Program Fees

Approximately **\$950** – \$550 for textbook and classroom supplies. Students supply steel-toed boots and tools at a cost of approximately \$400. These tools of the trade are kept by students for future use.

Program Savings

KPU tuition is paid by the Langley School District for Langley students registered in this program.

Students requiring financial assistance may qualify for a partial bursary. Please see your School Counsellor for more information.

Graduating Students – Plan Ahead

To be eligible, students who wish to take this program after graduation must be Conditionally Accepted into the program prior to their Grade 12 graduation.

This program starts in second semester.

To remain eligible to participate students must keep their application valid by being registered in a Langley District School for the first semester taking at least 3 courses.

For more information please see your School Counsellor or Career Advisor.
