Nov. 10	Design & Assessment Day (students not in attendance)
Nov. 11	Remembrance Day (School Closed)

Gordon Greenwood School-Wide Pumpkin Patch

On Wednesday, October 22nd, our entire school held a school-wide pumpkin patch. Each pumpkin purchased also came with a recipe sheet that will teach the children how to make roasted pumpkin seeds. We hope that our families have some time to connect at home and enjoy the recipe. We would like to take this time to also thank Venechuk Farms and their Agri-Kids program for making this experience possible for our community.

Fall Informal Updates

Please check your child's backpack for the envelope containing their Fall Informal Update sent home yesterday!

Cutlery

Please remember to send a spoon or fork if your child needs one for their lunch or snack. We have a very limited emergency supply in the office.

Wet & Rainy Weather:

As the weather is changing, please ensure your child has proper footwear and clothing in case of rain/cooler weather. If possible, a change of clothing including socks and gym runners should be stored at school or in your child's backpack in case of puddle encounters.

Student Inclusive Conferences

Dear families,

You will be receiving a family reflection sheet for your child's student inclusive conference. Please check your child's agenda and backpack when they are sent out the week of November 10. This will help provide important information for our classroom teachers to include in the student inclusive conferences, which can be scheduled by school appointment online. The scheduling window will open November 7 and close November 21. The appointment window will be from November 17 until November 27. A booking link will be included in the newsletter on November 7.

- Wednesday November 26th is reserved for student inclusive conferences and students will not be in session other than during a scheduled appointment between you, your student and their teacher.
- Thursday November 27th is 2-hour early dismissal for student inclusive conferences.

Halloween Food Safety Reminder for Langley Parents

With Halloween just around the corner, the Langley School District encourages families to keep food safety top of mind as children enjoy seasonal treats and school festivities. Here are a few important tips to help ensure a safe and healthy celebration:

Inspect Treats Carefully

Before children dig into their candy haul, take time to discard anything that's unwrapped, damaged, or unfamiliar. Be especially cautious of homemade treats unless they come from trusted friends or family.

Be Allergy Aware

Many Halloween treats contain common allergens like peanuts, tree nuts, dairy, or gluten. If your child has allergies, consider sending safe snacks to school and reviewing labels together.

Hand

Hygiene

Matters

Remind children to wash their hands before and after eating—especially when handling shared treats or participating in classroom activities.

Thank you for helping us keep Halloween safe, fun, and inclusive for all Langley students. Wishing your family a spooky and sweet celebration!

Important Privacy Reminder: Recording Devices in Schools

Guidance for Parents and Students

To protect the privacy and security of all students, staff, and visitors, the Langley School District reminds parents and students that digital recording devices—such as Meta Glasses and AngelSense Trackers—are not permitted at school. This policy is in place to ensure compliance with the BC Freedom of Information and Protection of Privacy Act (FIPPA) and the District's procedures for responsible information management.

Parent Code of Conduct

Our Parent/Guardian Code of Conduct expects every parent and guardian to respect the privacy of other students, parents, caregivers, and staff. Using devices that can discreetly record audio or video, like Meta Glasses or AngelSense Trackers, does not demonstrate respect for others' privacy.

Student Use of Recording Devices

According to Administrative Procedure 350 – Appendix A, students may only use recording devices at school for educational purposes, and only with approval from the principal. Devices such as Meta Glasses and AngelSense Trackers do not meet these requirements and should not be brought to school.

Thank You for Supporting Privacy In Our Schools

For the safety and privacy of our school community, please ensure your child does not bring any discreet recording devices to school. If you have questions, contact your school's office or the district Privacy Officer at privacy@sd35.bc.ca.

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.
