

LANGLEY FINE ARTS BULLETIN – NOVEMBER 7TH, 2025 EDITION

Dear LFAS Families,

Today's Remembrance Day Ceremonies were powerful and beautiful tributes to those that sacrificed so much for our country. Whether performing or in the audience, our students were extremely respectful and sensitive to the gravity of these assemblies. I was proud of our school today and I feel fortunate to be part of this incredible community. I encourage families to take some time to remember on November 11th. There are many ways that you can recognize this important day, and I hope this leads to some meaningful conversations about those that have gone before us and the roles we can all play in impacting the future. I also want to remind you that November 8th is National Indigenous Veterans Day, as this is an important opportunity to reflect on the many contributions of our Indigenous Veterans.

Take care,

Adam Moore

WEATHER APPROPRIATE CLOTHING

Now that the colder and wetter weather is upon us, we are asking parents to ensure that their children are appropriately dressed for school and outside playtime. Boots and warm, waterproof jackets are especially important as we send our students outside for fresh air, even during wet weather.

INFORMATION ABOUT SCHOOL STATUS DURING INCLEMENT WEATHER

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

OFFICE PROCEDURES

Office hours are 8:15 a.m. to 3:30 pm. We ask parents to help reduce the volume of phone calls to the office by following these guidelines:

PLEASE CALL OR EMAIL BEFORE 9:30AM IF YOUR CHILD WILL BE ABSENT OR LATE

If your child is going to be absent, arriving late, away or leaving early due to an appointment, please notify the school of your child's absence by email or call the school. To report an absence by email, send information including student first name and last name, grade, division, length of absence, and reason to LFAAttendance@sd35.bc.ca.

To report an absence by phone, call 604-888-3113 and follow the prompts for the attendance line to leave a message with information including student first name and last name, grade, division, length of absence, and reason.

YEARBOOK CONSENTS

We are excited to celebrate and share the many wonderful moments and achievements of our students throughout the school year. **As part of this, we include student photographs and highlights in our school yearbook and newsletters.**

Kindergarten to Grade 8

To ensure we have your consent for your child's inclusion, **a permission form will be sent home with students in Kindergarten through Grade 8.** We kindly ask that you review, sign, and return the form as soon as possible to help us proceed with planning and publishing these materials. **If we do not receive your permission form, your child will not be included in our yearly yearbook or weekly newsletters.**

Grade 9 to 12

For students in Grades 9 to 12, we will be collecting consent directly from them in their major classes in January 2026, as we do not require parental permission for this age of student. **If you do not want your grade 9-12 child to be included in our yearbook or newsletters, please reach out to us.**

This process ensures that all students and families are informed and comfortable with how student images and information are shared within our school community. If you have any questions or concerns, please don't hesitate to reach out to the school office.

POPPY CAMPAIGN

It is a long-standing tradition for schools to support our veterans and the efforts of the Royal Canadian Legion. Once again this year, our school will be receiving a poppy for every student and distributing them to classes. We will continue to collect funds this year in support of the Legion's Poppy Campaign but kindly ask students and their families to donate online via School Cash Online:

<https://sd35.schoolcashonline.com/>

Please do not send cash or cheques with your child to school. If you need assistance accessing School Cash Online, please contact the school office.

We appreciate your generosity. As always, our school is committed to educating our community about the meaning of the poppy and Remembrance Day.

SCHOOL DISTRICT FOUNDATION

We are thrilled to share our [2024/25 Annual Impact Report](#)! We invite you to take a few moments to explore the profound effects of our community's generous support.

GRAD HOODIES

Hello, Grads of 2026!

The time has come to order your 2026 grad hoodies.

The hoodies will be navy blue. **Hoodies cost \$60 each**, taxes included.

You must fill out the attached order form and bring it to Ms. Mantei directly (do not bring to the office).

Payment must be made using the School Cash Online system.

Both payment and form must be received no later than Thurs, November 13th at 3pm in order to receive your hoodie.

Don't forget to make your payment online by the due date as well, or you will not receive a hoodie!

Forms were handed out in Major block and extras can be found in the Writing room. Please note that we cannot accept email orders (from parents or students) - we need the physical form handed in to Ms Mantei directly. Please ensure that you have reviewed the hoodie sizing chart and make sure you order the correct size for yourself - we will not be able to fix this later. If you need help with this, please come and see Ms. Mantei. (Students tend to size up due to shrinking/comfort).

There are sample sizes for you to try on in the Writing Room if you are unsure of which option to choose.

November Health Messaging – Fraser Health

Dental, Hearing, and Vision Health (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about Dental, Hearing, and Vision Health. Please see below for helpful reminders to support your child.

Make Dental, Hearing and Vision Checks Part of a Healthy Routine

It's important for your child to have regular eye exams and routine dental checkups. This can help find issues early and lead to better outcomes. It is also important to recognize any hearing loss early as this is essential for speech and language development.

Dental

Tooth decay and other oral health concerns are the most common preventable chronic diseases in children. Establishing good oral hygiene habits early and ensuring regular dental checkups are essential for your child's oral health.

To find a local dentist who is accepting new patients, visit the BC Dental Association's [Find a Dentist database](#).

If your family is experiencing financial challenges and doesn't have extended health coverage, there are [programs](#) available to help make dental care more accessible. You can also reach out to the dental program at your local public health unit at [Dental Care - Fraser Health](#) to learn about community resources and support.

Vision

[BC Doctors of Optometry](#) (BCDO) recommends children receive their first eye exam when they are six to nine months old, with a follow up exam at least once between the ages of two and five, and then yearly once they enter school. You can find an optometrist accepting new patients near you on [BCDO's website](#). In BC, one basic eye exam per year is free up to the age of 18. Some optometrists may charge a user fee of about \$35-50 per visit, so be sure to ask about any fees before you make an appointment. Find more information on BCDO's [Children's Resources](#) page.

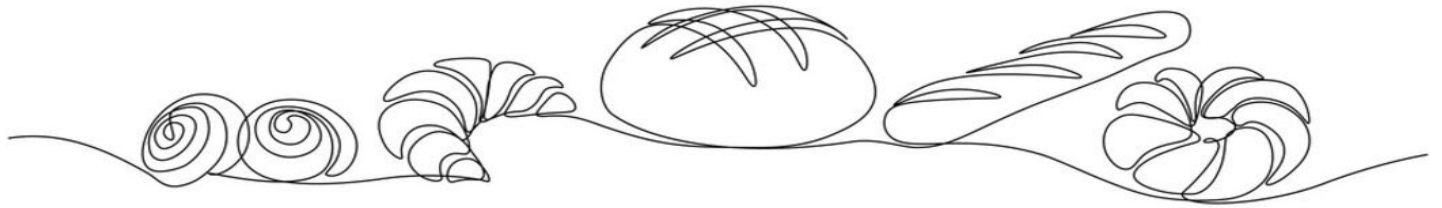

Hearing

Good hearing is essential for speech and language development and plays an important part in a child's social and emotional growth. It is important to recognize hearing loss early and seek out testing and treatment if needed. Fraser Health's Public Health community audiologists provide free hearing services for children from birth to 19 years of age. If you have a concern about your child's hearing, referrals can be made by a parent or caregiver, a health care provider or education professional to your [local public health audiology \(hearing\) clinic](#).

Find more information on child health screenings and how to access free vision, hearing and dental exams on [Fraser Health's website](#).

Youth Clinics

Let your teen know about our youth clinics. Located throughout the Fraser Health region, these clinics offer free and confidential sexual health care to youth, with age eligibility varying by site and service. Learn more about the services available at youth clinics [here](#).
