

Trouble Shooting: Allowing Pop Ups Safari (iPhone)

If you are accessing Spaces via the web (on Safari), you need to make sure that popups are allowed so students can enter their @langleyschools sign in credentials.

- 1. On your iPhone, go to the Settings app and tap to open it.
 - Settings

 Mail

 Contacts

 Calendar

 Shortcuts
- 2. Scroll down to Safari. Tap on that.

3. Scroll down to where it says Block Pop-ups and make sure the toggle switch is turned off.

On >
>
Favorites >
>
On My iPad >

4. Now go back to spacesedu.com on Safari and log in again. You should get a pop up with the Langley Schools logo.
