January Health Messaging – Fraser Health

As part of its health promotion for students and families, our community partner Fraser Health is sharing important information on various topics. The theme for January is Child and Youth Mental Health. Please share the following information below in your next newsletter or communication to families. This information has been shared on the District's social media channels.

Child and Youth Mental Health (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about Child and Youth Mental Health. Please see below for helpful reminders to support your child.

Support Your Child's Mental Health

Positive mental health allows us to enjoy our lives and can help children and youth weather the normal ups and downs of life. It plays a critical role in the healthy development of children and youth, supporting their ability to build healthy relationships and succeed in school.

How Can Parents Support Positive Mental Health?

Parents can foster positive mental health through strong and caring relationships with their children.

- Self-care – focus on doing something for yourself, even if just for a few minutes.
- Build routines – consistent schedules, such as meal, sleep and play times help children feel safe.
- Connect – talk and listen to their feelings and experiences.
- Be active together – take a walk and build physical activity into family time.
- Take notice – encourage and praise the positive behaviours and choices your children make.
- Keep learning – encourage your child to learn from both positive and negative experiences.
- Be present, not perfect – give your time, your encouragement and your presence.

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.
