PRINCIPAL'S MESSAGE

Dear ACSS students and families,

It was another eventful week at ACSS – classes continue, athletics (rugby, soccer, volleyball, basketball, badminton, hockey) continues, Grad 2022 preparation (assembly, Dry Grad fundraisers, student excitement) continues, and, well, days in the lives of all of us at ACSS continue – and it is all fantastic! Thank you to all our students for working so hard every day.

Thursday night at the Chief Sepsa Theatre in Fort Langley, ACSS was well represented by the Kick It Up A Notch dancers Colby, Jhanelle and Madison, who performed a phenomenal dance, and graduating student Evan who won the top award in the Community Service category. Congratulations to Colby, Evan, Jhanelle and Madison on work very well done!

GIRLS RUGBY

The girl's rugby team played their cross-town rivals D.W Poppy on Wednesday. The girls battled hard to victory winning by a last-minute try and conversion. They demonstrated excellent teamwork and consistent hard rucking to maintain possession for the majority of the game. The girls have their first round of playoffs next week against Poppy. Wish them luck!

As coaches, we would like to say thank you to all the family members and friends who came out to watch and support the ladies this season. We have appreciated having a crowd at every home game.

Dear Parents/Guardians, Students and Staff:

Re: Information Bulletin

With less than three months left in the school year, it's that time of year for our schools to be busy planning various field trips, events and celebrations. We are so encouraged to know that in our current state, we can run these activities in a more traditional way. The District welcomes this gradual change to what we experienced before the pandemic.

COVID-19 Guidelines Update

The District continues to take direction from the Ministry of Education and Child Care and works closely with Fraser Health. As of this week, schools are operating under revised guidelines which be found [here](#). These guidelines support the continued transition to sustainable communicable disease management. The District will continue to share updates as they become available. Below is a summary of key changes.

Health Awareness

Health awareness reduces the likelihood of a person with a communicable disease coming to school when they are infectious. A daily health check is no longer required for students, staff or visitors upon entering a school or bus. As the District shared earlier in the year, individuals can continue to use this daily health check resource [here](#) to support their own health awareness. Please continue to stay at home when sick to help keep our community healthy and safe.

Personal Practices

Students, staff and visitors will focus on their own practices such as health awareness, practicing proper hand washing, respiratory etiquette, and wearing a mask or face covering based on personal choice.

Space Arrangements

Spaces will be arranged to best meet learner needs and preferred educational approaches.

School Gathering and Events, including Graduations:

Gatherings and events on District sites can return to 100 per cent capacity. This change means schools can hold graduation commencements and year-end celebrations in the same way as prior to the pandemic. Schools will be communicating details related to any potential events in the coming weeks.

Information About School Status During Inclement Weather

Snow closures and power outages are an annual

occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to Twitter @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.
