Principal's Message

The first formal report was published on Friday. Please have a look at the previous email sent to support the MyEd portal if you are having difficulty accessing. Please continue to have conversations at home about your child's progress and reach out to the teachers if you have any questions.

Winter sports are in full swing with T Bird Showcase Tournament for the Junior teams approaching as well as a Tip Off Tournament for the Sr boys at DW Poppy.

The music students experienced a fantastic trip to Vancouver Island with excellent ratings from the adjudicator. Thank you to Patti Thorpe and all the parents who helped make this possible.

One of our school wide goals is to improve the attendance rate for our students. Students should be present every day to ensure that all are successful by receiving instruction, gaining knowledge, and graduating on time. We are committed to providing an environment and system of support to ensure all students are successful. If students are not present, this cannot occur. Students miss direct instruction while absent, which impedes learning. While we encourage daily attendance, we understand there are circumstances that may require students to be absent. Parents or guardians are asked to use the Safe Arrival App to notify the school when their student is absent. Students are expected to be in class on time every period, every day. Any absence, whether excused or not, denies students the opportunity to learn.

[BC Training and Education Savings Program Grant](#)

Education Savings Week is November 18th - 22nd.

In support, please share [this letter](#) with families/guardians of students in Kindergarten thru Grade 3 to let them know their child may be eligible for a one-time \$1,200 BC Training and Education Savings Grant for their post-secondary education or training.

Dear Parent or Guardian:

The Government of British Columbia is pleased to inform you that your child may be able to receive the **\$1,200 B.C. Training and Education Savings Grant**.

Children may be eligible if:

- ☐ The parent or guardian, and the child, are B.C. residents, and
- ☐ The child is between the age of 6 and the day before turning 9.

Once you open an account, known as a Registered Education Savings Plan (RESP), and apply for the B.C. Training and Education Savings Grant (BCTESG), \$1,200 will be deposited into the RESP for your child. Students can then use the money to pay for post-secondary education or training expenses.

Plan today: you don't have to put any money into the RESP to receive the \$1,200.

Step 1: Get Social Insurance Numbers (SINs) for you and your child. Go to <http://www.canada.ca/social-insurance-number> to find out how.

Step 2: Make an appointment with one of 56 financial organizations that offers the BCTESG. A list of partners is available here: <https://www.canada.ca/en/employment-social-development/programs/canada-education-savings/resp-promoters-list.html>

Bring the **SINs for you and your child and proof of B.C. residency** and say: **"I want to open an RESP and get the B.C. Training and Education Savings Grant for my child."**

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to Twitter @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, KKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

Student Safety in Schools (Middle/Secondary Schools)

The Langley School District is committed to fostering safe and caring schools that promote mutual respect, cooperation, and social responsibility, and support optimal learning. Trauma Informed Practices and Procedures promote the creation and maintenance of safe, inclusive, equitable, welcoming, and nurturing school environments. The District expects all students to follow the Student Code of Conduct [AP 350](#). The District is sharing a reminder that no one can have "any weapon for any purpose" on school property. This means that weapons are not allowed to be used as part of an educational project, drama production, or themed costume. Examples of weapons include but are not limited to knives, brass knuckles, swords, decommissioned firearms, replicas, air soft guns, bb guns, and toy guns. The possession or use of fireworks, firecrackers, explosives, or similar devices or objects is also prohibited on school property. Failure to follow these expectations may result in confiscation, intervention, and consequences.

Emergency Procedures & Response

Health and safety are a priority in the Langley School District. Schools follow emergency procedures to ensure students, staff, and any visitors in our schools or sites are safe when unexpected incidents or events happen. At the start of every school year, administrators, teachers, and staff review these emergency procedures. Schools practice a set number of drills annually in preparation for unexpected situations. The district encourages families to become familiar with these staff emergency procedures and the drills that are completed in our schools. You can read them in the Staff Emergency Procedures Poster [here](#) or find them posted in areas throughout our buildings. If you have any questions or concerns about emergency procedures, please get in contact with your child's teacher or administrator.
