### END OF SEMESTER TRANSITION DAYS

One of the most important measures of student success is the measure of student transitions, when students successfully move on to the next step in their educational journey. This might include a student who goes from one course to the next course (e.g., English 8 to English 9), from one grade to the next grade, from one level of school to the next level of school (e.g., middle to secondary), or to post-secondary opportunities. At the end of each semester, secondary schools have Transition Days, in which staff create opportunities for students to demonstrate key

transitions goals/growth and assist them in their transitions. Successful transitions are vital for students to build on the successes they have had, and prepare them for the new challenges in their new classroom, new school, etc. The Transition Days also allow for students to complete and present their major careers requirements. Some of the activities that occur during Transition Days in different secondary schools include:

- Mini-Capstone presentations by Grade 9 students
- Capstone presentations by Grade 11 and 12 students
- Careers and Capstone Fairs
- Grade 7/8 visits to the secondary school (e.g., Taste of LSS)
- Other connections and activities between schools to assist in student transitions
- Provincial Literacy and Numeracy Assessments for Grade 10 and 12 students.

At the end of Semester 1, secondary schools also will have a Semester Turn-around Day, to be able to complete the many tasks that are necessary in ending one semester and starting another, including reviewing semester-end student report cards and re-working student timetables.

We invite you to join us at Mr. Leino's final home game of the season on **February 4th at 8:00 PM in the main gym at DW Poppy Secondary**. **Our hope is to keep this celebration a surprise**. We envision alumni, friends, and community members filling the stands before the game begins to show our appreciation for his dedication and contributions. ## ATHLETICS

---

Our basketball teams continued to hit the court this past week. The Grade 8 boys won their home game against Betty Gilbert, while the Jr Boys lost a tight game that went into overtime against Aldergrove. Both boys teams travelled to Walnut Grove mid-week where they competed hard and had some strong personal and team results but ended up on the losing end of the results. Our Grade 8 and Jr Girls were also in action this week with some hard fought games. Sr Boys played well against Langley Fundamental but saw LF go on a run mid game which they couldn't come back from. In more positive news our Sr Girls took on LSS this week and played an unbelievable game downing the Saints on their home court! There are only a few more weeks left in our season and all games are meaningful for playoffs. The grade 8 and Jr girls play on Tuesday at home vs Langley Christian. The Sr teams are also home that night in a back to back evening where they are hosting LCS as well. Our Gr. 8 and Jr boys travel to HDS and LSS in some important games. Our Sr teams round out the week hosting games against Abby Traditional on Thursday night.

Curling was in action last weekend as well in the mini-spiel. Congratulations to all athletes who took part in the tournament.

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about mental health. Please see below for helpful reminders to support your child.

### **Support Your Child's Mental Health**

Mental health is a key component of healthy child and youth development, and it has an impact on their relationships and their performance in school.

### **How Can Parents Support Positive Mental Health?**

Parents can help support positive mental health by forming strong and caring relationships with their children.

- Connect – talk and listen to their feelings and experiences.
- Be active together – take a walk and build physical activity into family time.
- Take notice – encourage and praise the positive behaviours and choices your children make.
- Keep learning – encourage your child to learn from both positive and negative experiences.
- Give – your time, your words, and your presence.

Sometimes, parents feel like they don't know what to say or how to interact with their youth. Learn more about **tips for how to talk to your child or teen about mental health.**

## POWER OUTAGES & SCHOOL CLOSURES

---

The Langley School District uses a notification system called SchoolMessenger to communicate information to families. If you **did not receive a text or email** message during our power outages, then please ensure you sign up for our schoolmessenger system. For more information about the system and how to opt-in to receive text messages, visit the District webpage [here](#).

With storm season upon us, the District is reminding families about procedures during emergencies such as power outages. The District will post important information on school and District websites as well as on social media channels. The District may also send special instructions in emails and text messages (for those that opt-in) via SchoolMessenger. In the event of power outages, schools have an emergency phone line operational. Please avoid calling the school unless it is an emergency as this ties up the phone line.

As per the District's procedures, schools in the District may be closed to students by the Superintendent for weather related emergencies such as power outages or other causes related to health and safety. The decision to close a school due to a power outage is based on many considerations including expected power restoration time, operational emergency lighting, access to water and washrooms, among other factors. As always, it is a parent's decision whether to send their child to school (or keep their child at school) based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school. For more information on school status information, read [here](#).

The District thanks students, families and staff for their cooperation during recent power outages impacting schools.

## SCHOOL STATUS DURING INCLEMENT WEATHER

---

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or [www.sd35.bc.ca](http://www.sd35.bc.ca). Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at [www.facebook.com/langleyschooldistrict](http://www.facebook.com/langleyschooldistrict). If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates. Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

---

## DROP-OFF & PICK-UP

---

The front entrance of the school parking lot is very busy during drop-off and pick-up times as we have many students who are bussed to school. Please do not drop off or pick-up your children directly out front of the school between **8:00-9am or 1:00-3:30pm** as it causes challenges when busses arrive to unload or pick-up. We appreciate your cooperation in minimizing the traffic at the front of our school.

---

## ILLNESS/ABSENCE

---

It is always best to keep sick children home from school. If a student is away for an extended amount of time, please contact their teachers to arrange for work that they can complete at home or on TEAMS.

The school uses an automated absence reporting system called SafeArrival, offered through SchoolMessenger. With SafeArrival, you are asked to report your child's absence in advance using any of these three convenient methods:

1. SchoolMessenger App
2. SafeArrival

3. Toll-Free Phone Number - 1-833-294-4837

For information on how to use these methods for reporting your child's absence click [here](#)

## PREVIOUS INFORMATION & REMINDERS

### COMMUNICATING WITH YOUR SCHOOL

Schools and families continue to work together to ensure success for students. As an additional reference, review this one-page resource [here](#).

### EMERGENCY PROCEDURES & RESPONSE

Health and safety are a priority in the Langley School District. Schools follow emergency procedures to ensure students, staff, and any visitors in our schools or sites are safe when unexpected incidents or events happen. At the start of every school year, administrators,

teachers, and staff review these emergency procedures. Schools practice a set number of drills annually in preparation for unexpected situations. The District encourages families to become familiar with these staff emergency procedures and the drills that are completed in schools. You can read them in the Staff Emergency Procedures Poster [here](#) or find them posted in areas throughout District buildings. If you have questions or concerns about emergency procedures, please contact your child's teacher or principal.

### STUDENT SAFETY IN SCHOOLS

The Langley School District is committed to fostering safe and caring schools that promote mutual respect, cooperation, and social responsibility, and support optimal learning. Trauma Informed Practices and Procedures promote the creation and maintenance of safe, inclusive, equitable, welcoming, and nurturing school environments. The District expects all students to follow the Student Code of Conduct [AP 350](#).

The District is sharing a reminder that no one can have **"any weapon for any purpose"** on school property. This means that weapons are not allowed to be used as part of an educational project, drama production, or themed costume. Examples of weapons include but are not limited to knives, brass knuckles, swords, decommissioned firearms, replicas, air soft guns, bb guns, and toy guns. The possession or use of fireworks, firecrackers, explosives, or similar devices or objects is also prohibited on school property. Failure to follow these expectations may result in confiscation, intervention, and consequences.

### FAIR NOTICE RESOURCE FOR FAMILIES/STUDENTS

**JANUARY 20, 2025**

**ISSUE #8**

### NEW TECHNOLOGY GUIDELINES: PERSONAL DIGITAL DEVICES

---

Electronic devices can be distracting to student learning. There is a significant body of research showing that increased technology use is linked to problems with mental health, focus and the development of relationships and academic skills.

The Langley School District recognizes the importance of establishing clear guidelines to ensure that personal digital devices are used in a way that supports educational goals and maintains a safe and respectful learning environment.

During hours of instruction, personal electronic devices must be turned off and stored away in backpacks or lockers, unless otherwise instructed by school staff for educational purposes. This includes during study blocks, tutorial and any school sponsored activity such as an assembly or talk by a guest speaker.

To read the new guidelines as set out by the Langley School District click [here](#).

## SCHOOL FEES

Every year, there are fees payable to the school for different items, including student fees, grad fees, donation items, any athletics related items, workbooks, etc. The Langley School District uses an online system to collect these fees as it is user friendly and saves students from having to carry cash. Please go online at <https://schoolcashionline.com/> to register your child(ren). You will get an email notification any time a new “item” is available for purchase and the first item you will see are the student fees for the coming year. Please email Mrs. Brake at [sbrake@sd35.bc.ca](mailto:sbrake@sd35.bc.ca) if you have any questions regarding school cash online or school fees.
