Halloween Food Safety Reminder for Langley Parents

With Halloween tonight, the Langley School District encourages families to keep food safety top of mind as children enjoy seasonal treats and school festivities. Here are a few important tips to help ensure a safe and healthy celebration:

Inspect Treats Carefully

Before children dig into their candy haul, take time to discard anything that's unwrapped, damaged, or unfamiliar. Be especially cautious of homemade treats unless they come from trusted friends or family.

Be Allergy Aware

Many Halloween treats contain common allergens like peanuts, tree nuts, dairy, or gluten. If your child has allergies, consider sending safe snacks to school and reviewing labels together.

Hand Hygiene Matters

Remind children to wash their hands before and after eating—especially when handling shared treats or participating in classroom activities.

Thank you for helping us keep Halloween safe, fun, and inclusive for all Langley students. Wishing your family a spooky and sweet celebration!

POPPY CAMPAIGN

It is a long-standing tradition for schools to support our veterans and the efforts of the <u>Royal Canadian Legion</u>. Once again this year, our school will be receiving a poppy for every student and distributing them to classes. We will continue to collect funds this year in support of the Legion's Poppy Campaign but kindly ask students and their families to donate online via School Cash Online:

https://sd35.schoolcashonline.com/

Please do not send cash or cheques with your child to school. If you need assistance accessing School Cash Online, please contact the school office.

We appreciate your generosity. As always, our school is committed to educating our community about the meaning of the poppy and Remembrance Day.

WEATHER APPROPRIATE CLOTHING

Now that the colder and wetter weather is upon us, we are asking parents to ensure that their children are appropriately dressed for school and outside playtime. Boots and warm, waterproof jackets are especially important as we send our students outside for fresh air, even during wet weather.

INFORMATION ABOUT SCHOOL STATUS DURING INCLEMENT WEATHER

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

OFFICE PROCEDURES

Office hours are 8:15 a.m. to 3:30 pm. We ask parents to help reduce the volume of phone calls to the office by following these guidelines:

PLEASE CALL OR EMAIL BEFORE 9:30AM IF YOUR CHILD WILL BE ABSENT OR LATE

If your child is going to be absent, arriving late, away or leaving early due to an appointment, please notify the school of your child's absence by email or call the school. To report an absence by email, send information including student first name and last name, grade, division, length of absence, and reason to LFAAttendance@sd35.bc.ca.

To report an absence by phone, call 604-888-3113 and follow the prompts for the attendance line to leave a message with information including student first name and last name, grade, division, length of absence, and reason.

Dear parents

During our last hot lunch, we experienced an unexpected power outage, which resulted in some students not receiving their meals.

We would like to thank everyone for their patience and understanding on that day. To prevent food waste, the PAC donated the remaining food and pizza to the Gateway of Hope Salvation Army, where it was gratefully received and shared with those in need.

Thank you for supporting our hot lunch program. Your participation helps us give back to both our school community and the wider community!

sincerely,
