Walnut Grove Family of Schools Track Meet!

What a way to begin the month of June as our student athletes from Gordon Greenwood Elementary School represented our community at the Walnut Grove Family of Schools Track and Field Meet. The weather was amazing and the students ran, jump and threw there all during their events. It was a day of great sportsmanship and outstanding achievement as students cheered each other on. Our students competed graciously but also demonstrated the bigger picture of the Walnut Grove Family of Schools as one day they will be Walnut Grove Gators together. We are so proud of how our students represented our G.E.C.K.O. values of Greater Leadership, Empathy, Consistent Effort, Kindness to

Others and Outstanding Achievement. A big thank you to our staff for preparing our students as well as the support from our parent community for providing rides and adjusting on the fly with the addition of the buses that were provided by the district. Way to Geckoing Geckos!

Spring Family Fun Night!

Thank you to our GGE PAC and our Spring Family Fun Night Committee for setting up a wonderful Friday for our community to enjoy time together. The beginning of the day started with some rain and clouds, but the sunshine came out just in time. What an amazing day of family entertainment and welcoming new families to our school community. This was a day that truly demonstrated our G.E.C.K.O. values of what it means to be a part of the Gordon Greenwood Elementary Community! A great jump start as we Geckoing into the month of June together.

Personal Digital Devices in School

This is a friendly reminder for all students and families around the use of personal devices in school. Student devices (e.g. cellphones, and smartwatches) will be collected by the classroom teacher and placed in safe keeping in the classroom upon school entry, and it is not to be used until the bell at the end of the day. Electronic devices will not be used during recess and lunch unless otherwise permitted by their teacher.

Electronic devices are to only be used with permission by the teacher and under teacher supervision during the school day. These guidelines are in alignment with the District and Province with the intention of ensuring a healthy, safe, and positive learning environment for our students. It is important to have conversations with your child about when it is okay to use personal electronic devices at school and at home and how to use them safely. For more information about these guidelines please reach out to me at the school or read more [here](#).

Lost & Found

As the weather warms during the day, we are finding many sweaters and coats outside after play time. Please check the lost & found to claim your items before the end of the school year.

Cutlery

Please remember to send a spoon or fork if your child needs one for their lunch or snack. We no longer have them at the office.

Vancouver Football Club and partners hosting FIFA Watch Parties

Our community partner Vancouver Football Club is inviting the Langley community to take part in upcoming FIFA watch parties hosted by the Township of Langley in the Stadium at the Langley Events Centre. There is no cost to attend these events.

Please see the attached flyer for details. All attendees at the watch party on June 12th will receive a free ticket to VFC's June 14th match; and an additional message from VFC: [Any Students or Faculty unable to join us June 12 may request their complimentary ticket HERE.](#)

Summer Session Registration:

Summer Learning registration for elementary, middle, and high school remains open to all applicants. Registrations in available classes are processed in the order received ("first-come, first-served basis). If families have not yet registered, please use the following link to register online:

<https://sd35summer.registerbc.ca>

*Registration closes on the following dates for all applicants:
Elementary/Middle: Wednesday, June 3rd
Secondary: Wednesday, June 17th*

This Month in the Arts - June

Even though June marks the final stretch of the school year, the arts scene is still buzzing with energy in our Langley Secondary Schools. June features music concerts and festivals that celebrate a full year of creativity right to the very end!

[This Month in the Arts June 2026.pdf](#)

Summer Health Information (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about summer health for school-aged children and youth. Please see below for helpful reminders to support your child.

Keeping Kids Healthy and Safe this Summer – Tips for Parents

Summer is a time for fun and relaxation. Below are some tips to help your kids stay active, healthy and safe during the summer months.

Sun Protection

Help avoid sunburns by applying a sunscreen with Sun Protection Factor (SPF) 30 or more at least 20 minutes before heading outside. Avoid the hot sun between 11 a.m. and 4 p.m. if you can. Seek places with lots of shade, such as parks with big trees. Take an umbrella to the beach and cover up with sunglasses that protect against UV rays, a wide brimmed hat, long sleeves and loose-fitting long pants.

Heat and Smoke Preparedness

With increased likelihood of hot temperatures, remember to keep children cool inside and outside. Watch the media for heat and smoke events. The [WeatherCAN](#) app can help.

Sustained indoor temperatures over 31°C can be unsafe. If there is no source of cool air, don't rely on fans alone during very hot weather. Relocate to a cool, shady outdoor space, or head to a library, mall or [community cooling centre](#). Make sure you and your family know the signs and symptoms of heat illness and how to get help. Learn more on the [Sun and heat safety](#) page.

Summer can also bring smoke from wildfires. Learn about the health impacts of smoke and change outdoor plans if needed. Find out how to be ready for smoke and know about the air quality in your community at Fraser Health's [Wildfire smoke](#) page and in this [postcard](#).

Eat Well, Stay Active and Hydrate

Encourage your children to drink water regularly. Build the habit of always carrying a water bottle with them wherever they go.

Healthy, active outdoor play is one of the best ways to improve physical and mental health. If your children are involved in sports, learn about heat

precautions that can be taken during practice. If your children love the water check out these tips on water safety.

Local farmers' markets and u-pick farms are fun outdoor activities where you can enjoy seasonal produce. Did you know that over half of the blueberries harvested in B.C. are sold frozen in your local grocery store? Enjoy these nutrient-dense berries as fresh or frozen, with yogurts and in smoothies.

Find more summer health tips in Fraser Health's Healthy summer guide.

LOWER FRASER VALLEY ABORIGINAL SOCIETY

National Indigenous Peoples Day

Join us from 11am to 3pm as we celebrate Indigenous culture and heritage. Enjoy BBQ and bannock, browse Indigenous vendors, and take in vibrant cultural performances and activities for all ages

Help Shape Next Year at GGE

 **GGE PAC** helps support hot lunch, family events, fundraising and other extras that benefit our school community — and we need parents to help keep it going next year!

Why it Matters

- ✔ Supports hot lunch 
- ✔ Brings families together 
- ✔ Funds school initiatives 
- ✔ Provides extras that enrich school life 

EXECUTIVE POSITIONS

President: Helps guide the PAC, lead meetings and support school initiatives.

Vice-President: Supports the PAC team and assists with events and activities.

Treasurer: Manages PAC finances, budgeting and fundraising records.

Secretary: Takes meeting notes and keeps records and communications organized.

DPAC Representative: Attends district PAC meetings and updates our PAC.

Questions or interested in learning more?
Email us at ggepac@hotmail.com

ADDITIONAL PAC ROLES

Hot Lunch Coordinator: Runs hot lunch and treat days, coordinates vendors and ordering.

Event Planner: Helps organize PAC events like the Welcome Back BBQ and Spring Fun Fair.

Social Media Coordinator: Manages social media, graphics and PAC communications.

your empty beverage containers to us
and help us make a difference!

Thank you for your support!

Support Our School by Donating Your Empties

Did you know you can support our PAC simply by recycling your empty beverage containers? Through the **Return-It App**, you can donate your bottle refund directly to Gordon Greenwood Elementary PAC — it's quick, easy, and makes a real difference for our school.

How it works:

1. Download the **Return-It App** (available on iOS and Android) or visit <https://app.return-it.ca>
2. Log in or create a free Return-It account
3. Donate to our PAC using this link:
<https://app.return-it.ca/gordongreenwoodelementarypac>
4. Choose a **one-time donation** or set up **auto-donations**
5. Return your empty beverage containers at any Return-It Express location

Every container counts, and all funds raised go directly toward supporting PAC initiatives and activities for our students.

Thank you for helping our school community — we truly appreciate your support!

OH, HAPPY DAY! YOUR
GGE PAC IS ONLINE!

STAY UP TO DATE!
