

LANGLEY FINE ARTS BULLETIN – JUNE 5TH, 2026 EDITION

Dear LFAS Families,

June is off to a wonderful start at Langley Fine Arts School! We are proud to celebrate several recent highlights that showcase the talent, dedication, and community spirit of our students and staff.

Congratulations to the staff and students behind the Grade 4/5 production - it was truly spectacular! The creativity, hard-work, and excellence on display made for unforgettable performances.

Our Grade 7 Camp was a huge success! The entire group returned safely today, full of stories and memories from their shared adventure. A heartfelt thank you goes out to the staff and parent volunteers who made this incredible experience possible through their planning, care, and support.

Today was also Culture Day! It was so exciting to see our students share and celebrate the stories, music, and food that are a part of their heritage!

We were also delighted by the recent Music Concert at Christ Church Cathedral. It was an absolutely beautiful evening, showcasing our talented musicians in a stunning acoustic and aesthetic setting. Special thanks to our music teachers for their inspiration, direction, and thoughtful organization in bringing this event to life.

We began National Indigenous History Month in a meaningful way by honouring award recipients who were unable to attend the Aboriginal Achievement Awards. It was a lovely and respectful ceremony, and we extend our gratitude to Ms. Helps for her planning and organization. Throughout June, our school will engage in lessons, events, and celebrations that recognize and educate about the histories, cultures, and contributions of First Nations, Inuit, and Métis peoples. These opportunities allow us to deepen our understanding of the rich traditions and lived experiences of Indigenous communities - past and present - while acknowledging the ongoing impacts of colonialism, including the legacy of residential schools.

June is also Pride Month, and we are excited to celebrate connection, diversity, and inclusion across our school community. Thank you to Ms. Sachar and the GSA Club for leading and supporting meaningful activities that highlight these important values. We encourage everyone to explore the celebrations and events featured in this newsletter.

It has already been a vibrant and inspiring start to the month, and we look forward to all that's still to come!

Have a great weekend!

FROM THE CAREERS DEPARTMENT

Career News:

The Grade 10 students officially completed their mock interviews. Earlier in the month of May we had a number of volunteers come out to support these interviews. Students prepared a resume and a cover letter for a job they hoped to apply for. A huge thank you to the parents who came out and the staff who stepped in the last minute as well as Mrs. Bauer for prepping them so well! Way to go Grade 10's!

This past week, the Careers Department has been collecting data on the Grade 12's intended Post Secondary/Career plans for the Fall. It is always encouraging to hear about what our students are planning to do post-graduation. We know these decisions aren't made without the support of parents and LFA's staff.

SUMMER HEALTH INFORMATION (FROM FRASER HEALTH)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about summer health for school-aged children and youth. Please see below for helpful reminders to support your child.

Keeping Kids Healthy and Safe this Summer – Tips for Parents

Summer is a time for fun and relaxation. Below are some tips to help your kids stay active, healthy and safe during the summer months.

Sun Protection

Help avoid sunburns by applying a sunscreen with Sun Protection Factor (SPF) 30 or more at least 20 minutes before heading outside. Avoid the hot sun between 11 a.m. and 4 p.m. if you can. Seek places with lots of shade, such as parks with big trees. Take an umbrella to the beach and cover up with sunglasses that protect against UV rays, a wide brimmed hat, long sleeves and loose-fitting long pants.

Heat and Smoke Preparedness

With increased likelihood of hot temperatures, remember to keep children cool inside and outside. Watch the media for heat and smoke events. The [WeatherCAN](#) app can help.

Sustained indoor temperatures over 31°C can be unsafe. If there is no source of cool air, don't rely on fans alone during very hot weather. Relocate to a cool, shady outdoor space, or head to a library, mall or [community cooling centre](#). Make sure you and your family know the signs and symptoms of heat illness and how to get help. Learn more on the [Sun and heat safety](#) page.

Summer can also bring smoke from wildfires. Learn about the health impacts of smoke and change outdoor plans if needed. Find out how to be ready for smoke and know about the air quality in your community at Fraser Health's [Wildfire smoke](#) page and in this [postcard](#).

Eat Well, Stay Active and Hydrate

Encourage your children to drink water regularly. Build the habit of always carrying a water bottle with them wherever they go.

Healthy, active outdoor play is one of the best ways to improve physical and mental health. If your children are involved in sports, learn about heat precautions that can be taken during [practice](#). If your children love the water check out these tips on [water safety](#).

[Local farmers' markets](#) and [u-pick farms](#) are fun outdoor activities where you can enjoy seasonal produce. Did you know that over half of the blueberries harvested in B.C. are sold frozen in your local grocery store? Enjoy these nutrient-dense berries as fresh or frozen, with yogurts and in smoothies.

Find more summer health tips in Fraser Health's [Healthy summer guide](#).
