## PRINCIPALS MESSAGE

Good afternoon ACSS students and families,

I would like to begin this message by simultaneously welcoming back all of the students from spring break as well as sending out well wishes to all students and families for a happy and health Easter long weekend. It was very nice to return to school from the break and see all of the students and staff again. We are entering into the final three months of a school year that has certainly provided all of us with challenges, new experiences and new understandings. Thank you to everyone in our community for your patience and understanding as we all do our best to lead happy and healthy lives in this COVID affected world. Together, we will make it through these difficult times.

Yesterday, March 31<sup>st</sup>, ACSS said farewell to our esteemed math teacher, Mr. Sinilaid as he worked his final day before retirement. Mr. Sinilaid began teaching at ACSS in the 1994-95 school year and proceeded to positively affect many students and families over the years with his kindness, gentle nature, incredible sense of humour and, of course, mathematics and teaching wisdom. While we are sad to see Mr. Sinilaid leave our staff, we are also very happy for him and congratulate him on his retirement.

Replacing Mr. Sinilaid at ACSS is Mr. Horita, who brings much math and science wisdom himself, as he begins his teaching career. Welcome, Mr. Horita!

Also a thank you to the Township of Langley Firefighters Charitable Society for a supply of granola bars. Sincerely yours; The Breakfast Club Team.

## Student Safety Around Schools

With the days growing shorter and the weather changing to rain, fog, and frost, Aldergrove Community Secondary is reminding all our students to take extra precaution when walking to and from school. Please be aware of your surroundings, walk on the sidewalk and with someone whenever possible, and avoid wearing headphones. We also ask drivers in our school community to be vigilant on our roads. Student safety is our priority. Thank you for your cooperation and support in keeping everyone safe.

## Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or [www.sd35.bc.ca](http://www.sd35.bc.ca). Updates are also posted to Twitter @LangleySchools and Facebook at [www.facebook.com/langleyschooldistrict](https://www.facebook.com/langleyschooldistrict). If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

### Mask Guidelines Update—March 31st 2021

March 31, 2021

Dear Parents/Guardians, Students and Staff:

Re: Mask Guidelines Update

In follow up to yesterday's Information Bulletin, the District is sharing an update on guidelines regarding mask wearing in schools. The Ministry of Education, Provincial Health Office, and BC Centre for Disease Control have provided school districts with amendments to the K-12 health and safety guidelines which are found in these two documents:

BCCDC Public Health Guidance for K-12 Schools

Provincial COVID-19 Health and Safety Guidelines for K-12 Settings

#### Here's What You Need To Know

Effective immediately all K-12 staff, students in Grades 4 to 12, and visitors to schools will be required to wear non-medical masks in all indoor areas, including when they are at their workstations (desks), and on school buses - both within and outside of their learning group.

Exceptions include:

- A person who is unable to wear a mask because they do not tolerate it (for health or behavioural reasons)
- A person unable to put on or remove a mask without the assistance of another person
- If the mask is removed temporarily for the purposes of identifying the person wearing it
- If the mask is removed temporarily to engage in an educational activity that cannot be performed while wearing a mask (e.g. actively playing a wind instrument, high-intensity physical activity, etc.)
- If a person is eating or drinking
- If a person is behind a barrier
- While providing a service to a person with a disability or diverse ability (including but not limited to a hearing impairment), where visual cues, facial expressions and/or lip reading/movements are important

Students in Kindergarten to Grade 3 are strongly encouraged to wear a mask indoors in schools and on school buses – both within and outside of their learning group – though mask wearing ultimately remains a personal or family/caregiver choice for these students, and their choices must be respected.

Students will be able to remove their masks while outside, including at recess, lunchtime and while learning outside. As weather improves, teachers will continue to look for opportunities to move their classes outside.

### Here Is What You Need To Know To Help Your Child

- Please send your child with a clean mask and a spare mask to school daily
- Schools are able to provide students a cloth mask or disposable mask if they forget but it is not intended to be daily in frequency
- Watch this Health Canada [video](#) with your child or view this [poster](#) for guidance on mask wearing

### Moving Forward

Our administrators, teachers and school-based staff will spend this week helping students get comfortable and adapt to these new guidelines. The District will continue to work with the Ministry of Education and public health and will provide the community with updates to health and safety changes as they become available.

As we continue to adapt to these challenging circumstances, we appreciate everyone's efforts to work together and follow health and safety guidelines. These measures are intended to keep all of us as safe as possible during these difficult times. Thank you for your ongoing patience and support in this evolving situation.

Sincerely,

Gord Stewart  
Superintendent of Schools

### **New Daily Health Check Form – Digital and Print Version**

*Thank you for continuing to conduct a daily health check with your child. It is an important measure to help keep our school community healthy and safe. To better assist families, the Ministry of Education has developed an online K to 12 Health Check which can be found here: <https://www.k12dailycheck.gov.bc.ca/healthcheck>*

*A mobile phone app version can also be downloaded, called K to 12 Health Checker.*

## Enhanced Safety Measures for K-12 Schools

*The District appreciates all the hard work from students, staff, and families in helping keep our community safe. We continue to work closely with the Ministry of Education and Provincial Health Office. This week the province announced changes to COVID-19 health and safety guidelines for schools. Mask requirements for middle and secondary school students and K-12 staff have been amended. Guidelines have also been strengthened for physical education and music classes.*

*It is important to note, our schools will need some time to implement these new changes; all changes will be in effect as of February 26, 2021. Your continued patience and support are appreciated. If you have any questions, please contact the school.*

*Please read below and full details found in the province's news release located on the District website [here](#).*

### Changes to Mask Wearing

*All middle and secondary students and K-12 staff will now be required to wear non-medical masks in all indoor areas, including when they are with their learning groups. The only exceptions are when:*

- sitting or standing at their seat or workstation in a classroom;*
- there is a barrier in place; or*
- they are eating or drinking.*

*For elementary students, wearing masks indoors remain a personal choice.*

*It is important to note, as advised by the province, these changes above do not apply to grade 6 and 7 students attending an elementary school.*

### Changes to Physical Education and Music Classes

*High-intensity physical activities are to be held outside as much as possible. Shared equipment or items, such as weight machines, treadmills or musical instruments, can be used only if they are cleaned between use, according to strict school sanitization guidelines. Students using equipment or playing instruments should also be spaced at least two metres apart and masks are to be used when singing.*

### Calling parents and youth in BC!

#### COVID-19 and Youth Mental Health

Since COVID-19 was declared a pandemic, many public health responses have been implemented including social distancing measures and school closures.

**These measures may have an impact on the mental health of children and teens, and we need to adjust the type and amount of resources being offered our children.**

The MyHEARTSMAP team needs your help to measure how much and in what ways the changes in our lives during the pandemic have affected the social and psychological wellness of our children and youth.

Using the MyHEARTSMAP online psychosocial self-screening tool, children, youth, and (or) their parents, can learn about which aspects of their mental health may be of concern and might benefit from support resources, and where to find them in BC.

Learning about our children's needs will **help guide our provincial mental health resource planning.**

#### Who can participate in this study?

- Children and youth aged 10-17 in BC
- Parents with a child aged 6-17 in BC

#### What is involved?

- Answer questions about how COVID-19 has affected you
- Complete the MyHEARTSMAP Self-Screening Tool after enrolling, and again in 3 months

*If you are interested in learning more and participating, please visit our website at:*

## Immunizations for School Aged Children

Fraser Health's Immunization Program for school-aged children will resume this year beginning with students in grades 7 and 10 who missed their immunizations during the 2019-2020 school year due to COVID-19. These appointments will be located at local public health units. Health unit staff will contact families to book these immunization appointments over the spring and summer.

The immunization programs for kindergarten, Grade 6 and 9 students from the 2020-2021 school year are currently under development.

We appreciate the support and understanding of our school partners. Further details will be provided once our plans are finalized.

No action is required by the school for school-based immunization clinics at this time, however your support in informing parents and school personnel of the following is appreciated:

The Fraser Health Immunization Program for school-aged children will resume this year.

To start, public health staff will contact families of students currently in grades 7 and 10 who missed their immunizations during the 2019-2020 school year, due to COVID-19.

These students will be offered immunization appointments over the spring and summer.

Immunization information for Kindergarten, Grade 6 and 9 students from the 2020-2021 school year will be provided at a future date.

We'll continue to keep you informed about upcoming clinics and our communications with families during the school year.

If you or your staff have questions, please contact the manager of your local public health unit.

Sincerely,

**Ariella Zbar**
