

Early Childhood Education Program

Program Guide

Territory Acknowledgement

Territory Acknowledgement

Located approximately 45 kilometres southeast of Vancouver, BC, Langley School District provides services to the Matsqui, Kwantlen, Katzie, Semiahmoo First Nations, the City of Langley, and the Township of Langley. The District is honoured to operate on the unceded traditional territories of the Matsqui, Kwantlen, Katzie, and Semiahmoo First Nations.

The University of the Fraser Valley is situated in the traditional territory of the Stó:lō peoples. The Stó:lō have an intrinsic relationship with what they refer to as S'olh Temexw (Our Sacred Land); therefore, we express our gratitude and respect for the honour of living and working in this territory.

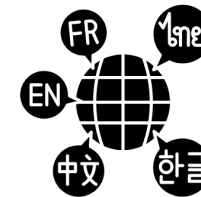

Welcome

Welcome

Are you passionate about shaping future generations by nurturing young minds? Our Early Childhood Education (ECE) Dual Credit Program offers a unique opportunity for high school students to jumpstart their careers in early childhood education while earning both high school and post-secondary credits. The program, in partnership with University of the Fraser Valley (UFV), allows students to complete FOUR courses towards their Early Childhood Education Certificate. Students earn these post-secondary credits while also receiving credits towards high school graduation.

If you would like to receive this information in another language, please visit our website at careered.sd35.bc.ca and go to the Early Childhood Education page. Click on "translate" at the top right corner of your screen and select your preferred language.

Early Childhood Education

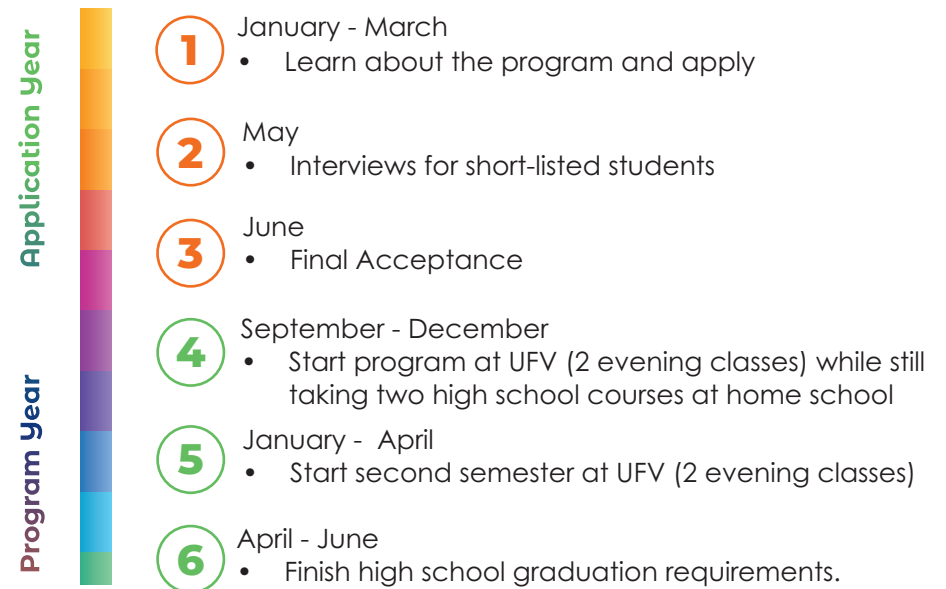

Why This Program?

- **Patience and Compassion:** Use your empathy to provide a nurturing environment for young children.
- **Creativity:** Apply your imagination to engage children in learning and play.
- **Organizational Skills:** Enhance your ability to manage classroom activities and maintain a structured environment.
- **Enthusiasm and Energy:** Bring a positive and energetic attitude to your work, making learning fun.
- **Make a Difference:** Play a crucial role in the early stages of children's lives, helping to shape their futures and make a lasting impact.

Develop Professional Skills

- Create a nurturing environment for young children through play and a connection with nature.
- Establish respectful, responsive and culturally appropriate indoor and outdoor environments that inspire curiosity and wonder.
- Guide and nurture the social, emotional and physical development of children.
- Learn to adjust your teaching methods to suit different learning styles and needs.

Roadmap

INTERACTIVE, COLLABORATIVE AND EXPERIENTIAL

We connect complex ideas to relevant situations. I love how we dive deep into concepts.

ECE Student 2024

Program Prerequisites

Dual Credit programs are only offered to registered SD35 students. At the time of application, students must:

- Be registered in the Langley School District
- Be 18 or younger on June 30 of application year
- Have not graduated from high school before starting the program
- Be on track to graduate

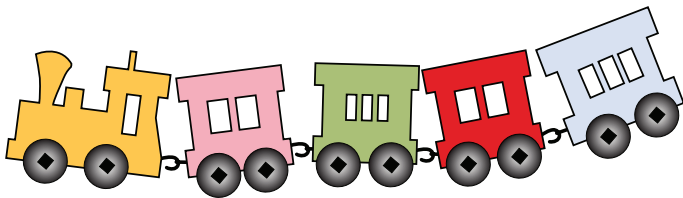

Prerequisites

Have completed before the start of the program:

- Grade 11
- English 11

Recommended:

- C+ or higher in English 10 and Math 10
- Experience working with children

Tuition, Program Fees and Credentials Earned

Tuition and Program Fees

- Tuition is paid by the Langley School District (value of approximately \$2500)
- Student pays approximately \$500 for textbooks and supplies (kept by the student after the program)
- Partial bursary available for students requiring financial assistance

Credits and Courses

- Credit for 4 post-secondary courses (12 credits)
- Credit for 4 high school courses (16 credits)
- ECE 100: Recognize the major theories of human development, cognitive and social-emotional development from conception through the age of five.
- ECE 103: Implement recording techniques for observing the children's social, play, language, motor, and cognitive development.
- ECE 101: Identify the historical and philosophical influences that have contributed to shaping the current practice of ECE.
- CMNS 125: Develop your ability to effectively communicate with children, parents, and colleagues. The emphasis is on the communication process, and on direct, indirect, and persuasive messages and presentations. This course is transferable to other programs.

SD35CareerEd
