PRINCIPAL'S MESSAGE

Dear ACSS students and families,

This week at ACSS we honoured and remembered those who have served and continue to serve our country. Thank you to Mr. Perry and Mr. McLean, and their contributing students, for organizing our Remembrance Day events on Wednesday.

PRINCIPAL'S MESSAGE

Athletics

Huge congratulations to the ACSS Senior Girls' Volleyball team on winning their league championship on Monday. Our team is coached by Ms. Rachel Funk and her father, Tim. The team began practicing together in September and have quickly gelled into a competitive team of players who all support each other both on and off the court. Congratulations to the coaches, managers, Eshveer and Lucas, and players, Sarah, Lacey, Emma, Pelin, Alyssa, Pawlala, Amanda, Alecia, and Miu. Well done, team! All the best to you in the playoffs. ACSS is proud of you and we know that you will represent us well!

Design & Assessment/Report Card Preparation Day

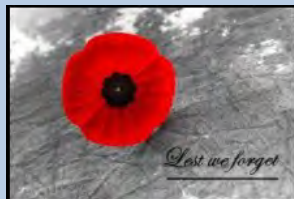

Today, Friday, November 12th ACSS staff gathered in the morning to collaborate on schoolwide initiatives designed to enhance student learning and success. As a team of educators at ACSS, all staff work together daily to answer these questions which we continually ask of ourselves in our practice:

What do we want all students to know and be able to do?

How will we know if they learn it?

How will we respond when some students do not learn?

How will we extend the learning for students who are already proficient?

ACSS Totem Times

PRINCIPAL'S MESSAGE

During the Design and Assessment morning on Friday, our Response to Intervention guiding coalition led staff through our future RTI initiative ideas. RTI is a time scheduled daily at ACSS, from Monday to Thursday, from 9:55 AM to 10:35 AM. This time is designated time to allow staff and students to work together to meet the learning needs of all students. RTI is defined by three tiers:

Tier 1 - High-Quality Classroom Instruction, Screening, and Group Interventions

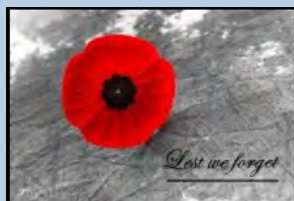

Tier 2 - Tier 2: Targeted Interventions

Tier 3 - Tier 3: Intensive Interventions and Comprehensive Evaluation

Friday afternoon was time reserved for teachers to work on completing their report cards. The first formal report cards will be published to the MyEd BC parent/student portal on Monday, November 29th.

Thank you for reading this week's newsletter. Have a wonderful weekend.

Mr. M. Palichuk
Principal
Aldergrove Community Secondary School

Remembrance Day – Legion's Poppy Campaign

It is a long-standing tradition for schools to support our veterans and the efforts of the Royal Canadian Legion. Due to our COVID-19 health and safety guidelines, the distribution and collection of funds for poppies will be different again this year. Please note that our school will be receiving a poppy for every student. We will be distributing them to classes in a safe manner. We will continue to collect funds this year in support of the Legion's Poppy Campaign but kindly ask students and their families to donate online via School Cash Online <https://sd35.schoolcashonline.com>.

Please do not send any cash or cheques with your child to school. We appreciate your generosity. As always, our school is committed to educating our community about the meaning of the poppy and Remembrance Day.

Breakfast Club

Grab and Go Breakfast Club 8:15-8:40 daily

Thank you to all of our partners, staff and students for their continued support. A huge thank you to Langley Sources for their weekly baked goods, breads, cheese and extras. Langley School Foundation also supports with yogurt, apple sauce and eggs. Also a thank you to the Township of Langley Firefighters Charitable Society for a supply of granola bars. Sincerely yours; The Breakfast Club Team.

Breakfast Club Donations

Did you know that ACSS Breakfast Club operates every day and is open to everyone who would like some! The program is run on funding from Breakfast Club of Canada and donations from the community. If you would like to contribute to the program, you can do so via School Cash Online.

<https://sd35.schoolcashionline.com/Fee/Details/31506/111/False/True>

Breakfast Club is looking for working standing fridge and/or freezers.

This season our three door fridge that has served us well for years, has reached the end of its life. We are hoping the community might have a standing fridge or freezer that they would be interested in donating to the Breakfast Club.

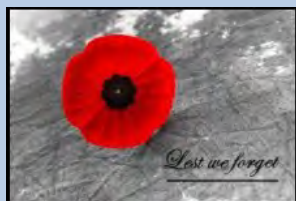

This program serves over 100 youth a day and is run by staff and volunteers. All food items are either donated or purchased through Breakfast Club of Canada funds and community donations.

If you would like to donate, please contact Stephanie Eby at seby@sd35.bc.ca or you can donate funds via school cash online. <https://sd35.schoolcashionline.com/Fee/Details/31506/111/False/>

Volunteers

Cynthia at Laughing Stock Ranch is looking for volunteers to help with pony rides. Volunteer days and hours are flexible and could possibly lead to a job. Please see Lacey in room 155 if you are interested.

GRAD 2022

Dear Sir/Madam, The Aldergrove Community Secondary School Dry Grad Committee is planning the Dry Grad event for the 2022 graduating class. Dry Grad events are held at many high schools throughout the province to provide a safe, substance free, chaperoned after-party for the graduating class.

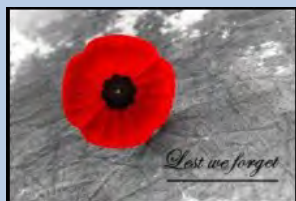

The ACSS Dry Grad committee is comprised of parents who are charged with organizing safe transportation to and from the dinner/dance and planning the Dry Grad event. When students finish the dinner/dance, they will be transported to the Dry Grad venue for a safe, all night party complete with great music, food, entertainment, activities, prizes and more!

Our goal is to encourage all grads to attend this farewell party and to make this a fun, safe and memorable event. In order to make this year's event successful, we are seeking community support. Please consider whether your business/organization would be able to provide sponsorship, a cash donation or prize donations to use towards this special day. In return, the ACSS Dry Grad committee will ensure that your business/organization will be recognized as a sponsor/donor at the Dry Grad event and in the community.

We look forward to your support and thank you for your consideration. If you have any questions or would like to discuss this further, do not hesitate to contact parents of the ACSS Dry Grad committee via email acssdrygrad2022@gmail.com

Sincerely,

ACSS Dry Grad Committee

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to Twitter @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

ACSS Totem Times

New Daily Health Check Form – Digital and Print Version

Thank you for continuing to conduct a daily health check with your child. It is an important measure to help keep our school community healthy and safe. To better assist families, the Ministry of Education has developed an online K to 12 Health Check which can be found here: <https://www.k12dailycheck.gov.bc.ca/healthcheck>

A mobile phone app version can also be downloaded, called K to 12 Health Checker.

Print versions are available in multiple languages on our District website [here](#).

Fraser Health COVID-19 School Update – Immunization for 12-17 year olds

Health Canada has approved the use of the Pfizer vaccine for youth aged 12 to 17. British Columbia is expanding the COVID-19 Immunization Plan to include this age group.

Youth are excited to protect themselves and their families.

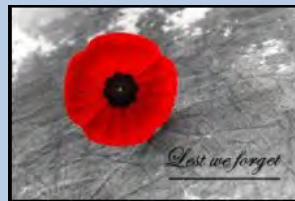

Children aged 12 to 17 can register to get vaccinated now by going to www.gov.bc.ca/getvaccinated, calling 1-833-838-2323 or in person at any Service B.C. centre. Once child(ren) are registered in the provincial system they will be contacted at a later date via the method they indicated (either email or text) to book their vaccine appointment.

Household and group vaccination options are also available to make it easy for households to be immunized at the same time. Multiple young people in a household can attend one booked appointment and be vaccinated together. Young people accompanying adults to the adult's new vaccine appointment can register on site and do not need to be registered or booked in advance. Just let clinic staff know you have arrived.

Ensure all family members bring identification and ideally, their personal health card if they have one.

In the coming days, schools will receive an information package to be shared with families with key information such as how to prepare for and what to expect during your child's vaccine appointment.

More information can be found at www.gov.bc.ca/getvaccinated and at www.fraserhealth.ca/vaccine

COVID-19 Guidelines 2021-22 – Frequently Asked Questions

Why is there no mask mandate for students in K-3?

As announced by the province, masks for students in K-3 are no longer required. The District will be encouraging students in K-3 to wear a mask. Mask wearing for these students continues to be a family/caregiver choice. Masks are only one layer of protection. As per public health, the best way to protect everyone is for people who are eligible to get vaccinated.

As announced by the province, masks will continue to be required for all K-12 staff, students in grades 4-12, and visitors when indoors and on buses (with exceptions). See further information regarding bussing [here](#).

Masks are not required for students, staff, and visitors when outdoors.

Why is there no vaccine mandate for students and staff?

As announced by the province, students, staff, and visitors are not required to be vaccinated but it is strongly recommended. The District is encouraging all students, staff, and visitors to get vaccinated before the start of the school year. As advised by public health, vaccines are the best way to keep everyone healthy and safe, especially those in the community who are not eligible to get vaccinated.

Walk-in vaccination clinics are available for anyone over the age of 12 years old. For more information on vaccine clinics in Fraser Health, read here: <https://www.fraserhealth.ca/vax#.YSw77tNKibs>

Why is there no vaccine passport required for students and staff?

As announced by the province, students, staff, and visitors are not required to show proof of vaccination. As per the province, schools are controlled environments with comprehensive health and safety measures already in place and attendance of students, staff, and visitors is taken daily. Half of K-12 students are under 12 years old, not eligible for vaccines, and therefore, the vaccine passport would not be applicable.

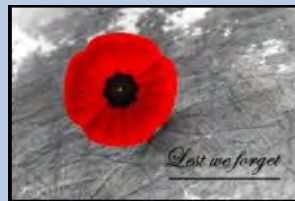

A vaccine passport could be applicable, when and if schools host an event (like a concert open to parents/public). Schools will share additional information with the community where and when appropriate.

Why are there no cohorts and physical distancing required?

As announced by the province, cohort and physical distancing is no longer required. However, the District will be working with administration and school staff to develop creative ways to maximize space amongst students and staff in classes. Strategies may include using directional arrows and posters in hallways, spreading out desks and tables in a classroom, and encouraging everyone to respect others' personal space. Taking classes outdoors will continue to be encouraged.

Will the District improve ventilation in schools?

The District upgraded HVAC systems with MERV 13 filters in all sites including portables prior to last year school year. These upgrades meet and exceed provincial ventilation requirements.

ACSS Totem Times

Dream, Believe, Achieve

November 12, 2021

Please visit our website www.acsstotems.ca for more information.

Will students be able to take online courses online if they feel unsafe? Will there be the Transition Support Model in September?

There continues to be a range of choices for students and their families in September. The District will not be offering the Transition Support Model for this school year. Students will be able to learn online through Distributed Learning programs offered at [U-Connect](#) (Elementary, Middle, Secondary) or [Langley Education Centre](#) (Secondary). Students also have the option of [homeschooling](#). If you have questions about options for your child, please connect with your school administrator.

If a student enrolls in a Distributed Learning program or chooses homeschooling, will they be able to save their spot at their catchment school or choice school?

Due to significant increases in student enrolment K-12 in the Langley School District, if a student chooses to enroll in a Distributed Learning program or is homeschooled, the school will not be able to save a student's space at their catchment school or choice school. In the event a student leaves for the school year, they will have to re-enroll for their catchment or choice school and follow regular procedures regarding registration and timeline. If you have questions, please connect with your school administrator.

Why can't the District implement its own guidelines?

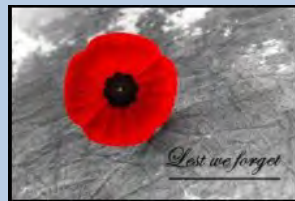

The District takes direction from the Ministry of Education and the Provincial Health Office regarding public health matters. The District also follows regional and local health and safety measures developed by the Fraser Health Authority. Changes to any health and safety guidelines can only come from public health authorities. The District defers to health authorities on decision making as they base their advice on science and data collected by public health. The District trusts health experts and their work to help keep our students, staff, and community safe.

Why are the guidelines in schools different from other community settings (e.g., restaurants, stores, recreation centers)?

The District takes direction from the Ministry of Education and the Provincial Health Office. As per the province, all schools follow the health and safety outlines in the [BCCDC's Public Communicable Disease Guidance for K-12 Schools](#). Other sites within the Langley School District (non-education sites such as the school board office) follow WorkSafeBC guidelines which are different from school settings. Other community settings will have health and safety measures in place implemented by the province and/or regional/local authority.

Isn't the District concerned about COVID-19 exposures in schools due to increasing case counts/Delta Variant?

The District shares the community's concern over COVID-19 cases. The District acknowledges that as long as there is COVID-19 in the community, there will be exposures in schools. The District understands the more eligible people are immunized; the less likely school exposures may lead to transmission. The District is confident the COVID-19 measures in place for the school year will help in protecting the health and safety of students, staff, and community members.

Welcome to SchoolCashOnline

Fast. Safe. Convenient.

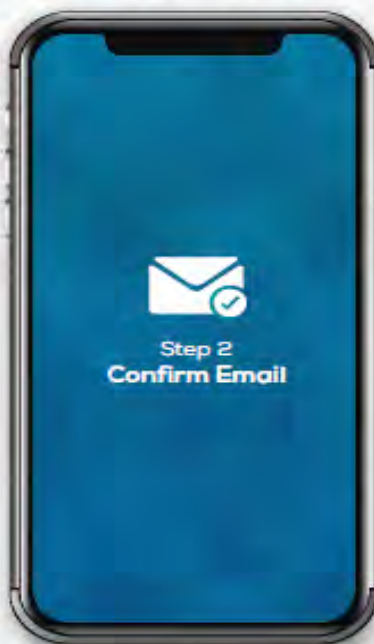

For safety and efficiency reasons, Langley School District would like to reduce the amount of cash & cheques coming into our schools. Please join the thousands of parents who have already registered and are enjoying the convenience of paying ONLINE!
It takes less than 5 minutes to register. Please follow these step-by-step instructions so you will begin to receive email notifications regarding upcoming events involving your child.

Step 1
Register

Go to
<https://sd35.schoolcashionline.com>
and click on **Register**.

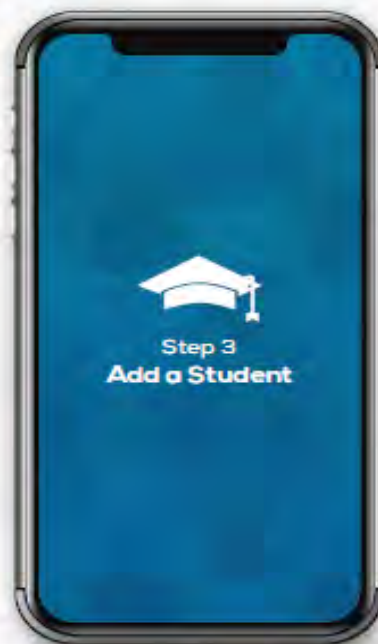

- ✓ Enter in your first name, last name, email and create a password.
- ✓ Select a security question.
- ✓ Check YES to receive email notifications

Step 2
Confirm Email

A registration confirmation email will be forwarded to you. Click on the link provided inside the email to confirm your email and School Cash Online account (check spam).

The confirmation link will open the School Cash Online site, prompting you to sign into your account. Use your email address and password to log in.

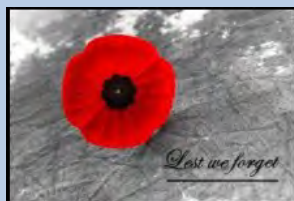

Step 3
Add a Student

This step will connect your child to your account.

- a) Enter the School Board Name.
- b) Enter the School Name.
- c) Enter Your Child's **Student Number, Last Name, Date of Birth**.
- d) Select **Continue**.
- e) On the next page confirm that you are related to the child, check in the **Agree** box and select **Continue**.
- f) Your child has been added to your account.

If you require assistance, select the **SUPPORT** option in the bottom right hand corner of the screen or go to helpdesk.supportschoolcashionline.com

FAQs

I've forgotten my password

Click on the "Forgot your password?" link to reset your password. A temporary password will be sent to the email address registered with your account.

How secure are my purchases?

KEV Group's top priority is to keep your personal information safe. Go to <https://helpdesk.supportschoolcashonline.com> and see Security for Security Policy and Privacy Policy.

What if I can't find my student?

Contact your school to confirm your student's details (sign up criteria) to ensure it matches exactly with what was entered in your school's records.

What if I can't see any items?

Each school creates their own items for purchase and assigns them to students. Once assigned, they will appear online under the student tab.

School District #35 - Langley

Contact your school office directly for the following issues:

- ✓ You require a refund for items purchased on School Cash Online
- ✓ When adding to the cart, the item displayed prevents you from completing your purchase correctly
- ✓ You made a purchase on an item incorrectly and want to change your order
- ✓ You are missing items that you thought were available to purchase. Items are created by the school and School Cash Online displays those items for parents to purchase
