<i>Date</i>	<i>Upcoming Events</i>
Mar. 11	Jump Rope For Heart
Mar. 13	PAC Treat Day - Donuts
Mar. 13	Last Day Prior to Spring Break
Mar. 30	School Re-Opens After Spring Break

Just a reminder that for the last time in BC, we will be springing forward from 2:00 to 3:00am on Sunday, March 8th. We may lose an hour of sleep, but we will be an hour closer to Spring Break.

Introducing Jump Rope for Heart:

Monday, March 9 we will kick off Jump Rope for Heart! Please see the postcard that will be sent home with your child for more details.

This event teaches our students the importance of giving back and encourages them to learn the EASY healthy habits, so they understand the importance of staying active, eating well, and taking care of their heart and brain health.

The funds our school raises will help support important heart and brain research funded by Heart & Stroke. Let's work together as a school community and show how generous we can be! Our Event Date is scheduled for **Wednesday, March 11**. Register online today <https://jumpropeforheart.crowdchange.ca/114526> .

Learning Resources in Schools

The Ministry of Education and Child Care is responsible for setting direction around the use of Learning Resources by educators in classrooms and school Learning Commons. In BC, the Ministry of Education and Child Care has determined that local boards of education have responsibility for determining how learning resources are chosen for use in schools. All boards and school districts must have policies and procedures for choosing learning resources. This directive is set out in the Ministry of Education and Child Care's Learning Resources Policy which can be found at the link below:

<https://www2.gov.bc.ca/gov/content/education-training/k-12/administration/legislation-policy/public-schools/learning-resources>

In Langley, there are two Administrative Procedures that guide the selection and use of Learning Resources in Langley schools. Both procedures can be found on the school district website and are being shared with parents at the links below:

Administrative Procedure 251 – Learning Resources

https://media.sd35.bc.ca/media/Default/medialib/ap_251_learning_resources.393d258361.pdf

Administrative Procedure 252 – Selection Procedure for Library Learning Commons Resources

https://media.sd35.bc.ca/media/Default/medialib/ap_252_selection-procedure-for-library-learning-commons-resources.5ac4588360.pdf

If parents/caregivers have questions or concerns about the resources available in their child's school or the local procedures regarding the review, evaluation, approval, and selection of learning resources, they should reach out first to their child's teacher or school principal. Most questions and concerns can be addressed productively through conversation with educators at the school level.

Fraser Valley Regional Library (FVRL) Reading Advisor

FVRL Reading Advisor is a free resource for everyone living or studying in communities served by FVRL, including Langley. The Reading Advisor service offers personalized book recommendations for readers of all ages, making it an excellent support for students and staff across the Langley School District. All that is required is to fill out a short form about your reading interests, and trained library staff respond with a customized reading list based on genre, themes, age level, and preferred formats (print, eBook, audiobook, graphic novel, etc.) This is ideal for boosting reading engagement, supporting diverse learning needs, and possibly helping teachers quickly discover high-quality texts for classroom use. This free community resource extends the capacity of school libraries and connects learners with a broader range of inclusive and accessible materials and would be a great resource to share with students and other staff to help them find some new great reads for over spring break. Happy Reading!

Cutlery

Please remember to send a spoon or fork if your child needs one for their lunch or snack. We no longer have them at the office.

Wet & Rainy Weather:

As the weather is changing, please ensure your child has proper footwear and clothing in case of rain/cooler weather. If possible, a change of clothing including socks and gym runners should be stored at school or in your child's backpack in case of mud puddle encounters.

U-Connect

U-Connect offers programming at the elementary, middle and secondary level. For elementary and middle years (K-8), U-Connect offers multi-grade classes with a focus on small classes and a collaborative approach to learning between school and home. The secondary program is for students in grades 9 to 12. Students in the secondary program have the option of the blended pathway program and blended mornings. U-Connect also offers online-only courses for Langley students in grades 10-12. The school will be hosting Information Sessions this spring; please see the attached for more information.

March Health Messaging – Fraser Health

As part of its health promotion for students and families, our community partner Fraser Health is sharing important information on various topics. The theme for March is spring health. Please share the following information below in your next newsletter or communication to families. This information has been shared on the District's social media channels.

Spring Health Information (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about spring health for school-aged children and youth. Please see below for helpful reminders to support your child.

Spring Health for Kids

The spring season is approaching which means warmer weather and more outdoor activities. It's also an opportunity to foster new healthy habits for our children. Here are five practical tips for school-aged kids to make the most of this season.

Get Active

Warmer weather makes spring the perfect time to get outside and play. Take a walk around your neighbourhood or head to a local park or hiking trail. You can also stay active close to home with jump rope or hopscotch in your neighbourhood.

Think Fresh

Springtime often brings up images of fresh fruits and vegetables. Now is a great time to teach children about where food comes from by helping them to start their own home garden. You don't need a large space to get started. Any bright space indoors or outdoors can be used to grow fresh food. For tips, check out this resource about [gardening with kids](#).

Be Sun Safe

Sunburns are possible, even in spring. Use a sunscreen that has Sun Protection Factor (SPF) 30 or more. When possible, schedule outdoor activities in the morning or late afternoon and early evening. If you and your children are out in the sun during mid-day hours, wear long sleeves, loose-fitting long pants and a hat.

Be Prepared for Extreme Weather

Spring weather can be very unpredictable and can bring heavy rains or heat. Make sure you and your family are ready for possible [flooding](#), heat and [indoor air quality](#) issues.

Plan for summer heat by preparing your home early. Find tips on [Window safety for children](#) as well as information and resources, including programs to help, at Fraser Health's [Before a heat event](#) page.

Practice Road Safety

Biking is a great way to exercise and spend quality time with your family. Remember to keep safety top of mind. Protect their heads with a well-fitted helmet and teach them the rules of the road, such as the hand signals for stop, right and left-hand turns. Check out our Fraser Health's [Bike safety for children](#) page.

For tips on all of this and more, check out Fraser Health's [Spring health guide](#).

and help us make a difference!**

Thank you for your support!

Support Our School by Donating Your Empties

Did you know you can support our PAC simply by recycling your empty beverage containers? Through the **Return-It App**, you can donate your bottle refund directly to Gordon Greenwood Elementary PAC — it's quick, easy, and makes a real difference for our school.

How it works:

1. Download the **Return-It App** (available on iOS and Android) or visit <https://app.return-it.ca>
2. Log in or create a free Return-It account
3. Donate to our PAC using this link:
<https://app.return-it.ca/gordongreenwoodelementarypac>
4. Choose a **one-time donation** or set up **auto-donations**
5. Return your empty beverage containers at any Return-It Express location

Every container counts, and all funds raised go directly toward supporting PAC initiatives and activities for our students.

Thank you for helping our school community — we truly appreciate your support!
