PRINCIPAL'S MESSAGE

Dear ACSS students and families,

Today is a professional development day for teachers and staff in schools across the province. Many of our staff are participating in online learning sessions today, as the COVID effect is still in place, while many others are participating in COVID adapted in-person workshops and conferences. The school is closed today as our school district maintenance workers need to shut the power off to do some work in the school.

The second Parent Advisory Council meeting of the year happened on Monday. A big thank you goes out to our PAC executive and all the parents/guardians who attended the meeting. Your consideration of staff funding requests is very much appreciated.

Parent-Teacher Interviews occurred on Wednesday and Thursday. Thank you to all the parents/guardians who made time to come to the school and communicate with the staff. Thank you also to those who were able to communicate conference style with staff through Teams. And of course, thank you to the staff for your work with our students and communicating the learning happening in our wonderful school.

PRINCIPAL'S MESSAGE

Did you know that ACSS has a swim team? Well, we do! Here are some images from their meet last Sunday. Mr. Orchard is proudly coaching our team and reports:

ACSS had swimmers successfully qualify for the provincial championships in the 50m Freestyle, 100m Freestyle, 100m Breaststroke, 100m Butterfly, and the 200m Mixed-Relay Freestyle.

We also have swimmers that may compete as reserves.

The Provincial Swim Finals will be held November 19-20 at Watermania in Richmond. With current COVID protocols, spectators are not allowed, but if there are any changes to this, we will let people know.

Contact Tracing Information

Schools in the District are continuing to assist the Fraser Health Authority in contact tracing and case management. We appreciate the ongoing cooperation from parents/guardians in this process. To help support our families, we are sharing resources from the BC Centre for Disease Control which outline the contact tracing process in schools. You can view the Contact Tracing Infographic [here](#) and Contact Tracing in Schools resource [here](#).

Breakfast Club

Grab and Go Breakfast Club 8:15-8:40 daily

Thank you to all of our partners, staff and students for their continued support. A huge thank you to Langley Sources for their weekly baked goods, breads, cheese and extras. Langley School Foundation also supports with yogurt, apple sauce and eggs. Also a thank you to the Township of Langley Firefighters Charitable Society for a supply of granola bars. Sincerely yours; The Breakfast Club Team.

Breakfast Club Donations

Did you know that ACSS Breakfast Club operates every day and is open to everyone who would like some! The program is run on funding from Breakfast Club of Canada and donations from the community. If you would like to contribute to the program, you can do so via School Cash Online.

GRAD 2022

Dear Sir/Madam, The Aldergrove Community Secondary School Dry Grad Committee is planning the Dry Grad event for the 2022 graduating class. Dry Grad events are held at many high schools throughout the province to provide a safe, substance free, chaperoned after-party for the graduating class.

The ACSS Dry Grad committee is comprised of parents who are charged with organizing safe transportation to and from the dinner/dance and planning the Dry Grad event. When students finish the dinner/dance, they will be transported to the Dry Grad venue for a safe, all night party complete with great music, food, entertainment, activities, prizes and more!

Our goal is to encourage all grads to attend this farewell party and to make this a fun, safe and memorable event. In order to make this year's event successful, we are seeking community support. Please consider whether your business/organization would be able to provide sponsorship, a cash donation or prize donations to use towards this special day. In return, the ACSS Dry Grad committee will ensure that your business/organization will be recognized as a sponsor/donor at the Dry Grad event and in the community.

We look forward to your support and thank you for your consideration. If you have any questions or would like to discuss this further, do not hesitate to contact parents of the ACSS Dry Grad committee via email acssdrygrad2022@gmail.com

Sincerely,

ACSS Dry Grad Committee

This week, our Home Economics department had a cupcake decorating competition! Students chose their cupcake and icing flavours, designed their decorations, baked cupcakes, and decorated their cupcakes according to their design.

Students got to learn and practice icing piping techniques from JJ Bakes Company in preparation for this competition. Staff and students participated in judging the cupcakes for being most creative, most visually appealing, and reflects the theme best. Check out their creative cupcake designs and hard work!

The winning entries (although everyone won, as the cupcakes were all excellent!)

New Daily Health Check Form – Digital and Print Version

Thank you for continuing to conduct a daily health check with your child. It is an important measure to help keep our school community healthy and safe. To better assist families, the Ministry of Education has developed an online K to 12 Health Check which can be found here: <https://www.k12dailycheck.gov.bc.ca/healthcheck>

A mobile phone app version can also be downloaded, called K to 12 Health Checker.

Print versions are available in multiple languages on our District website [here](#).

Fraser Health COVID-19 School Update – Immunization for 12-17 year olds

Health Canada has approved the use of the Pfizer vaccine for youth aged 12 to 17. British Columbia is expanding the COVID-19 Immunization Plan to include this age group.

Youth are excited to protect themselves and their families.

Children aged 12 to 17 can register to get vaccinated now by going to www.gov.bc.ca/getvaccinated, calling 1-833-838-2323 or in person at any Service B.C. centre. Once child(ren) are registered in the provincial system they will be contacted at a later date via the method they indicated (either email or text) to book their vaccine appointment.

Household and group vaccination options are also available to make it easy for households to be immunized at the same time. Multiple young people in a household can attend one booked appointment and be vaccinated together. Young people accompanying adults to the adult's new vaccine appointment can register on site and do not need to be registered or booked in advance. Just let clinic staff know you have arrived.

Ensure all family members bring identification and ideally, their personal health card if they have one.

In the coming days, schools will receive an information package to be shared with families with key information such as how to prepare for and what to expect during your child's vaccine appointment.

More information can be found at www.gov.bc.ca/getvaccinated and at www.fraserhealth.ca/vaccine

COVID-19 Guidelines 2021-22 – Frequently Asked Questions

Why is there no mask mandate for students in K-3?

As announced by the province, masks for students in K-3 are no longer required. The District will be encouraging students in K-3 to wear a mask. Mask wearing for these students continues to be a family/caregiver choice. Masks are only one layer of protection. As per public health, the best way to protect everyone is for people who are eligible to get vaccinated.

As announced by the province, masks will continue to be required for all K-12 staff, students in grades 4-12, and visitors when indoors and on buses (with exceptions). See further information regarding bussing [here](#).

Masks are not required for students, staff, and visitors when outdoors.

Why is there no vaccine mandate for students and staff?

As announced by the province, students, staff, and visitors are not required to be vaccinated but it is strongly recommended. The District is encouraging all students, staff, and visitors to get vaccinated before the start of the school year. As advised by public health, vaccines are the best way to keep everyone healthy and safe, especially those in the community who are not eligible to get vaccinated.

Walk-in vaccination clinics are available for anyone over the age of 12 years old. For more information on vaccine clinics in Fraser Health, read here: <https://www.fraserhealth.ca/vax#.YSw77tNKibs>

Why is there no vaccine passport required for students and staff?

As announced by the province, students, staff, and visitors are not required to show proof of vaccination. As per the province, schools are controlled environments with comprehensive health and safety measures already in place and attendance of students, staff, and visitors is taken daily. Half of K-12 students are under 12 years old, not eligible for vaccines, and therefore, the vaccine passport would not be applicable.

A vaccine passport could be applicable, when and if schools host an event (like a concert open to parents/public). Schools will share additional information with the community where and when appropriate.

Why are there no cohorts and physical distancing required?

As announced by the province, cohort and physical distancing is no longer required. However, the District will be working with administration and school staff to develop creative ways to maximize space amongst students and staff in classes. Strategies may include using directional arrows and posters in hallways, spreading out desks and tables in a classroom, and encouraging everyone to respect others' personal space. Taking classes outdoors will continue to be encouraged.

Will the District improve ventilation in schools?

The District upgraded HVAC systems with MERV 13 filters in all sites including portables prior to last year school year. These upgrades meet and exceed provincial ventilation requirements.

ACSS Totem Times

Dream, Believe, Achieve

October 22, 2021

Please visit our website www.acsstotems.ca for more information.

Will students be able to take online courses online if they feel unsafe? Will there be the Transition Support Model in September?

There continues to be a range of choices for students and their families in September. The District will not be offering the Transition Support Model for this school year. Students will be able to learn online through Distributed Learning programs offered at [U-Connect](#) (Elementary, Middle, Secondary) or [Langley Education Centre](#) (Secondary). Students also have the option of [homeschooling](#). If you have questions about options for your child, please connect with your school administrator.

If a student enrolls in a Distributed Learning program or chooses homeschooling, will they be able to save their spot at their catchment school or choice school?

Due to significant increases in student enrolment K-12 in the Langley School District, if a student chooses to enroll in a Distributed Learning program or is homeschooled, the school will not be able to save a student's space at their catchment school or choice school. In the event a student leaves for the school year, they will have to re-enroll for their catchment or choice school and follow regular procedures regarding registration and timeline. If you have questions, please connect with your school administrator.

Why can't the District implement its own guidelines?

The District takes direction from the Ministry of Education and the Provincial Health Office regarding public health matters. The District also follows regional and local health and safety measures developed by the Fraser Health Authority. Changes to any health and safety guidelines can only come from public health authorities. The District defers to health authorities on decision making as they base their advice on science and data collected by public health. The District trusts health experts and their work to help keep our students, staff, and community safe.

Why are the guidelines in schools different from other community settings (e.g., restaurants, stores, recreation centers)?

The District takes direction from the Ministry of Education and the Provincial Health Office. As per the province, all schools follow the health and safety outlines in the [BCCDC's Public Communicable Disease Guidance for K-12 Schools](#). Other sites within the Langley School District (non-education sites such as the school board office) follow WorkSafeBC guidelines which are different from school settings. Other community settings will have health and safety measures in place implemented by the province and/or regional/local authority.

Isn't the District concerned about COVID-19 exposures in schools due to increasing case counts/Delta variant?

The District shares the community's concern over COVID-19 cases. The District acknowledges that as long as there is COVID-19 in the community, there will be exposures in schools. The District understands the more eligible people are immunized; the less likely school exposures may lead to transmission. The District is confident the COVID-19 measures in place for the school year will help in protecting the health and safety of students, staff, and community members.

Welcome to SchoolCashOnline

Fast. Safe. Convenient.

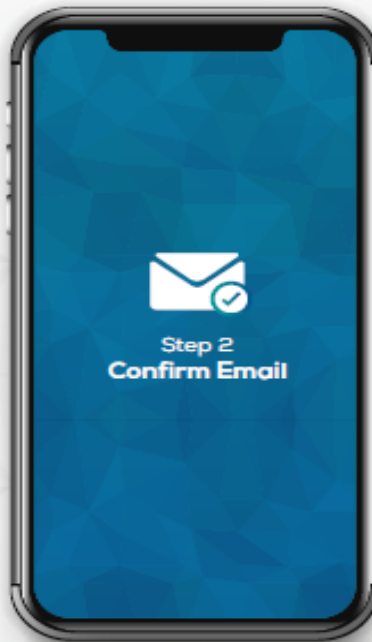

For safety and efficiency reasons, Langley School District would like to reduce the amount of cash & cheques coming into our schools. Please join the thousands of parents who have already registered and are enjoying the convenience of paying ONLINE!
It takes less than 5 minutes to register. Please follow these step-by-step instructions so you will begin to receive email notifications regarding upcoming events involving your child.

Step 1
Register

Go to
<https://sd35.schoolcashonline.com>
and click on **Register**.

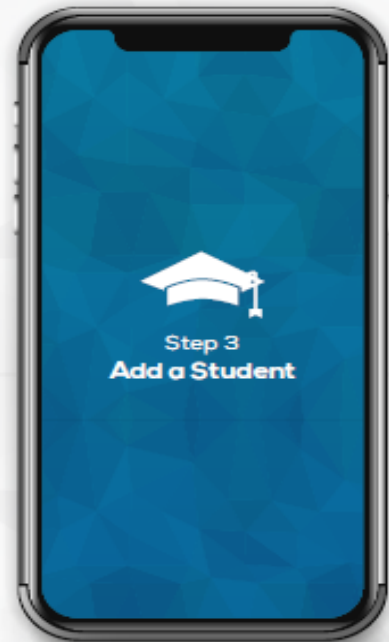

- ✓ Enter in your first name, last name, email and create a password.
- ✓ Select a security question.
- ✓ Check YES to receive email notifications

Step 2
Confirm Email

A registration confirmation email will be forwarded to you. Click on the link provided inside the email to confirm your email and School Cash Online account (check spam).

The confirmation link will open the School Cash Online site, prompting you to sign into your account. Use your email address and password to log in.

Step 3
Add a Student

This step will connect your child to your account.

- a) Enter the School Board Name.
- b) Enter the School Name.
- c) Enter Your Child's **Student Number, Last Name, Date of Birth**.
- d) Select Continue.
- e) On the next page confirm that you are related to the child, check in the Agree box and select Continue.
- f) Your child has been added to your account.

If you require assistance, select the **SUPPORT** option in the bottom right hand corner of the screen or go to helpdesk.support@schoolcashonline.com

FAQs

I've forgotten my password

Click on the "Forgot your password?" link to reset your password. A temporary password will be sent to the email address registered with your account.

How secure are my purchases?

KEV Group's top priority is to keep your personal information safe. Go to <https://helpdesk.supportschoolcashonline.com> and see Security for Security Policy and Privacy Policy.

What if I can't find my student?

Contact your school to confirm your student's details (sign up criteria) to ensure it matches exactly with what was entered in your school's records.

What if I can't see any items?

Each school creates their own items for purchase and assigns them to students. Once assigned, they will appear online under the student tab.

Need Help?
