

Langley Meadows Community School

Action Plan for Learning 2025-26

<https://www.sd35.bc.ca/langleymeadows>

SCHOOL VISION/MISSION:

To work together to create an inclusive community that supports meeting each of our needs to that we can achieve our highest potential.

SCHOOL GOALS:

Intellectual Development

All students, with support from their families and staff, will meet or exceed expectations in literacy (reading and writing) and numeracy, or achieve their goals according to their Individual Education Plan (IEP) or Annual Improvement Plan (AIP).

Human And Social

Development

Through calm, inclusive classrooms and shared self-regulation strategies, students will strengthen their well-being and sense of belonging. Collaborative efforts with families will help nurture the social-emotional skills essential for lifelong learning.

Career Development

Students will explore and celebrate their unique identities, strengths, and interests. With guidance from both school and home, they will build confidence and self-awareness—laying the foundation for meaningful learning and future growth.

RESOURCES TO SUPPORT OUR WORK:

KEY RESOURCES & ANCHOR DOCUMENTS

- Langley School District Enhancement Plan
- Langley School District Strategic Plan 2023–2026
- BC Curricular and Core Competencies
- Framework for Teaching and Learning
- Student Learning Survey Results
- Haggerty Literacy Resources
- Complex Trauma Resources
- UFLI (University of Florida Literacy Institute)
- Words Their Way
- Secret Stories
- Zones of Regulation
- Math Up

UNIFIED ACTIONS:

- Embed social-emotional learning practices across all grade levels.
- Increase teacher efficacy through the provision of weekly collaboration time
- Strengthen literacy instruction through targeted small-group interventions. (RTI)
- Foster identity-affirming classroom environments and activities.
- Increase opportunities for student voice and leadership.
- Partner and communicate with families to support holistic development, including collaborating with R. E. Mountain Leadership students.
- Implement the features of universal design for learning to ensure student access and choice in engagement, representation and expression.
- Use data to monitor progress and inform responsive teaching practices.

Langley Meadows School

Langley Meadows is a growing school in Langley Township, known for its diverse community, dedicated staff, strong family ties and community partnerships, all of which support student learning, connection and a sense of belonging.
