Teachers report- Mrs.Hannah

We are all making amazing strides in our recycling

Mrs. Murray and Mrs. Hannah are collecting soft plastic and taking it to the return it depot.

If we are able to send less plastic to school that will be greatly appreciated.

Administration report – Mr.Carlyle

Since we have been back from the new year we are all getting back on track from the break, with school spirit and a few behavioural assemblies.

Before the Christmas break our school was approved for the Action Plan for Learning Grant, here are some examples of what is to come,

- an out of school to come and do in house collaboration
- our teachers will be able to sit in on other classrooms to learn different teaching styles
- upgrade our guided reading books
- update our home reading books
- help with our Literacy circle
- with this we are able to get books and supplies for our own Literacy Night

Literacy Night

January 22nd 2019 from 6-7PM

This night is geared towards parents to get strategies to help our children at home with what they have learned at school and how to keep them progressing with their reading and comprehension. 35% of our students are under grade level for reading we would like to work as a team to increase this.

3 workshops will be held on this night

1 How to frame comprehension and questions (encourage our students/children to explain what they are reading)

2 Home reading workshop

3 Adrian Gear workshop – How to help kids connect to text, prediction and get a deeper understanding of what they are reading

Kwantlen nurses will be part of our Literacy night they will be talking about
Screen time
Nutrition
Activities

Our next Spirit Day is Thursday January 24th it will be Twin Day
