ILLNESS/ABSENCE

It is always best to keep sick children home from school. If a student is away for an extended amount of time, please contact their teachers to arrange for work that they can complete at home or on TEAMS.

The school uses an automated absence reporting system called SafeArrival, offered through SchoolMessenger. With SafeArrival, you are asked to report your child's absence in advance using any of these three convenient methods:

1. SchoolMessenger App
2. SafeArrival
3. Toll-Free Phone Number - 1-833-294-4837

For information on how to use these methods for reporting your child's absence click [here](#)

DROP-OFF & PICK-UP

The front entrance of the school parking lot is very busy during drop-off and pick-up times as we have many students who are bussed to school. Please do not drop off or pick-up your children directly out front of the school between **8:00-9am or 1:00-3:30pm** as it causes challenges when busses arrive to unload or pick-up. We appreciate your cooperation in minimizing the traffic at the front of our school.

PREVIOUS INFORMATION & REMINDERS

POWER OUTAGES & SCHOOL CLOSURES

The Langley School District uses a notification system called SchoolMessenger to communicate information to families. If you **did not receive a text or email** message during our power outages, then please ensure you sign up for our schoolmessenger system. For more information about the system and how to opt-in to receive text messages, visit the District webpage [here](#).

With storm season upon us, the District is reminding families about procedures during emergencies such as power outages. The District will post important information on school and District websites as well as on social media channels. The District may also send special instructions in emails and text messages (for those that opt-in) via SchoolMessenger. In the event of power outages, schools have an emergency phone line operational. Please avoid calling the school unless it is an emergency as this ties up the phone line.

As per the District's procedures, schools in the District may be closed to students by the Superintendent for weather related emergencies such as power outages or other causes related to health and safety. The decision to close a school due to a power outage is based on many considerations including expected power restoration time, operational emergency lighting, access to water and washrooms, among other factors. As always, it is a parent's decision whether to send their child to school (or keep their child at school) based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school. For more information on school status information, read [here](#).

The District thanks students, families and staff for their cooperation during recent power outages impacting schools.

SCHOOL STATUS DURING INCLEMENT WEATHER

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If

you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

COMMUNICATING WITH YOUR SCHOOL

Schools and families continue to work together to ensure success for students. If you have an issue or concern but don't know who to speak with, the District encourages you to read these helpful Communicating with your School guidelines for parents/guardians found on our District website [here](#). As an additional reference, review this one-page resource [here](#).

EMERGENCY PROCEDURES & RESPONSE

Health and safety are a priority in the Langley School District. Schools follow emergency procedures to ensure students, staff, and any visitors in our schools or sites are safe when unexpected incidents or events happen. At the start of every school year, administrators,

teachers, and staff review these emergency procedures. Schools practice a set number of drills annually in preparation for unexpected situations. The District encourages families to become familiar with these staff emergency procedures and the drills that are completed in schools. You can read them in the Staff Emergency Procedures Poster [here](#) or find them posted in areas throughout District buildings. If you have questions or concerns about emergency procedures, please contact your child's teacher or principal.

STUDENT SAFETY IN SCHOOLS

The Langley School District is committed to fostering safe and caring schools that promote mutual respect, cooperation, and social responsibility, and support optimal learning. Trauma Informed Practices and Procedures promote the creation and maintenance of safe, inclusive, equitable, welcoming, and nurturing school environments. The District expects all students to follow the Student Code of Conduct [AP 350](#).

The District is sharing a reminder that no one can have **"any weapon for any purpose"** on school property. This means that weapons are not allowed to be used as part of an educational project, drama production, or themed costume. Examples of weapons include but are not limited to knives, brass knuckles, swords, decommissioned firearms, replicas, air soft guns, bb guns, and toy guns. The possession or use of fireworks, firecrackers, explosives, or similar devices or objects is also prohibited on school property. Failure to follow these expectations may result in confiscation, intervention, and consequences.

FAIR NOTICE RESOURCE FOR FAMILIES/STUDENTS

The Langley School District is committed to a safe and supportive environment for all. Our schools take all threatening comments and behaviours seriously. Our schools follow procedures when responding to threat-making behaviour to help keep students, staff, and the community safe. The following resource [here](#) outlines what information students and families

need to know in relation to how the District responds to threat-making behaviour in our schools. Everyone has a role in helping keep our students safe. If you have any questions or concerns, please contact your school administrator.

ACCESS TO SCHOOL PHOTOS

The school photos are now available for access through the Artona Website. You can either scan the QR code available on the card students brought home last week or follow the link [here](#)

If you click photo day box, a new window will pop up with order information and timelines. If you click on the view and order button at the bottom, you can enter the QR code number and view/order photos.

If you misplaced your order card from Monday and need a new way to access the photos, it can be found [here](#)

If you need any additional support in accessing your photos, you can find multiple ways of getting in touch with Artona [here](#).

NEW TECHNOLOGY GUIDELINES: PERSONAL DIGITAL DEVICES

Electronic devices can be distracting to student learning. There is a significant body of research showing that increased technology use is linked to problems with mental health, focus and the development of relationships and academic skills.

The Langley School District recognizes the importance of establishing clear guidelines to ensure that personal digital devices are used in a way that supports educational goals and maintains a safe and respectful learning environment.

During hours of instruction, personal electronic devices must be turned off and stored away in backpacks or lockers, unless otherwise instructed by school staff for educational purposes. This includes during study blocks, tutorial and any school sponsored activity such as an assembly or talk by a guest speaker.

To read the new guidelines as set out by the Langley School District click [here](#).

SCHOOL FEES

Every year, there are fees payable to the school for different items, including student fees, grad fees, donation items, any athletics related items, workbooks, etc. The Langley School District uses an online system to collect these fees as it is user friendly and saves students from having to carry cash. Please go online at <https://schoolcashionline.com/> to register your child(ren). You will get an email notification any time a new "item" is available for purchase and the first item you will see are the student fees for the coming year. Please email Mrs. Brake at sbrake@sd35.bc.ca if you have any questions regarding school cash online or school fees.
