School Supplies:

As in previous years we are offering pre-packaged school supplies, prices are competitive and the supplies are customized to meet the needs of our school, teachers and students. Supplies will be individually packed and delivered to the school in time for September start up and placed in classrooms by teachers.

3 WAYS TO ORDER:

- 1. ONLINE:** Place your order online at: www.schoolstart.ca Our site is best compatible with Firefox or Chrome. *OUR CALL CENTRE IS AVAILABLE* if you have issues ordering online: 1-800-580-1868
- 2. PHONE:** You can call our customer service centre at 1-800-580-1868 to place your order.
- 3. ORDER FORM:** You can print and fill out the order form and return it to the School Start office via email to: info@schoolstart.ca

To ensure delivery at Coghlan for September the Order Deadline: is July 31, 2024.

Orders placed July 31st or later will be mailed to your home.

The teachers like this service because good quality supplies are standardized and each student will have the right items and quantity to start the school year and saves borrowing items from other students. Parents have

indicated that this service eliminates the frustration of figuring out what exactly is needed as well as the gas, time and energy spent in shopping from store to store. This program also offers the flexibility of not having to order any items that may be serviceable from previous years, e.g. scissors, dictionary, math set etc. Please refer to "are also required" section of the order form. These items are required, but you may have them to re-use from previous years. Should you not wish to participate in ordering through School Start keep this list to take with you when you do your school supply shopping, supply lists for the 2023-2024 school year are also available on our school web site: Coghlan.sd35.bc.ca and the School Start website: schoolstart.ca

This year student agendas, spelling dictionaries and student writing books will be provided free of charge compliments of the Ministry of Education and Childcare Affordability Fund. Students requiring these items in their classroom will automatically receive them from their teacher.

Found Student Clothing

Throughout the school year many clothing items including shoes, boots, umbrellas, water bottles, mitts and hats are put into the lost and found box and clothing rack by the gym door. PLEASE take the time to look for items that may belong to your child before school ends in June.

Student clothing not claimed when school ends will be donated to a charitable organization who sets up mini pop up shops in the areas of need prior to the start of school in September.

When the fall hits, every parent feels the tension around back to school shopping, and not all families have the resources and ability to do this. This organization aims to meet this need, and provide an opportunity for families and students to pick up items for the school year for FREE.

Howdy Coghlan Racoon Families,

I cannot believe that we are writing you all for the final time! Where has the 2023–2024 school year gone? We have connected with so many of you in the most heartwarming and impactful ways. Our lives have truly been better with all of in them. There is a team of 20 that all come together to make this work and every one of them appreciates you all and thanks every one of you for allowing us to be in your lives and in your communities. Thank you.

We will be at Coghlan on Tuesday June 11th , 2024.

This month, your children will be learning about Persian mini cucumbers and sweet mini red peppers. Did you know that mini cucumbers have only been around since the 1930's and they are a cross between 7 varieties of cucumbers? Also, did you know that if you ate a ton of mini sweet peppers, you could turn pink like a flamingo? They are very high in beta-carotene.

For all of those that heard we are giving ice cream and cookies to all of the students that cooked at home and brought one of their sheets back, we appreciate your help with encouraging your kids to get back in the kitchen. To anyone that didn't hear about it, this is your chance to help your young ones out so they get their treats. Please let me know if you have any questions.

Our next pick-up schedule is outlined below:

Before and after school on June 11th , 2024, we will be at Coghlan

(in the main parking lot) with our big white Sprinter van from 7:45am – 9:00am and 2:00pm – 4:00pm. If you cannot make it during these times, please check in at the office and let us know.

We are offering every parent 1 * 2lb bag of mini cucumbers and 1 * 8oz bag of mini sweet red peppers, per child, to take home at no charge. Both the mini cucumbers and the mini sweet red peppers were freshly grown by local BC farmers.

Please make sure to come and get your mini cucumbers and mini sweet red peppers. Your kids will have learned about them during the day, and we hope you can continue the excitement at home.

If you have any questions or concerns, please feel free to email info@venechukfarmsltd.com. Take

care, Farmer Blake

I have decided to put together a "produce box" that will be available over the summer months. This produce box will be delivered to your home, once per month, in July and August. I will guarantee the price will be at least 30% lower than grocery stores, using Superstore's regular price as a bench mark.
