**Coghlan Christmas Concerts will be held:** Tuesday, December 19<sup>th</sup> at 1:00 pm in the Coghlan gym and at 6:30 pm at DW Poppy Secondary (doors open at 5:45 pm)

**BBQ Lunch - Winning School!** We are pleased to announce that Coghlan is the winning school for the Kids Helping Kids Clothing Drive! We collected the most clothing on a pounds-per-student basis, and we will be treated to a BBQ lunch served by Langley Firefighters. Thank you for all of your generous clothing donations to support the Firefighters School Snack Program benefiting Langley students. We are looking forward to our BBQ lunch on Friday, January 19th. More details to come in the new year!

**Coding Club** - We are e=xcited to share that Coghlan has started a Coding Club for all interested students in Grades 4 to 7. A big thank you to Ms. Nicolson, Mrs. Jdi and Mr. Hegquist for supporting this amazing initiative for our intermediate students. The Coding Club will take place every Friday, starting November 17th. Also, we would like to say a special thank you to the PAC for funding the Robotix kits to get us started!

### **Just a reminder when shopping at Otter Co-op**

Coghlan has a special rebate program with Otter Co-op!

The Coghlan Fundamental Member Number is: 116993

Our school has been issued a Member # and you and your family/friends/neighbours can quote this number ***when you make any purchases in any department – liquor, gas, food, pharmacy and feed!***. If our group purchases \$5,000 on our group member number that would equate to an average cash payment of \$200 to Coghlan!!

This is a quick and easy fundraiser for our school – with No Cost To You - and benefits the kids throughout the school year. The more we use the Coghlan member number the greater rebate our school will receive and benefit all our kids. Thank you for your support of this program!

### **A Season of Theatre 2024**

Across the District, our drama/theatre programs are gearing up for another fabulous year of musical and theatrical productions featuring Langley's students. Please get out and support the Arts in our schools by attending one or all of the shows that will be happening in the new year. Individual show times and ticket sales will happen through each school's own website.

### **Information About School Status During Inclement Weather**

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or [www.sd35.bc.ca](http://www.sd35.bc.ca). Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at [www.facebook.com/langleyschooldistrict](https://www.facebook.com/langleyschooldistrict). If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

**Students Dressed for the Weather.** As the beautiful fall weather continues to be upon us, with much cooler temperatures and lots of rain, it is important for students to wear a rain jacket and boots. A change in clothing to be kept at school is also helpful, especially socks and pants. It has been especially cold in the mornings before school starts, so please ensure your child comes to school with a warm jacket.

### **ELEM: BC Training and Education Savings Program Grant**

In support of Education Savings Week 2023 (November 14<sup>th</sup> to 18<sup>th</sup>), please share this **letter** with families/guardians of students in Kindergarten through Grade 4 to let them know their child may be eligible for a \$1,200 BC Training and Education Savings Grant for their post-secondary education.
