

Dear BGMS Community,

As we wrap up the year, it's hard not to pause and smile at just how incredible it's been. This school is special because of the people in it, our students, staff, families, and the wider community who show up, pitch in, and genuinely care about one another. We are incredibly grateful for the support, generosity, and positive energy that surrounds our school every single day.

The past few weeks were a perfect snapshot of that spirit. Our PAC Pancake Breakfast was a huge success, powered by teamwork and community pride, even a power outage couldn't slow it down. Our WEB leaders did an outstanding job connecting with our Grade 6 students through games and activities. The Christmas Assembly brought us together in celebration, and Wild Education brought an amazing collection of animals to our school, giving students the chance to learn up close with snakes, lizards, and other fascinating creatures that had everyone talking.

As we head into the break, we want to thank you for making this year such a meaningful one. We wish all of our families a restful and joyful two weeks off, filled with time together, laughter, and well-earned rest. We look forward to welcoming everyone back refreshed and ready for another great chapter together.

Jackman Manor

Our students visited Jackman Manor to deliver handmade cards, and judging by the smiles all around, the residents loved every minute of it. A simple act of kindness, and a powerful reminder that connection across generations never goes out of style.

PANCAKE BREAKFAST

A huge thank you to our amazing PAC and to our school community for coming together to make the Pancake Breakfast happen. Even with a power outage trying to steal the spotlight, teamwork, flexibility, and good vibes prevailed. This is what community looks like, showing up for kids no matter what.

WILD EDUCATION

A huge thank you to Wild Education for bringing their incredible animals to our school. Our students were absolutely captivated, especially by the snakes and lizards, and the excitement, curiosity, and brave volunteering said it all. Learning came alive in the best possible way, hands-on, memorable, and full of wonder.

December Health Messaging – Fraser Health

We're continuing to support student health and safety. Please review these quick reminders from Fraser Health.

Get Ready for Winter

Winter weather can bring storms, cold snaps, and power outages. Make a plan to stay warm and safe at home.

- Get ready for winter: Snow and cold safety – Fraser Health Authority
- Indoor air quality – Fraser Health Authority

Dress for the Cold

Layer up with hats, gloves, scarves and waterproof boots. Kids can be more prone to hypothermia and frostbite, so remind them to bundle up before heading out.

Prevent Winter Illness

Flu season is here. Consider annual flu vaccines, teach hand-washing and good cough etiquette, and keep kids home when sick. Masks can help reduce spread when staying home isn't possible. Learn more about masks [here](#).

Keep Moving

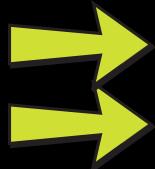

Stay active with skating, sledding, family walks, indoor play, dancing, yoga or drop-in community programs. If you're playing on frozen lakes or ponds, make sure the ice is safe – check the Lifesaving Society website.
