Happy Holidays Wonderful Alice Brown Community,

It has certainly been an “energetic” last couple of weeks, but the spirit and excitement at Alice Brown has been palpable. We have had a lot of great times over the last month and we appreciate all the support you continue to provide our beautiful community school. Thank you for continuing to support the district and provincial mandates around mask wearing and staying home when sick. Let's hope that 2022 brings some changes back to normalcy in this regard. I think it would be a gift that we would all love to receive. We've been good, right?

As we head into the break, let's look back at some of the highlights of this holiday season and reminisce on the great times that were had.

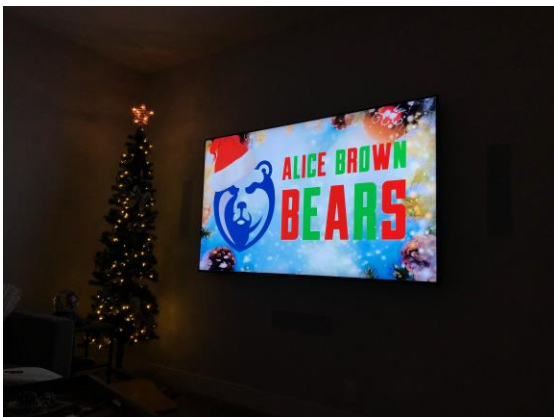

Beyond that, I speak on behalf of the Alice Brown Staff, wishing you all a safe and wonderful holiday season. We will miss the kiddos and the daily running of a school, but not too much ☺.

See you all in 2022!

Mr. Michael Carlyle
Proud Principal
Alice Brown Elementary

Good-Bye Mrs. Bains

We would like to wish Mrs. Bains a wonderful maternity leave and welcome our newest staff member Ms. Mar, who will be teaching Division 2 in the new year.

Volleyball Showdown

This year our volleyball season came to an abrupt end with the gas shortage affecting our ability to finish our season. Instead, we had a boys vs. girls game that went to a closely contested three game showdown. Both teams had very successful season records of going 2-1! We are now looking forward to the upcoming basketball season. Go Bears!

Holiday Fun!

It has been a week of fun around Alice Brown with crafts and holiday activities throughout the school. I know your kiddos will be bringing home some pretty nifty gifts and crafts made with their own two little hands. The creativity of Elementary School teachers never ceases to amaze me!

Behind the Scenes...

Our Holiday concert had over 130 viewers and seemed to be enjoyed by many. We experimented with our green screen and had our students perform classic hits from classic movies to bring the spirit back to Alice Brown for the holiday. For those who missed the performance it can still be viewed on Vimeo at the following link and as always it is password protected.
