FINE ARTS
SCHOOL

LANGLEY FINE ARTS BULLETIN – OCTOBER 30th, 2026 EDITION

Dear LFAS Families,

Halloween at Langley Fine Arts School is always something special, and this year was no exception! From our youngest students proudly taking part in spooky and spirited elementary parade to our staff fully embracing the fantastic Wizard of Oz and Potluck themes, the creativity and school spirit on display throughout the day were truly remarkable. As always, no-one does Halloween quite like LFAS!

On that note, we hope you enjoyed the Halloween Carnival! It was fun to see so many of you out for this amazing community event! A huge thanks to Ms. Oviatt, Ms. Mantei, and our Grad Council for putting it all together! What a great way to start this Halloween weekend!

Amid all the Halloween excitement, I would also like to recognize our Senior Choir for their outstanding representation of LFAS at the District Choral Festival last Tuesday evening. It was a beautiful night of music, and our students demonstrated exceptional talent, commitment, and artistry. We are incredibly proud of the way they represented our school and shared their passion for singing with the wider community.

If you wish to see videos and more pictures from today … be sure the check out our Instagram account. This is a great way to check out many of the exciting things happening at our school, so like and follow!
The handle is: langleyfinearts

As we head into the weekend, thank you to everyone who helped make this such a wonderful day. I wish all our families a fun, safe, and happy Halloween weekend filled with laughter and great memories.

Happy Halloween, LFAS!

Mr. Moore

LFAS at the District Choral Festival

STAFF HALLOWEEN COSTUMES

FUNKY MONKEY

The **FUNKY MONKEY** is a yearly LFAS tradition where students from K-7 can choose to showcase their talents in a celebratory evening of performance. It is organized and run by the Grade 12's and is a HUGE fundraiser for the Grad class.

This year's **FUNKY MONKEY** is coming soon!
On Friday, November 6th, come and support our students as they play an Instrument! Dance! Sing! Martial Arts! Magic! Comedy!

Show starts at 6:30 in the Chief Sepass Theatre.

Tickets are $10 at the door.

A concession will be available for snacks, so bring your appetite!

OFFICE PROCEDURES

Office hours are 8:15 a.m. to 3:30 pm. We ask parents to help reduce the volume of phone calls to the office by following these guidelines:

PLEASE CALL OR EMAIL BEFORE 9:30AM IF YOUR CHILD WILL BE ABSENT OR LATE

If your child is going to be absent, arriving late, away or leaving early due to an appointment, please notify the school of your child's absence by email or call the school. To report an absence by email, send information including student first name and last name, grade, division, length of absence, and reason to LFAAttendance@sd35.bc.ca.

To report an absence by phone, call 604-888-3113 and follow the prompts for the attendance line to leave a message with information including student first name and last name, grade, division, length of absence, and reason.

VISITOR REPORTING

All visitors must report to the office before they enter the school. If you are visiting a classroom or any other part of the school building, please check in at the office and wear the visitors badge that you will be provided.

VOLUNTEERS IN CLASSROOMS – ANNUAL APPROVAL FORMS

Are you volunteering in a classroom this year? If so, please use the following link to complete the required training and the online Volunteer Safety Check Application Form.
The link for the PIC (police information check) is also there which needs to be completed as well.
Please note that this process must be done every school year as per District Policy.
DISTRICT VOLUNTEER WEBPAGE

VOLUNTEER DRIVER FORMS – ANNUAL APPROVAL FORMS

There are usually a few field trips throughout the school year. For some of these our teachers rely on parent volunteer drivers. In order to drive for a field trip, parents are required to fill out our volunteer driver form and provide copies of their driver's license, ICBC insurance, private insurance (if applicable), an ICBC Driver's abstract as well as a PIC (police information check), which can be done in person or online with a code.
(Please note: if using the PIC code it can take up to 3 weeks for approval)

DRIVER'S ABSTRACT LINK
LFAS DRIVER FORM
POLICE INFORMATION CHECK

To avoid delay in the approval process, this information can be scanned and emailed to Mrs. Gill at kgill@sd35.bc.ca.

This can be done at any time during the year; you don't have to wait until the date of the field trip, which usually causes panic and a last-minute line up of parents trying to fill out forms.
Please note that this process needs to be done for every school year.

PARENT CONSENT FORMS ON MYEDBC READY FOR FAMILIES

Parent consent forms can now be received on MyEDBC. Families are asked to please log in to the ***MyEDBC parent portal*** *and complete the process. A set of consent forms will need to be completed for each child attending a Langley school. It is advised to access MyEDBC and complete the parent consent forms using a desktop or laptop as the process requires the full site version (which is not mobile-friendly). For step-by-step instructions, please read* ***here****. More information can be found on the District website* ***here****.*

Dec 16 – Grade 1/2 Sharing Show

Dec 17 – Santa Breakfast

Dec 17 – Last Day Prior to Winter Break

Dec 18 to Jan 4 – Winter Break

Jan 5 – School Re-Opens from Winter Break

Communicating With Your School

Schools and families continue to work together to ensure success for students. If you have an issue or concern but don't know who to speak with, the District encourages you to read these helpful Communicating with your School guidelines for parents/guardians found on our District website ***here****. As an additional reference, review this one-page resource* ***here****.*

Emergency Procedures in Schools

Schools follow emergency procedures and practice drills throughout the year to ensure students, staff, and any visitors at our sites are safe when unexpected incidents happen. The District encourages families to become familiar with emergency procedures to help you and your child be prepared. You will find the District's Emergency Procedures poster in schools and on the website ***here****.*

Community Volunteers in Emergencies

Emergencies can happen unexpectedly due to weather events (e.g., earthquake or flooding) or unforeseen situations in the community. The health and safety of students, staff, and families is the District's priority. The District, together with schools, follow emergency procedures to respond to incidents as well as prevent them from happening.

In these circumstances, schools may rely on members of the community to assist with emergency responses. Administrators may send a request to parents/guardians to help volunteer with first aid, facilities and maintenance, safety and security, and general labour. Adults with special skills in health care, policing, and engineering would be an asset in an emergency. No action is needed from families at this time as the purpose is to keep families informed.

INFORMATION ABOUT SCHOOL STATUS DURING INCLEMENT WEATHER

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKNW 730AM, Country Radio 107.1FM, Pulse 107.7FM, CBC 690AM or CBC 88.1FM for updates.

In the event of inclement weather, the District may implement a delayed start or early dismissal at school sites. This information will be communicated to families via one or more of these methods: SchoolMessenger, email and/or text and on the District website. For District bus riders, schedules may change depending on the school status. Bus riders will be notified of changes via one or more of these methods: My Ride K-12 App, email, phone, and/or District website.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

Student Safety in Schools

The Langley School District is committed to fostering safe and caring schools that promote mutual respect, cooperation, and social responsibility, and support optimal learning. Trauma Informed Practices and Procedures promote the creation and maintenance of safe, inclusive, equitable, welcoming, and nurturing school environments. The District expects all students to follow the Student Code of Conduct ***AP 350****. This expectation is also in line with the new* ***Provincial Firearm Violence Prevention Act (FVPA).***

The District is sharing a reminder that no one can have "any weapon for any purpose" on school property. This means that weapons are not allowed to be used as part of an educational project, drama production, or themed costume. Examples of weapons include but are not limited to knives, bb guns, and toy guns. Failure to follow these expectations may result in confiscation, intervention, and consequences.

Daylight Saving Time Information for Families: Fraser Health

Earlier this year, British Columbia adopted permanent daylight saving time, with the final clock change taking place on March 8, 2026. As a result, the province now observes Pacific Time (PCT) year-round, eliminating the twice-yearly switch between Pacific Standard Time (PST) and Pacific Daylight Time (PDT).

During parts of the winter, particularly between late November and early February, many children will travel to school before sunrise. Fraser Health is sharing this information to support families as they adapt to year-round Pacific Time and maintain healthy sleep habits and safe travel to and from school.

What Families Can Do

Support healthy sleep and well-being by:

- *Spending time outdoors during morning daylight hours whenever possible.*
- *Encouraging physical activity and social connection through after-school programs and activities.*
- *Maintaining consistent bedtimes and wake-up times.*
- *Turning off screens at least one hour before bedtime, as evening screen use can make it harder to fall asleep.*

Support safe travel to and from school by:

- *Helping children choose well-lit routes with sidewalks and designated crossings.*
- *Encouraging children to wear reflective or high-visibility clothing and use a flashlight when travelling during darker morning hours.*
- *Reminding children to use designated crossings, scan traffic, and make sure vehicles have stopped before crossing.*

If driving:

- *Use extra caution when driving near schools, crosswalks, intersections and shared pathways.*
- *Be aware of one's surroundings and refraining from cell phone use, make eye contact, and shoulder check before turning or changing direction.*
- *Travel at slow speeds and stop completely at stop signs and crosswalks.*

Additional school health resources can be found on our website at fraserhealth.ca/schoolhealth.

October Health Messaging – Fraser Health

As part of its health promotion for students and families, our community partner Fraser Health is sharing important information on various topics. The theme for October is staying healthy this winter. Please share the following information below in your next newsletter or communication to families. This information will be shared on the District's social media channels.

Staying Healthy this Winter (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about how to stay healthy this winter. Please see below for helpful reminders to support your child.

Keep Your Children Free From Respiratory Illnesses This Winter

As the weather gets colder and more time is spent indoors, we are more likely to get sick with things like colds, flu or COVID-19 because these illnesses spread more easily in enclosed spaces.

Everyone should take these steps to protect themselves and limit the spread of respiratory illnesses:

- Get vaccinated against flu and COVID-19.
- Wash your hands often with soap and water. Use alcohol-based sanitizer if soap and water are not available.
- Cough and sneeze into your elbow.
- If you have flu-like symptoms, stay home and away from people at higher risk of serious illness. If you are sick and cannot stay away from others, wear a mask. Learn more about masks ***here***.

Vaccinations for Respiratory Illness

Vaccinations prepare our immune system to recognize and respond to viruses. When children get immunized, they are less likely to get sick or pass along illness to others. When children remain healthy, they are better able to focus on learning, playing and doing the activities they love. Their parents and caregivers also have less disruptions in their personal and work routines.

Register your children with the ***Get Vaccinated*** system so you can be reminded to get flu or COVID-19 vaccinations when they are due. Seasonal respiratory vaccinations are available from pharmacies, public health units and some primary care providers.

School-aged Immunizations

Getting your child ***vaccinated on schedule*** is one of the best ways to protect their health. To set young people up for long-term health and well-being, vaccines are offered routinely in kindergarten, grade 6 and grade 9 with catch-up opportunities in other grades.

Protection is long lasting for most vaccines, except for whooping cough. This vaccine is one of the ***infant immunizations*** that can wear off and needs to be given again around Kindergarten and Grade 9 to provide protection. All routine school-aged immunizations are free in British Columbia. If your child is not up to date with their vaccines, please make an appointment with a public health unit, family doctor, nurse practitioner or pharmacy.

If your child's record shows their vaccines are not current, but they did get vaccines from a health care provider outside of public health:

- Contact the health care provider who immunized your child and ask for a copy of the immunization record.
- Provide these immunization records to Public Health online at: ***http://www.fraserhealth.ca/immunizationform***

Learn more about school-aged immunizations, including how to access your child's records, here: ***Children and youth immunizations – Fraser Health Authority***
