

Donna Gabriel Robins Newsletter May 29

Zooming into June

Dear Owl Community,

We would like to extend a heartfelt thank you to all the families who generously donated books for our PAC Book Fair. Your contributions helped make the event a tremendous success and ensured that our students had access to a wide variety of wonderful reading materials. Your ongoing support truly makes a difference in our school community.

We would also like to thank everyone who attended our recent Builders Night. It was a fantastic evening filled with connection and creativity. It was especially wonderful to meet many of our new students and families—welcome to our school community! Events like this highlight the strong sense of belonging we continue to build together.

As we look ahead, June is just around the corner, and it is always a busy and exciting time at Donna Gabriel Robins Elementary. We are looking forward to a number of memorable events, including Spirit Day, our Grade 5 Celebration, Sports Day, and many other fun activities that bring our students together in celebration of the school year.

Thank you again for your continued support—we are excited to finish the year strong as a community!

If you have any questions or concerns, please do not hesitate to contact us at the office or send us an email nerker@sd35.bc.ca or dmccrae@sd35.bc.ca

Happening at DGR

UPCOMING DATES.....

Student Absences- A Friendly Reminder

We appreciate parents keeping us informed when students will be absent. Knowing in advance helps our office team efficiently manage attendance and ensures the safety of all students.

If your child is going to be absent from school, please email this information to: dgrattendance@sd35.bc.ca and provide the following:

Date of Student absence:

Child's Name:

Student's Teacher or Division:

Reason for absence:

or phone 778-726-5555 and press 1

- Providing this information helps us quickly and accurately record the absence in our system. Thank you to all parents who are proactive in letting us know—we truly appreciate your support!

Why Regular Attendance Matters

At Donna Gabriel Robins Elementary, we know that strong attendance habits in the early years lay the foundation for future success in middle and high school. This is especially important now, as data across Canada and here in British Columbia shows a significant rise in student absences in recent years.

Across Canada, chronic absenteeism—typically defined as missing 10% or more of the school year—has increased and is closely linked to later academic difficulties and a higher risk of dropping out. Studies also show that attendance issues in elementary school can predict later mental health and academic challenges, making early intervention essential.

Here in British Columbia, the trend mirrors the national picture. A recent CBC investigation found that absences in B.C.'s largest districts have significantly increased, in some cases tripling since 2018. Experts warn that “the more school students miss, the less likely they are to graduate,” highlighting a clear link between early attendance patterns and long-term school completion. In the Vancouver School Board specifically, excused absences doubled in elementary schools between 2018 and 2025, reinforcing how widespread the challenge has become.

These findings underline what we know from decades of educational research:

When students attend regularly in elementary school, they build stronger academic foundations, develop key social-emotional skills, and are more likely to thrive as they move into middle and high school.

We understand that families may face challenges, and we are here to help. If you are experiencing barriers that make regular attendance difficult, please reach out—we are committed to partnering with you to support your child's success.

Superheroes Among Us

Our recent Superheroes Spirit Day was a joyful celebration of creativity and imagination! Students and staff came to school dressed as their favourite superheroes, filling our hallways with colour, excitement, and a wonderful sense of fun.

From capes and masks to original superhero creations, it was inspiring to see so many members of our school community participate. Events like this bring joy into our school, encouraging students to express themselves, use their imagination, and connect with one another in meaningful and playful ways.

Thank you to everyone who joined in the fun—we're already looking forward to doing it again next year!

1 - Our Amazing Ms. K!

2 - Our Amazing Mrs. Macdonald!

3 - Our Amazing PAC President Mrs. Cotiangco

Welcoming Our New Kindergarten Families

Our recent Welcome to Kindergarten event was a wonderful success as we welcomed our newest little Owls and their families into our school community. This truly was a school-wide effort, bringing together staff and families to create a warm, engaging, and welcoming experience for all.

Our ELL and Resource teachers played an important role in supporting the event, assisting with the registration table and working alongside Kindergarten teachers in the classrooms to help our youngest learners feel comfortable and supported. Children had the opportunity to visit our Kindergarten classrooms, meet our caring and dedicated teachers, and take part in a fun hands-on craft together.

We were also so appreciative of our PAC, who hosted a welcome table filled with helpful information for our newest Owl families and provided treats for our incoming Kindergarten students. A heartfelt thank you to our school community for generously donating books for our PAC used book sale. Thanks to this support, we were able to invite our new Kindergarten students to choose books to take home—helping to foster a love of reading right from the start.

Each child also received a special *Welcome to Kindergarten* gift bag from our school district, filled with engaging play materials, two storybooks, and a helpful brochure for parents highlighting the Early Years Program. These resources are designed to support learning, play, and connection at home.

It was such a pleasure meeting all of our new families and their children. We are excited to begin this journey together and look forward to welcoming our Kindergarten students back in September as they begin the gradual entry program, helping them ease into the routines of school with confidence and care.

4 - The Welcoming Registration Table

5 - Our PAC Welcome Table

6 - Free Books to promote a love of reading! Thank you DGR!

A Stellar Spring Music Concert

Our Grade 3–5 Spring Concert, *The Intergalactic Music Mission*, was a tremendous success and an unforgettable evening for our school community. A heartfelt thank you goes to our talented music teachers, Mrs. Priscilla and Mrs. Cha, who dedicated countless hours preparing our students for both their vocal performances and recorder accompaniment.

The concert featured an exciting and energetic mix of songs—from a fun Backstreet Boys piece, creatively accompanied by recorders, to the powerful *Eye of the Tiger*. Families could be seen swaying in their seats, fully enjoying the music and the joyful atmosphere created by our students.

We were especially honoured to welcome Donna Gabriel Robins and her husband to our matinee performance, where they enjoyed VIP front row seating. It is always such a privilege to have Donna visit her school and see our students showcase their talents—we truly cherish these special visits and love having her with us.

We are incredibly proud of our performers, who rose to the challenge with confidence and enthusiasm, shining brightly on stage. Their hard work, teamwork, and courage were evident in every moment of the performance. It was heartwarming to see families leave in awe at the end of the concert.

Congratulations to our students and staff for such a stellar production!

7 - Donna Gabriel Robins & Brad Robins

Intergalactic Art Gallery

Builder's Night: Creating, Connecting, and Imagining Together

Our recent Builder's Night for Pre-K, Kindergarten, and Grade 1 students was a wonderful success! We were thrilled to welcome so many families into our gym, which was transformed into an engaging, hands-on space filled with creative building stations thoughtfully designed by our teachers.

Using simple, everyday materials—cardboard, egg cartons, tubes, boxes, and plenty of tape—children and their families dove into imaginative play. From the lively *Small Town Station* to the action-packed *Heavy Lifting Station*, students eagerly explored, created, and collaborated alongside their parents.

Our goal for Builder's Night was to bring joy to families through interactive play while sharing easy-to-recreate ideas that can extend beyond the classroom and into the home.

If you're looking to continue the fun, here are a few simple ideas to try together:

- **Create a small town:** Use boxes and recycled materials to design buildings, roads, and parks.

- **Build and test:** Design bridges or towers and see how strong they can be with books or small weights.
- **Loose parts play:** Gather items like tubes, lids, containers, and fabric scraps for open-ended building.
- **Imaginative storytelling:** Encourage your child to tell a story about what they've built and who lives or works there.

Thank you to all the families who joined us and to our staff for creating such a joyful, inspiring evening of learning and connection!

Stay tuned for our next event in June: Pop Up Play!

School Supplies - Links Coming Soon

Kindergarten and Grade 1 Supplies (School Cash Online)

The Kindergarten and Grade 1 Teachers will complete a bulk order, and will have student supplies available at Donna Gabriel Robins for September. All items will be shipped to the school and sorted for student use. Payment for these supplies will be completed through School Cash Online. An email with a link will be sent directly to families once it has been set up.

Grade 2 - Grade 5 Supplies (Orders will be placed directly through SchoolStarts)

School supply list will be added to our website soon. Once available, school supplies for Grades 2 - 5 will be available to order directly through **SchoolStarts** by using a supplied link. Once the supply lists are made available, we will send an email with a link and directions.

Grade 5 Celebration

The **Grade 5 Celebration** will take place on **June 17 at 1pm**. We will open with a ceremony where we recognize our Grade 5 students and celebrate their time at Donna Gabriel Robins. We will end with a slide show, and our amazing PAC will provide a treat to our Grade 5's. The ceremony will last approximately 1 hour. Due to capacity restraints, we ask that each child bring **no more than 2 family members** to celebrate.

A link will be sent directly to families to order your **Grade 5** child's TCBY (Frozen Yogurt). ***This link must be completed by June 9th.***

Sports Day - June 12

SPORTS DAY – JUNE 12

Once again our Sports Day will be run by the amazing REMS Grade 9 Student Leadership Program. These students will lead groups and support students on this extra fun and energy filled day. This is a community event; parents and guardians are welcome to attend. Students will receive information on what to wear. We are breaking our teams up into four colours - Blue, Red, Yellow, Green. Please see the shape of the day listed below.

TIMING

- 9:15 – 10:15 – Circulate through 6 stations
- After the last rotation - **head inside for snack/water**
- RECESS 10:30 - 10:45 (full school)
- 11:00 – 12:20 - Circulate through 8 stations
- 12:30 – 1:00 – Lunch (Hot Lunch)

Family Picnic

**DONNA GABRIEL ROBINS
ELEMENTARY**

**FIRST ANNUAL
FAMILY
Picnic**

JUNE 5 • 4:30-7

ON THE DGR FIELD

EVENTS INCLUDE:

- TOL FIRE TRUCK**
- KONA ICE SLUSHIE TRUCK**
- FRESH SLICE PIZZA**
PREORDERS ON MUNCHALUNCH.COM
- FACE PAINTING**
- CONCESSION**

Learning Through Everyday Moments- Supporting Learning at Home

Simple ways to build skills, curiosity, and confidence—every day.

Learning doesn't only happen at school—it happens all around us.

Everyday moments at home and in the community offer rich opportunities for children to grow, explore, and connect.

In the Car

 Talk, notice, and wonder together

- Play “I Spy” or rhyming games
- Count cars, signs, or turns
- Talk about where you’re going and what you see

At the Store

 Turn errands into learning

- Help find items on the list
- Count fruits, cans, or items in the cart
- Talk about colours, shapes, and sizes
- Ask: “Which one should we choose?”

At Home

 Everyday tasks build big skills

- Cook together (mixing, measuring, counting)
- Read and talk about stories
- Build, draw, and imagine
- Help with simple responsibilities

In Nature

 Explore, create, and discover

- Notice animals, plants, and weather

- Collect and sort sticks, rocks, and leaves
- Build and create outdoors
- Ask: “What do you think will happen?”

🌟 A Simple Reminder

The most important learning happens through

💬 talking

🤝 connecting

🌱 exploring together

These small moments build language, confidence, creativity, and a lifelong love of learning.

Around the Community

This Month in the Arts - June 2026

Even though June marks the final stretch of the school year, the arts scene is still buzzing with energy in our Langley Secondary Schools. June features music concerts and festivals that celebrate a full year of creativity right to the very end!

Langley Flag Football

Langley Flag Football is every Friday evening at Josette Dandurand for ages 4-16. It's co ed teams, no contact, beginner to experienced, official NFL teams/jerseys, no travel, no cuts and no financial barriers.

If a family would like to join and they could use financial support, fees will be waived and they will purchase cleats for the kids. The men organizing it have had a league in Abbotsford for many years and are trying to get it started in Langley. It's all about having fun and the love of the game.

For questions LangleyFlag@gmail.com

Please go to <https://www.langleyflag.ca/>

accessSTEM
FREE summer camp
for children!

accessSTEM is a completely free, one day summer camp which focuses on engaging and hands-on learning about various STEM related topics. We will be hosting a variety of design challenges which prompt students to practise problem solving in the applied sciences.

Where? Donna Gabriel Robins Elementary School

Who? Children in grades 4-5 interested in science

Yorkson Creek Watershed

Respecting Our Natural Neighbour

Our school is fortunate to sit beside an important part of the Yorkson Creek Watershed, a vital ecosystem that is home to many plants and animals. This beautiful area provides a wonderful opportunity for students to observe nature firsthand and learn about how living things are connected to the land.

To help protect this special place, we remind students that they must not climb the fence or play near the pond at any time. We also ask everyone to refrain from littering or throwing objects into the water, as this can harm the ducks and other wildlife that call the pond home.

By treating nature with care and respect, we help protect it for future learning and enjoyment. Let's all work together to respect and care for this special environment.

PAC NEWSLETTER AND INFORMATION

APRIL 2026

DGR PAC NEWSLETTER

Welcome to Spring!

Thank you to all who have participated in our fundraisers so far this year - from hot lunches to our Purdy's and Neufeld sales. All of our efforts are now visible in the latest additions to the playground and the future addition of more swings! Please see below for two new opportunities to support our students.

1st Annual DGR Family Picnic

Friday, June 5, 2026
Join us for games, photo booth, food trucks, TOL fire department truck and more!
