Remembrance Day:

Today, our students took time to gather to remember and honour our soldiers from past and present, to pay respect to the sacrifices they have made and continue to make. We also reflected upon the sacrifices made by Indigenous veterans. In our Remembrance Day Assembly students entered the gym with photos of family members in our community that have served and/or continued to serve. We hope that our families find peace and rest over this upcoming weekend as we cannot take for granted the relationships that we have within our community and within our families.

Giants Tickets

Enter to Win 4 Tickets to a Vancouver Giants Hockey Game!

We have been gifted 4 tickets to each of the Vancouver Giant Hockey home games at Langley Events Center all season long! 1 entry per **student per month**, please select dates you are available to attend for November [HERE](#). Please Enter for December dates [HERE](#). Names will be drawn 1 week prior to the game and will be sent home with your student. You will be notified via email if your student wins.

Good luck!

Message to Families- Remembrance Day Legion's Poppy Campaign:

It is a long-standing tradition for schools to support our veterans and the efforts of the [Royal Canadian Legion](#). Once again this year, our school will be receiving a poppy for every student and distributing them to classes. We will continue to collect funds this year in support of the Legion's Poppy Campaign but kindly ask students and their families to donate online via School Cash Online:

<https://sd35.schoolcashonline.com/>

Please do not send cash or cheques with your child to school. If you need assistance accessing School Cash Online, please contact the school office.

We appreciate your generosity. As always, our school is committed to educating our community about the meaning of the poppy and Remembrance Day.

Cutlery

Please remember to send a spoon or fork if your child needs one for their lunch or snack. We have a very limited emergency supply in the office.

Wet & Rainy Weather:

As the weather is changing, please ensure your child has proper footwear and clothing in case of rain/cooler weather. If possible, a change of clothing including socks and gym runners should be stored at school or in your child's backpack in case of mud puddle encounters.

STUDENT INCLUSIVE CONFERENCES IN LANGLEY SCHOOLS

PARENT-GUARDIAN RESOURCE
NOVEMBER 2024

What is the Family's Role?

You play a key part in your child's learning and your active participation and engagement during the conference is appreciated.

Please sign-up online for a conference timeslot within the 1-2 week window. There will be a variety of conference times available to choose from including: before school, during school, after school, and in the evening.

Take time to consider your thoughts around the Family Reflection Sheet. This will be sent home in the days prior to your conference.

During the conference, you will have the opportunity to listen to your child, ask questions, and collaborate on setting new learning goals.

Thank you for your participation and support.

Why are things Changing?

Our BC Curriculum has been redesigned to reflect how, and what, students should learn in the 21st century.

We are designing a way to communicate student learning that is focused on a meaningful, strength-based and student-inclusive process.

We know that student success increases when families have a clear understanding of their child's learning and students are at the centre of the communications process.

We want students to consider their learning and be able to answer:

- Where am I now?
- Where am I going?
- How do I get there?

Working together to support dialogue around a student's learning progress.

STUDENT INCLUSIVE CONFERENCES IN LANGLEY SCHOOLS

NOVEMBER 2024

Student-Inclusive Conference (Student, Family, Teacher)

- Families will meet with their child and the teacher to discuss student learning.
- Conferences will vary in style, but all will share key components:
 - Duration of about 20-25 minutes;
 - Students will share Evidence of Learning (items that reflect progress);
 - Families will reflect on the growth they have noticed in their child's learning;
 - Teachers will reflect on the student's strengths and next steps;
 - Collaboratively, everyone will set the student's next learning goals;
 - The learning, growth, strengths and next steps discussed in the conference will lead to the development of the Communicating Student Learning Progress Report.

Communicating Student Learning (CSL) Progress Report

- Replaces the former 'report card'.
- Is a working document completed collaboratively during the conference.
- The CSL Progress Report may not include every subject area, but all learning will be discussed at the conference.
- After the conference, the CSL Progress Report will be shared online through the Parent Portal of MyEDBC.
- The CSL Progress Report uses a Proficiency Scale which replaces traditional letter grades.

Discussing areas of strength, growth and goals...

Proficiency Scale:			
Emerging	Developing	Proficient	Extending
The student demonstrates an initial understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a partial understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a complete understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a sophisticated understanding of the concepts and competencies relevant to the expected learning.
"I don't get it yet, but I am trying."	"I'm starting to get it."	"I get it."	"I really get it and can teach others how to do it."

Dental, Hearing, and Vision Health (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about Dental, Hearing, and Vision Health. Please see below for helpful reminders to support your child.

Make Dental, Hearing and Vision Checks Part of a Healthy Routine

It's important for your child to have regular eye exams and routine dental checkups. This can help find issues early and lead to better outcomes. It is also important to recognize any hearing loss early as this is essential for speech and language development.

Dental

Tooth decay and other oral health concerns are the most common preventable chronic diseases in children. Establishing good oral hygiene habits early and ensuring regular dental checkups are essential for your child's oral health.

To find a local dentist who is accepting new patients, visit the BC Dental Association's [**Find a Dentist database**](#).

If your family is experiencing financial challenges and doesn't have extended health coverage, there are [**programs**](#) available to help make dental care more accessible. You can also reach out to the dental program at your local public health unit at [**Dental Care - Fraser Health**](#) to learn about community resources and support.

Vision

[**BC Doctors of Optometry**](#) (BCDO) recommends children receive their first eye exam when they are six to nine months old, with a follow up exam at least once between the ages of two and five, and then yearly once they enter school. You can find an optometrist accepting new patients near you on [**BCDO's website**](#). In BC, one basic eye exam per year is free up to the age of 18. Some optometrists may charge a user fee of about \$35-50 per visit, so be sure to ask about any fees before you make an appointment. Find more information on BCDO's [**Children's Resources**](#) page.

Hearing

Good hearing is essential for speech and language development and plays an important part in a child's social and emotional growth. It is important to recognize hearing loss early and seek out testing and treatment if needed. Fraser Health's Public Health community audiologists provide free hearing services for children from birth to 19 years of age. If you have a concern about your child's hearing, referrals can be made by a parent or caregiver, a health care provider or education professional to your [**local public health audiology \(hearing\) clinic**](#).

Find more information on child health screenings and how to access free vision, hearing and dental exams on [**Fraser Health's website**](#).

Youth Clinics

Let your teen know about our youth clinics. Located throughout the Fraser Health region, these clinics offer free and confidential sexual health care to youth, with age eligibility varying by site and service. Learn more about the services available at youth clinics [**here**](#).

Important Privacy Reminder: Recording Devices in Schools

Guidance for Parents and Students

To protect the privacy and security of all students, staff, and visitors, the Langley School District reminds parents and students that digital recording devices—such as Meta Glasses and AngelSense Trackers—are not permitted at school. This policy is in place to ensure compliance with the BC Freedom of Information and Protection of Privacy Act (FIPPA) and the District's procedures for responsible information management.

Parent Code of Conduct

Our Parent/Guardian Code of Conduct expects every parent and guardian to respect the privacy of other students, parents, caregivers, and staff. Using devices that can discreetly record audio or video, like Meta Glasses or AngelSense Trackers, does not demonstrate respect for others' privacy.

Student Use of Recording Devices

According to Administrative Procedure 350 – Appendix A, students may only use recording devices at school for educational purposes, and only with approval from the principal. Devices such as Meta Glasses and AngelSense Trackers do not meet these requirements and should not be brought to school.

Thank You for Supporting Privacy In Our Schools

For the safety and privacy of our school community, please ensure your child does not bring any discreet recording devices to school. If you have questions, contact your school's office or the district Privacy Officer at privacy@sd35.bc.ca.

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.
