OLD BUSINESS:

- Emergency preparedness: hoping to get the water and granola bars this week or next week and then arrange to get them into the bags in the rooms.
- PAC scholarship: due to no current update on funds- unable to see what is currently available for scholarships.
- What criteria do we want to set for deciding the recipient?

NEW BUSINESS:

- Request for funding for bussing to go to the VSO (about \$220- \$300)- needs the information by: Early March. Executive meeting to be set to decide this.
- Would like to discuss the need to vote on whether or not to purchase a laptop for PAC purchase.

Special guests:

- Jaime Arthurs- substance abuse and personal health counselling now available here- crafts, and open house sessions twice a week plus one on one sessions with students, plus she puts on events/ presentations. Also does information sessions for parents.
- Susan Hunt: community school model- started in January in this role for Aldergrove. Originated in Australia- originated to address the gaps in academics for children at risk. Identifying the barriers affecting the community and what unique needs and strengths exist in the school. Her role is to support the family of Aldergrove schools. Partners with public health for low-income

at-risk families. She is like a community coordinator meant to bridge needs throughout the community with the school as the hub.
