PRINCIPALS MESSAGE

Good afternoon students and families of Aldergrove Community Secondary School,

Mrs. Oswald, as many of you know, has been a vital part of ACSS and the Aldergrove community for a very, very long time. Well, for as long as anyone can remember. You might not know that Mrs. Oswald is considering retirement (well-earned) which makes us all happy for her but a little sad for our school. Anyway, that is not really the point of this introductory message – the point is that today at ACSS, and in School District 35, many staff are “standing with Ethan Bear” the inspirational 23 year-old defenceman on the Edmonton Oilers. (Thank you to Mr. Wejr – Principal at Shortreed Elementary and a proud member of the Aldergrove community as well, for the encouragement). Ethan Bear is proudly from the Ochapawace First Nation in Saskatchewan and is a role model to so many Indigenous children and hockey players across Canada. As you may have already seen, he has also been the target of racism online. Please read an article from CBC [here](#).

Mrs. Oswald can be seen in the image below, standing with Ethan Bear AND wearing Ethan's name written in Cree on the back of her jersey. Thank you, Mrs. Oswald. You are an inspiration to all of us at ACSS and your leadership by example is truly appreciated.

Mrs. Oswald

PRINCIPALS MESSAGE

As we all know, and have been reminded daily, over the past 18 months, the health and wellbeing of all in the world is our collective priority. In our local community, we also know that the effective education of not only our youth, but of us all, can help enhance our own health and wellbeing. At ACSS, we have always prioritized the social and emotional needs of those in our community - we know that a culture of care and belonging is essential to an effective educational environment. One of our objectives as a school recently has been to upgrade our physical and health education facilities. We have repainted our gymnastics gym with incredible murals, and we are presently applying the finishing touches to our in-school fitness centre and weight room murals. As you can see in the photos below, the images are designed to inspire and motivate our students to be well both physically and emotionally.

PRINCIPALS MESSAGE

This past week saw our students in senior grades (Grade 11 & 12) switch their in-school participation in classes. Senior students will attend afternoon classes full-time for the final five weeks of Quarter 4. We also held Parent-Teacher Interviews on Wednesday afternoon – thank you to all who attended.

Next week will be the first week of June, as you know, which means of course that there is but one month left in the school year! On Monday, May 31st, our PAC will meet and hold the annual general meeting. This is a VERY IMPORTANT meeting where our new executive will be decided. As it stands right now, there are vacancies on the PAC executive that need to be filled – President, Secretary, Treasurer etc. Please consider volunteering in one of these roles as our school certainly needs you! Thank you. And thank you for reading this week's edition of our school newsletter.

GRAD GOSSIP

GRAD OF THE YEAR

This is your final chance to vote for Grad of the Year. Voting closes on Sunday at 9pm (for real!) so be sure to cast your ballots for Grad of the Year 2021

(grade 12s are eligible to vote once):

[GRAD OF THE YEAR - The final choice \(office.com\)](http://www.acsstotems.ca/grad-of-the-year)

GRAD CEREMONY

Today, Mr. Palichuk sent out an email to all families with information surrounding grad ceremonies. Please be sure to check your email. We will be sending more information out in the coming days about how the ceremonies will be organized and filmed

GRAD STAGE CROSSING WRITE UPS

To date, Ms. Caines has received 108 stage crossing write ups out of 155 potential graduates. These were due on Friday May 21st. If you have not submitted a stage crossing write up, they are now overdue and you are at risk of having Mr. Mathai write an entirely embarrassing (or boring) stage crossing on your behalf. If you have not submitted the write up, please make sure you complete it here: [Grad Stage Crossing Write-ups \(2021 Edition\) \(office.com\)](http://www.acsstotems.ca/grad-stage-crossing-write-ups)

GRAD FEES

Grad fees have been applied to all grad accounts and this year are set at \$50. These fees cover a portion of the regalia (gown, hat, stole, tassel), the composite, certificates, diploma folders, videographers, and other related grad expenses. All fees, including Youth Train in Trades fees for the 2020-2021 school year, athletics fees, annual student fees, lost or damaged textbook fees must be paid before students can receive their graduation regalia (and yearbooks at the end of the year.) If fees are a problem for you or your family, please contact an administrator at the office.

GRAD GOWN PICKUP

Grad gowns will be handed out from various locations around the school on Friday June 11th. This will give graduates a chance to hang up their gowns (they may need some ironing) and take photos prior to the graduation ceremony. We will have more information about grad gown handout in next week's newsletter.

Census 2021

You may or may not know that the 2021 Census is underway. It has been a challenging year for families, and the census might seem like another thing on everyone's busy to-do list. The District is assisting our Stats Canada partner in communicating this information and encouraging families to complete their census. Census data helps governments at all levels plan for schools, transportation, community centres, libraries and recreational activities. Data from the 2021 Census will be even more crucial, because it will help to evaluate the impact of the pandemic and to better plan for the future. You can quickly and easily complete your census questionnaire at www.census.gc.ca using the access code you received in the mail. If you need assistance or would like to have a paper (or alternate format) questionnaire, please call the Census Help Line at 1-855-340-2021. Thank you for doing your part to help plan for a better future for all Canadians.

Please see below for an important message from our PAC

Dear ACSS Parents,

Our next **Annual General Meeting of the ACSS PAC** will be on **Monday, May 31st at 7pm online via Zoom**. ALL parents/guardians with students attending Aldergrove Community Secondary School are members of the Parent Advisory Council and are encouraged to attend this meeting.

ELECTIONS for next year's PAC Executive will be at this meeting! To date there have been NO nominations received for ANY of the board positions: President, Vice-President, Secretary, Treasurer, DPAC Rep. Without at least three parents volunteering to be on the executive board, there can be no PAC and therefore ACSS won't be eligible for Gaming Grants (approx. \$12,000/yr) and any gaming funds we have would have to be returned to the Province (approx. \$25,000)!!!

So please, if you can spare some time, it's only a couple of hours each month, put your name forward to help the students of ACSS. Nominations can be emailed to acss.totems.pac@gmail.com and/or nominations can be made during the meeting on Monday night.

Summer Session Registration

2021 Secondary Classes - Grade 8 to 12

Full Credit - In Person Classes

These classes require students to attend in-person each day. Students can complete Full Credit classes as long as they have completed the prerequisite course with a 'C+' or higher or have taken the course before. For 2021, only morning classes are offered in Summer Session, so students can only take one course from the list below.

In-Person Class Locations & Dates:

Langley Secondary & R.E. Mountain Secondary

July 5 to August 6, 2021 (5 weeks) 9:00am to 12:30pm

Full Credit In-Person Classes 2021

Fees for Full Credit Classes:

BC Residents:

- School-age students (18 or younger as of July 1, 2021) and non-graduated adults - \$0 (Free)
- Graduated Adults (19 or older as of July 1, 2021) - Free for most courses / \$375 for courses noted with *

School District #35 International Students - \$900

Full Credit - Blended Classes

These classes are "blended" and require students to attend classes in-person two days per week, and work with their teacher online using Moodle and Teams the other three days per week. The amount of work and learning involved is similar to attending in-person classes and requires students to be highly motivated to complete their online and in-person learning during the five week period.

Blended Class Locations & Dates:

Langley Secondary & R.E. Mountain Secondary

July 5 to August 6, 2021 (5 weeks) 9:00am to 12:30pm

Grade 8/9 Academic Skill Builder Classes

These classes (previously called Academic Remedial classes) are intended for students who have already taken the course and received a mark of at least 35%, but have not met the learning outcomes or have only done so at a minimal level. These classes are not intended for students who have no previous experience in the course at that grade level, or for students wishing to "preview" a course before they have already taken it. Because it is a shorter version of the course, students will be able to earn the course credit and a **maximum** mark of 61% (C).

Academic Skill Builder Classes:

Humanities 8, 9 (Also for students needing EN8/9, SS8/9)
Math 8, 9 Science 8, 9

Langley Secondary & RE Mountain Sec.

July 5 to 23 (3 weeks) 9:00am to 12:00pm

Student Attendance & Participation

Students are expected to attend all sessions of a Summer Session class they are registered for.

Absence of more than 2 days may result in withdrawal from courses. Students should not be registered for Summer Session if extended absence for any reason is anticipated.

Registration - Current Langley School District Students - May 10 to June 25

Summer Session 2021 registration in the Langley School District opens May 10, 2021 and closes on June 25, 2021 for students currently enrolled in School District 35 (Langley). Registrations in available classes are processed in the order the registration occurs, on a "first-come, first-served basis".

Registration - For students who live in Langley (City or Township) but who are not currently enrolled in School District 35 (Langley) - May 10 to June 25

For Summer Session 2021, registrations will be accepted for students whose families can verify their primary residence is in the City or Township of Langley, even if they are not currently enrolled in School District 35. Students can register online. Then, after registration, families will be contacted by e-mail with information about how to process their request and also to confirm their residency. Please note that providing an address of a family member or friend who resides in Langley does not qualify as verifying a student's primary place of residence.

Non School District #35 students and non-Langley residents / students — Registration NOT Available —

For Summer Session 2021, School District 35 will NOT be accepting registrations for students who are not currently registered in the Langley School District or whose primary residence is not in Langley.

How to Register

Online registration is available for all students and is the quickest way to complete the initial registration. Register online at sd35.coresolutions.ca or visit sd35summersession.ca for more information.

In Person Registration is not available this year, but you can e-mail us or leave a voice message if you have questions about registration and one of our staff will get back to you as soon as they can.

Phone: 778-726-4660 E-Mail: summersession@sd35.bc.ca

Information Required When Registering

- Student's Personal Education Number (PEN), student's legal and English name if different, phone number(s), address, and parent guardian(s) name(s) and e-mail address.
- If a student was not registered in the Langley School District for the 2020/21 school year, a completed registration form, proof of parent/guardian(s) citizenship and BC residency plus the student's birth certificate must be provided.
- As noted above, for students not currently enrolled in School District 35, proof of address in Langley is required.

International Students

- Secondary International students already registered in the Langley School District must contact their International Student Program (ISP) Coordinator at their current school before registering in Summer Session classes for full information regarding payment options and to confirm homestay arrangements.
- International students can register for their course online outlined above and will be able to make their payments and complete their registration through their current school.
- All International students are subject to course fees as outlined on the front of this brochure. Payment of course fees must be made within 7 days of registration.
- International students withdrawing from courses are subject to a 10% processing fee. Refunds are not given after the first day of Summer Session 2021.
- International students not currently enrolled in the Langley School District for the current school year cannot enroll in Summer Session 2021.

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to Twitter @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

Please See Below for a message regarding COVID cases from our Principal

Hello everyone,

As you are aware, our school has received a number of notifications from Fraser Health due to COVID cases in our community. We understand that when multiple cases are reported, people in our community may wonder about the possible connection between cases. Through our work with Fraser Health, we assist in tracing the contacts in each case and do our best to determine whether or not the case is isolated or connected to previous cases in the school or community. Although we have received an influx of notifications recently, the data given to us by Fraser Health does not show widespread connectedness between cases.

Given the number of cases in our community, though, we are connecting further with Fraser Health to see if there is anything else we as a school can be doing to help reduce infections, either in the school or the community.

At the school we continue to maintain protocols of mask-wearing, physical distancing, handwashing and sanitizing. Our custodians have been doing an outstanding job cleaning all areas in the school, including the diligent cleaning, disinfecting and misting of all frequently touched surfaces. While we continue to regularly remind students and staff to follow our school health protocols, we will be increasing our schoolwide announcements emphasizing the need for all of us to be wary of COVID transmission both in the school and in the community.

Understandably, this has been a challenging year for all of us in schools. We would like you to know that we truly appreciate all of your support and understanding. We believe and know that together we can overcome these challenges.

Thank you, and please do remind your children to follow safe protocols of masking, physical distancing and hand-cleaning wherever they are.

Stay safe,

New Daily Health Check Form – Digital and Print Version

Thank you for continuing to conduct a daily health check with your child. It is an important measure to help keep our school community healthy and safe. Print versions are available in multiple languages on our District website [here](#).

Fraser Health COVID-19 School Update – Immunization for 12-17 year olds

Health Canada has approved the use of the Pfizer vaccine for youth aged 12 to 17. British Columbia is expanding the COVID-19 Immunization Plan to include this age group.

Youth are excited to protect themselves and their families.

Children aged 12 to 17 can register to get vaccinated now by going to www.gov.bc.ca/getvaccinated, calling 1-833-838-2323 or in person at any Service B.C. centre. Once child(ren) are registered in the provincial system they will be contacted at a later date via the method they indicated (either email or text) to book their vaccine appointment.

Household and group vaccination options are also available to make it easy for households to be immunized at the same time. Multiple young people in a household can attend one booked appointment and be vaccinated together. Young people accompanying adults to the adult's new vaccine appointment can register on site and do not need to be registered or booked in advance. Just let clinic staff know you have arrived.

Ensure all family members bring identification and ideally, their personal health card if they have one.

In the coming days, schools will receive an information package to be shared with families with key information such as how to prepare for and what to expect during your child's vaccine appointment.

More information can be found at www.gov.bc.ca/getvaccinated and at www.fraserhealth.ca/vaccine

Enhanced Safety Measures for K-12 Schools

The District appreciates all the hard work from students, staff, and families in helping keep our community safe. We continue to work closely with the Ministry of Education and Provincial Health Office. This week the province announced changes to COVID-19 health and safety guidelines for schools. Mask requirements for middle and secondary school students and K-12 staff have been amended. Guidelines have also been strengthened for physical education and music classes.

It is important to note, our schools will need some time to implement these new changes; all changes will be in effect as of February 26, 2021. Your continued patience and support are appreciated. If you have any questions, please contact the school.

Please read below and full details found in the province's news release located on the District website [here](#).

Changes to Mask Wearing

All middle and secondary students and K-12 staff will now be required to wear non-medical masks in all indoor areas, including when they are with their learning groups. The only exceptions are when:

- sitting or standing at their seat or workstation in a classroom;*
- there is a barrier in place; or*
- they are eating or drinking.*

For elementary students, wearing masks indoors remain a personal choice.

It is important to note, as advised by the province, these changes above do not apply to grade 6 and 7 students attending an elementary school.

Changes to Physical Education and Music Classes

High-intensity physical activities are to be held outside as much as possible. Shared equipment or items, such as weight machines, treadmills or musical instruments, can be used only if they are cleaned between use, according to strict school sanitization guidelines. Students using equipment or playing instruments should also be spaced at least two metres apart and masks are to be used when singing.

Dear Parents/Guardians, Students and Staff:

Re: Information Bulletin

As we move into the final stretch of the school year, the District is sharing some important news with the community regarding COVID-19 and learning. As you may have heard, the province announced a four-step BC Restart Plan, which can be found [here](#). It is important to know the lifting of restrictions for businesses and services do not impact our schools. Our K-12 education COVID-19 guidelines will remain in place until the end of June. We will inform the community of any changes.

To date, our District has had 299 COVID-19 notifications in 42 of our schools since September. We are seeing a decline in school exposure notifications which is positive. With cases still occurring in our schools, we must continue to follow all health and safety protocols such as the daily health check, physical distancing and proper handwashing. The District welcomes the province's vaccine roll-out for youth ages 12 -17. For registration information, visit the webpage [here](#).

As the District plans for the next school year, we are waiting to hear from the Ministry of Education on what we can expect for September. Based on the province's BC Restart Plan, if all goes well and COVID-19 cases are reduced and restrictions removed, we could see a return to a sense of normalcy for the fall. Our hope is to provide further updates at the end of June.

Graduation Celebrations

The District recognizes students, staff and families are eager to have a memorable send off for our graduating students. We have received guidance from Fraser Health Authority on graduation celebrations. Based on these guidelines, all secondary schools, with help from staff, will be conducting a ceremony for each individual student and a maximum of four (4) guests. Our schools will not be running events with large gatherings and spectators. Schools will be sharing specific details with families in the coming days. We know these limitations are disappointing, but we are confident our staff will do everything they can to make it meaningful for our grads.

Summer Session

Summer Session will be going ahead but will look different than previous years. To view learning opportunities available for Langley students and information on registration, visit the webpage [here](#).

Budget Open House

The Langley School District is inviting the public to take part in its Virtual Budget Open House. This is an opportunity for the School District to update the public on the District's progress with the budget and to provide an outlet for questions or concerns regarding the 2021-2022 operating budget. We encourage our community to engage. It runs until May 31. For info, visit the webpage [here](#).

Langley School District Foundation

The Langley School District Foundation announced this week long-time Executive Director Susan Cairns is retiring at the end of the school year. Ms. Cairns has worked tirelessly to raise funds and help make learning unforgettable for every student. We are so proud of all her accomplishments and are grateful to the legacy she leaves behind.

The Foundation has announced that Ms. Alicia Rempel will be the new Executive Director, beginning June 1. Ms. Rempel has worked as a community development consultant for local organizations including the Langley Children's Committee and Langley Literacy Network. The District is excited to work with her. Please join us in welcoming her to the Foundation.

This year has had many ups and downs and has taken a toll on all of us. Our hope is that we are starting to turn the corner. We appreciate your support and continued efforts in helping keep our students, staff, and community safe.

Sincerely,

Gord Stewart
Superintendent of Schools
