

District Dress Guidelines

The intent of a dress guideline is to set expectations to assist students, staff, and parents in decision-making with respect to clothing. It is not intended to be prescriptive nor punitive, but to provide a level of clarity so that correction or discipline is not required.

Dress guidelines are intended to incorporate individual preferences for students and their families to dress in a manner that they choose. Individual choice is however tempered by a responsibility to recognize that a school is a learning and working environment, in which there is an expectation of reasonableness.

Staff members have a responsibility to assist students in understanding and abiding by the District dress guidelines. Parents have a responsibility to support appropriate dress for the school and the workplace.

Clothing should be comfortable and allow a student to participate safely in activities such as physical education, science experiments, and/or shop projects. Clothing should demonstrate a respect for the school community. Clothing should meet standards of suitability that are typical of an office workplace and should not be offensive to others.

Articles of clothing that promote alcohol or drugs, that display offensive language or images, or that encourage sexism, racism or bigotry are not acceptable in a school. Clothing bearing direct or indirect messages or graphics referring to gang culture, sex or pornography, weapons or violence will not be permitted.

When there are differences in perspective, all involved have a duty to seek common understanding in a mutually respectful manner. Ultimately, the school administration has the responsibility to apply the dress guidelines when necessary. If any person dresses in an inappropriate manner, the student should be advised personally and discretely and given an opportunity to meet the District guidelines.
