STRONGSTART IN LANGLEY SCHOOLS

Free program for children of 5 years or younger
and their parent, caregiver, or grandparent.

YOUR CHILD will feel free to explore and play in an environment that is friendly, safe, and inspiring!

AND YOU will get to share in the excitement and successes of your child's early learning experiences!

About the StrongStart Early Learning Centre

Langley School District's StrongStart Centres provide welcoming and stimulating play for pre-Kindergarten children ages 0-5 and their parents/primary caregivers. There is no charge to attend.

Adults and young children connect with others, learning and playing together in well-planned early learning classrooms with excellent resources. The StrongStart Facilitator who oversees the program specializes in the interests and needs of families with babies, toddlers, and preschoolers.

StrongStart Centres are open most school days that school is open. StrongStart Centre facilitators post a calendar indicating when the Centre is open or closed. You can also call the school before you come.
