“Creating a unified, engaging, CULTURE OF CARE for our students.”

Academics

HDSMS Student Athletes are expected to maintain their individual, highest academic standards.

- Your best effort must always be shown related to academics.
- Failing grades will disqualify a student from participation until they are achieving at their best, individual, potential.
- Grades will be shared between teachers, coaches, parents and students as required. If students continue to achieve below their potential it will result in dismissal from the team.
- If a player is dismissed from two school sports teams due to academic infractions within the same school year, they will be ineligible to participate on any other school sports teams for the remaining calendar year.

Behaviour

- Behavioural infractions will result in teachers and coaches collaborating to determine severity and appropriate consequences.
- Violence (fighting), bullying, and blatant disrespect to student(s), teacher(s) or other staff member(s) will NOT be tolerated and will result in game(s) being missed. If these behaviours persist the student will be dismissed from the team. Without reimbursement of team fees.
- If a player is dismissed from two school teams due to behavioural infractions within the same school year, they will be ineligible to participate on any other school sports teams for the remaining calendar year.

Game Day

- All athletes are required to dress in appropriate game day attire as directed by their coach.
- No profanity by athletes directed at any player, coach, official, or parent is permitted for any reason.
- All athletes are required to be on time.

Parents

- Parents/guardians are not permitted to interfere with any part of practice or games at any time, unless safety is a concern.
- Parents are encouraged to model good sportsmanship regarding HDSMS athletes and the athletes on the opposing team.
- Any profanity by a parent directed at a player, coach, or official will not be permitted. If this occurs, parent will be ejected from the facility.

Parent Drivers:

- Must complete *Volunteer Driver* applications, available through the office, and be approved by admin before they are eligible to transport students for any activities **except their own children**
