**HLI High School Student Week**

April 13 -17, 2026

Application submission deadline: **April 01, 2026 – 12:00 PM (PST)**

***Please send in your application to [events@hli.ubc.ca](mailto:events@hli.ubc.ca) OR fax the form to 604-806-8351 with "SPRING 2026 Application" in the subject line.***

The Centre for Heart Lung Innovation (HLI) is a world-class institution focused on developing solutions to cardiopulmonary diseases. We aim to inspire and connect with young individuals interested in experiencing life science research. Eight students will be selected to join our labs for a full week and will also be eligible to apply for the **2026 Peter D. Paré Science Scholarship**, which offers a summer internship opportunity at HLI.

A once-in-a-lifetime opportunity to gain firsthand experience into what working in a life science research lab is all about, including:

- light & confocal microscopy
- histology
- protein & DNA analysis
- careers in life science
