

DOROTHY PEACOCK ELEMENTARY 2022-2023

What is the PAC?

PAC stands for Parent Advisory Committee

All parents of children at Dorothy Peacock Elementary are members.

The PAC works with parents and the school to enhance the educational experience for our children.

PAC exec's are voted in every spring and volunteer behind the scenes with organization and communication.

What does our fundraising support?

PAC fundraising provides students and teachers with additional resources and opportunities beyond what the school budget covers.

- extra-curriculars
- classroom and school technology
- playground equipment
- field trip assistance
- direct support for teachers
- scholarships and student awards
- Staff and Teacher Appreciation

When are meetings?

We have hybrid (mix of in person and virtual) meetings 6-8 times a year. (typically on Tuesdays, at 6:30pm)

We post the meeting link on our Dorothy Peacock Elementary PAC Facebook page, so make sure to follow along for updates on meetings dates and other school events!

How can you get involved?

Attend a PAC meeting. All Parents are welcome!

Join our Facebook community

Volunteer for hot lunches or other school events

Propose and/or coordinate a school event with the PAC Exec

Support or help spread the word about our PAC fundraisers!
