School Supplies:

As in previous years we are offering pre-packaged school supplies, prices are competitive and the supplies are customized to meet the needs of our school, teachers and students. Supplies will be individually packed and delivered to the school in time for September start up and placed in classrooms by teachers.

3 WAYS TO ORDER:

- 1. ONLINE:** Place your order online at: www.schoolstart.ca Our site is best compatible with Firefox or Chrome. *OUR CALL CENTRE IS AVAILABLE* if you have issues ordering online: 1-800-580-1868
- 2. PHONE:** You can call our customer service centre at 1-800-580-1868 to place your order.
- 3. ORDER FORM:** You can print and fill out the order form and return it to the School Start office via email to: info@schoolstart.ca

To ensure delivery at Coghlan for September the Order Deadline: is July 31, 2024.

Orders placed July 31st or later will be mailed to your home.

The teachers like this service because good quality supplies are standardized and each student will have the right items and quantity to start the school year and saves borrowing items from other students. Parents have indicated that this service eliminates the frustration of figuring out what exactly is needed as well as the gas, time and energy spent in shopping from store to store. This program also offers the flexibility of not having to order any items that may be serviceable from previous years, e.g. scissors, dictionary, math set etc. Please refer to "are also required" section of the order form. These items are required, but you may have them to re-use from previous years. Should you not wish to participate in ordering through School Start keep this list to take with you when you do your school supply shopping, supply lists for the 2023-2024 school year are also available on our school web site: Coghlan.sd35.bc.ca and the School Start website: schoolstart.ca

Thankful to be the Principal at Coghlan Fundamental Elementary School

This year student agendas, spelling dictionaries and student writing books will be provided free of charge compliments of the Ministry of Education and Childcare Affordability Fund. Students requiring these items in their classroom will automatically receive them from their teacher.

Found Student Clothing

Throughout the school year many clothing items including shoes, boots, umbrellas, water bottles, mitts and hats are put into the lost and found box and clothing rack by the gym door. PLEASE take the time to look for items that may belong to your child before school ends in June.

Student clothing not claimed when school ends will be donated to a charitable organization who sets up mini pop up shops in the areas of need prior to the start of school in September.

When the fall hits, every parent feels the tension around back to school shopping, and not all families have the resources and ability to do this. This organization aims to meet this need, and provide an opportunity for families and students to pick up items for the school year for FREE.

Keeping Kids Healthy and Safe this Summer – Tips for Parents

As summer approaches, excitement levels rise in anticipation for outdoor adventures, sports and family vacations. Summer is a time for fun and relaxation, but it's also a time to prioritize health and well-being. Below are some tips to help your kids stay active, healthy and safe during the summer months.

Sun Protection

Help avoid sunburns by applying a sunscreen lotion with Sun Protection Factor (SPF) 30 or more to your children (and yourself) at least 20 minutes before heading outside. Seek shade and stay out of the hot sun between 11am and 4pm. Look for places with lots of shade, such as parks with big trees. Take an umbrella or tent to the beach and cover up with a wide brimmed hat, long sleeves and loose-fitting long pants.

Breathe Easier

*BC wildfires and dry weather conditions are common during the summer months resulting in poorer air quality. **Reducing exposure to wildfire smoke** is the best way to protect your and your family's health. **Stay on top of air quality advisories.***

Hydration

Encourage your children to drink water regularly, before they become thirsty. Instill the habit of always carrying a water bottle with them wherever they go.

Physical Activity

Parents who join in on soccer games, splash in the pool or set out on hikes with their children on summer vacation – and all year long – not only get fit themselves but provide healthy role models for the next generation. Healthy, active outdoor play is one of the best ways to improve both adults' and children's overall physical and mental health.

Enjoy the Bounty of the Summer Produce

Summer is here, which means fresh fruits and vegetables are in season. This makes it an ideal time to eat some delicious locally grown foods. [Local farmers' markets](#) and [u-pick farms](#) are a fun way to enjoy farm fresh fruits and veggies while getting outside and supporting your local farmers.
