in each case and do our best to determine whether or not the case is isolated or connected to previous cases in the school or community. Although we have received an influx of notifications recently, the data given to us by Fraser Health does not show widespread connectedness between cases.

Given the number of cases in our community, though, we are connecting further with Fraser Health to see if there is anything else we as a school can be doing to help reduce infections, either in the school or the community.

At the school we continue to maintain protocols of mask-wearing, physical distancing, handwashing and sanitizing. Our custodians have been doing an outstanding job cleaning all areas in the school, including the diligent cleaning, disinfecting and misting of all frequently touched surfaces. While we continue to regularly remind students and staff to follow our school health protocols, we will be increasing our schoolwide announcements emphasizing the need for all of us to be wary of COVID transmission both in the school and in the community.

Understandably, this has been a challenging year for all of us in schools. We would like you to know that we truly appreciate all of your support and understanding. We believe and know that together we can overcome these challenges.

Thank you, and please do remind your children to follow safe protocols of masking, physical distancing and hand-cleaning wherever they are.

Stay safe,

Mr. M. Palichuk

New Daily Health Check Form – Digital and Print Version

Thank you for continuing to conduct a daily health check with your child. It is an important measure to help keep our school community healthy and safe. To better assist families, the Ministry of Education has developed an online K to 12 Health Check which can be found here: <https://www.k12dailycheck.gov.bc.ca/healthcheck>

A mobile phone app version can also be downloaded, called K to 12 Health Checker.

Print versions are available in multiple languages on our District website [here](#).

Fraser Health COVID-19 School Update – Immunization for 12-17 year olds

Health Canada has approved the use of the Pfizer vaccine for youth aged 12 to 17. British Columbia is expanding the COVID-19 Immunization Plan to include this age group.

Youth are excited to protect themselves and their families.

Children aged 12 to 17 can register to get vaccinated now by going to www.gov.bc.ca/getvaccinated, calling 1-833-838-2323 or in person at any Service B.C. centre. Once child(ren) are registered in the provincial system they will be contacted at a later date via the method they indicated (either email or text) to book their vaccine appointment.

Household and group vaccination options are also available to make it easy for households to be immunized at the same time. Multiple young people in a household can attend one booked appointment and be vaccinated together. Young people accompanying adults to the adult's new vaccine appointment can register on site and do not need to be registered or booked in advance. Just let clinic staff know you have arrived.

Ensure all family members bring identification and ideally, their personal health card if they have one.

In the coming days, schools will receive an information package to be shared with families with key information such as how to prepare for and what to expect during your child's vaccine appointment.

More information can be found at www.gov.bc.ca/getvaccinated and at www.fraserhealth.ca/vaccine

Enhanced Safety Measures for K-12 Schools

The District appreciates all the hard work from students, staff, and families in helping keep our community safe. We continue to work closely with the Ministry of Education and Provincial Health Office. This week the province announced changes to COVID-19 health and safety guidelines for schools. Mask requirements for middle and secondary school students and K-12 staff have been amended. Guidelines have also been strengthened for physical education and music classes.

It is important to note, our schools will need some time to implement these new changes; all changes will be in effect as of February 26, 2021. Your continued patience and support are appreciated. If you have any questions, please contact the school.

Please read below and full details found in the province's news release located on the District website [here](#).

Changes to Mask Wearing

All middle and secondary students and K-12 staff will now be required to wear non-medical masks in all indoor areas, including when they are with their learning groups. The only exceptions are when:

- sitting or standing at their seat or workstation in a classroom;*
- there is a barrier in place; or*
- they are eating or drinking.*

For elementary students, wearing masks indoors remain a personal choice.

It is important to note, as advised by the province, these changes above do not apply to grade 6 and 7 students attending an elementary school.

Changes to Physical Education and Music Classes

High-intensity physical activities are to be held outside as much as possible. Shared equipment or items, such as weight machines, treadmills or musical instruments, can be used only if they are cleaned between use, according to strict school sanitization guidelines. Students using equipment or playing instruments should also be spaced at least two metres apart and masks are to be used when singing.

ELMER HELM YOUTH FUND

Each year, the Alexandra Foundation for Neighbourhood Houses provides financial assistance to deserving students who wish to pursue post-secondary training in the artistic, academic or technical field. Up to eight Elmer Helm Youth Fund awards may be presented, of which a minimum of four will go to new recipients, while up to four may be given to prior recipients who are continuing their undergraduate studies. Each recipient will receive \$1,500.00 in two payments of \$750.00 in early August and January. To be eligible for this award, students must demonstrate they are planning to pursue studies in a certificate or degree program at the college or university level, and must be significantly involved in their community in a volunteer capacity.

This fund is to assist youth who may not have the financial means to participate in achieving their goal of post-secondary education. Students who receive this award are eligible for funding for up to 4 years. The fund is open to young people under the age of 25 years old. This fund is not a primarily academic competition. Of equal importance to academic success is contribution to the community exemplifying the Neighbourhood House ideal of community service and strengthening communities.

Application Procedure:

The following information should be mailed to The Alexandra Foundation for Neighbourhood Houses at 203-3102 Main Street, Vancouver BC V5T 3G7 (Attention: Carly Geistlinger) or via email to central@anhbc.org:

1. A letter from the candidate outlining personal and career goals, and an explanation of why the candidate believes he or she should be selected for the award.
2. Three letters of reference from members of the community or from school.
3. Documentation regarding academic standing and other accomplishments (i.e. transcripts).
4. Contact information (Name, Phone number, address, and Email Address).

The deadline for all applications is Wednesday, June 30, 2021. All applications must be received by 5:00pm on this date.

MEET SAM TSAI: CERTIFIED RED SEAL PLUMBER, GASFITTER APPRENTICE, & AVID MARATHON RUNNER*

Sam first heard about the skilled trades from an individual he now recognizes as his mentor and sponsor, nicknamed "Boss Man". From there, he fell in love with the specialized side of plumbing and gasfitting. "The everyday troubleshooting, problem-solving, and ever alternating jobs made the 5 years it took to get certified at age 20 feel like just a couple of amazing summers. I love being able to serve each customer in a unique way catered to their needs as I inspect and repair issues daily."

As a participant of the Youth WORK in Trades program, Sam had a great head start in completing his apprenticeship and obtaining his Red Seal at a young age. The problem-solving part of his job is what he loves most about his career in the skilled trades. Sam also recognizes the importance of building good relationships and enjoys explaining exactly what and why things need to be done to customers during the process. "I love watching and learning from other trades professionals, and most of all I simply love to serve."

Sam is most proud of his relationships: his family who raised him, his community who mentored him, the teachers who instructed him, and the friends who supported him along the way. He says that he would not be where he was today as a Plumber and Gasfitter apprentice at age 20 without the support of all those around him. In 10 years, Sam sees himself owning his own company, embodying the core values and providing top-tier customer service skills that he was taught as a young apprentice. He strives to be a role model that treats others well.

In his spare time, Sam enjoys cooking for friends and playing volleyball with his brothers while chatting late into the night. He also loves to run and trains for marathons during the hours before and after work.

When asked what advice he would give to those who are considering a career in the trades, he encourages folks to just try it out. "Even if you don't decide to pursue that trade two years down the road, it still looks great on a resume and the price of trade school will never be beaten. The skilled trades are always a valuable career, and it never hurts to make yourself valuable as an employee."
