Reading Buddies Program

Reading Buddies is an initiative that pairs different grade-level students for community reading time, outside of school hours. A Grade 10, 11 or 12 student buddies up with a Grade 2, 3 or 4 student to practice reading. The program will begin in February 2026 and take place in libraries across Langley. Registration for the program will open December 1st at <https://langleyliteracynetwork.com/reading-buddies/>. Please note that applying for the program does not guarantee a spot in the program. The number of Little Buddies served depends on the number of Big Buddies that sign up.

December Health Messaging – Fraser Health

Winter Health (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about Winter Health. Please see below for helpful reminders to support your child.

Keep Your Child Healthy During Winter

As the chilly winter season approaches, there are things you can do to help keep your children healthy and well.

Get Ready For Winter At Home And In The Community

Winter can bring extreme weather and it's important to have plans to be safe during cold weather, storms and power outages, including staying warm, having a carbon monoxide detector and planning for emergencies. Learn about programs that can support your family:

- **[Get ready for winter: Snow and cold safety for you and your home - Fraser Health Authority](#)**
- **[Indoor air quality - Fraser Health Authority](#)**

Bundle Up For The Cold

Dressing appropriately for cold weather keeps your child comfortable and protected. Wearing multiple layers is a great way to trap body heat and provide insulation against the cold.

Keep a warm hat, gloves, scarves and warm, waterproof boots handy. Remind your child to wear these items before heading outside to play or going to school. Learn about **[hypothermia](#)** and **[frostbite](#)** as children can be more susceptible.

Protect Against Winter Illnesses

Winter brings an increased risk of colds and flu. Ensure your child receives their annual flu vaccine and talk to a health care provider about any additional vaccines that may be recommended. Teach your child good respiratory etiquette such as regular hand washing, covering their coughs and sneezes and staying home when sick. If they are sick and cannot stay away from others, masks can help to reduce the risk of spreading illness. Learn more about masks **[here](#)**.

Keep Their Bodies Moving

It is important to keep your child active during winter as regular physical activity is important for good health. Outdoor activities such as skating, sledding and going for walks as a family are all great ways to keep active. On colder days, indoor play and activities such as dancing, yoga or sports are great ways to promote movement. Look for drop-in programs at local community centres or indoor sports facilities.

If you play on frozen lakes or ponds, be sure that the ice has been tested for strength and safety. Learn more on the [***Lifesaving Society's website***](#).

Find more tips for a healthy winter on Fraser Health's [***Winter Health***](#) page.

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.
